

My Home For Sale

On account of ill health, I am compelled to live on the sea level—at least, for a while—and am offering my home, on Brooks street, for sale. It comprises three lots, a 90x130-foot corner, highly improved with fruit and shade trees, fine shrubbery, roses, flower bushes, flowers and lawn. A good 6-room modern house, piped with gas and equipped with electricity, and in first-class condition. With the house will go a hard-coal heater that cost \$110 (as good as new), a good Majestic range, the carpet in the large living room, linoleum in the kitchen and bathroom, 100 feet of rubber hose, two lawn mowers and a year's supply of coal and wood. This property cost me, four years ago, \$3,650. After I purchased it, I overhauled the entire house with carpenters, repainted and papered it throughout, laid cement walks, planted trees and shrubbery, built a garage, all at a cost of \$1,600, making the property stand me \$5,250. I am putting at least \$500 worth of personal property in with the house, making it \$5,750 at the price of three years ago, and the increase in value in this time has, as you know, been remarkable.

I will offer this property at \$5,250, which is at least \$1,000 less than it is worth, but I want to sell and am putting on a selling price; \$2,500 will handle it; mortgage for balance.

Taxes all paid, and insurance for two and three years, all paid, will be transferred to buyer.

JAMES M. RHOADES.

BASKETBALL GAME TONIGHT

VARSIETY TO MEET UNITED STATES CHAMPIONS IN GYMNASIUM THIS EVENING.

The university basketball team will this evening play the team representing Company F of the Wisconsin National guard from Portage, which last year won the championship of the United States. The game will be played in the university gymnasium. The Portage team has thus far come unsuccumbed through Montana, and while the university does not expect to be able to win the game, nevertheless the contest will be fast and furious and the visitors will not have any easy time of it.

The university will be represented this evening by the fastest basketball team which it has had on the floor in years. Were the team which is going to play the Wisconsinians tonight able to play for the university throughout the season there can be no doubt as to where the state championship would finally land. Bishop and Little will probably play guards, and after three years of experience there is no pair of guards in Montana which can compare with them. Ryan will play center and the two forwards will be chosen from among Whistler, McCarthy, Guest, Dobson, Hansen, Conner, Marshall, Spencer and Buck, with the odds, apparently, in favor of the first two. Both Whistler and McCarthy are forwards of long experience and undoubted ability, and for the past week they have been throwing baskets and playing ball in a way which was a revelation to the spectators.

Whistler is enrolled only in eight hours, and though he is a bona fide student, the intercollegiate rules would not permit him to play in a collegiate game. Bishop, having played four years, is in the same predicament. Both, however, will be able to play tonight and against all other amateur teams out of the college class which the university meets this year.

The game will be called at 8:30 in the gymnasium. Arrangements have been made for the comfortable disposition of a large crowd. An admission fee of 50 cents will be charged.

KNIGHTS OF PYTHIAS INSTALL OFFICIALS

On Wednesday night the Knights of Pythias met and installed officers, who will administer the affairs of the local lodge during the coming year. After the installation ceremonies one novitiate was given the work in the rank of page. An informal social was held after these ceremonies. Those installed were: George Briggs, chancellor; J. W. Reilly, vice commander; Chris Anderson, prelate; Fay E. Ward, master-at-arms; W. D. Kendrick, financial secretary; W. H. Reid, master of the exchequer; H. T. Eastridge, keeper of records and seals; P. L. Larson, inner guard; H. H. Chase, master of work; J. A. Baker, trustee.

DESTITUTE YOUTH NEEDS AID

SIXTEEN-YEAR-OLD LAD, A VICTIM OF MISFORTUNE, SEEKS WORK IN VAIN.

According to the police blotter Oscar Jansen is a vagrant, but according to the testimony of the boy himself and Judge H. M. Small, he is a worthy young man and should be aided by someone needing a willing worker. Oscar Jansen floated into Missoula two days ago, broke and footsore from a long walk. The lad is practically an orphan, and although only 16 years of age, he says he has made a living for himself for the past seven years. Jansen was taken in charge Wednesday night while seeking a place to sleep. He told a pitiful story in the police court yesterday morning, saying his father had abandoned his mother and family when he was but a year old. Since that time the lad has been compelled to shift for himself, and today does not know where either of his parents are. He is physically well developed, being something over six feet tall, and giving promise of great stature. He is anxious to get work on a ranch, and both Judge Small and Sheriff Kelley are endeavoring to find that sort of employment for him.

MISSOULA-HAMILTON LINE RECEIVES OFFICIAL COMMENDATION IN CITY.

The announcement of the Missoula & Hamilton Railway company's incorporation caused a great deal of pleased comment in the Garden city yesterday. There were many who wished the promoters of the enterprise success. That an interurban road up the Bitter Root would be of great advantage to western Montana was the unanimous opinion of business men.

The Missoula Chamber of Commerce addressed its official commendation of the plan yesterday to H. M. Sloan, president of the Bitter Root Valley Irrigation company. The letter told of the great and general desire for an interurban line up the valley and contained a promise of the heartiest cooperation of Missoula and the chamber of commerce.

VAGRANT J. P. O'SHEA NEARLY INCINERATED

J. P. O'Shea, the ever-present vagrant whose name has appeared on the police docket on an average of three times a week for the past two months, was arrested again yesterday morning for the old complaint, drunk and clogging. O'Shea had not been in the lockup long before the attention of the police was attracted by wild screams which emanated from the cell occupied by the prisoner. Officer Carver found O'Shea desperately fighting a thin line of glowing fame which was slowly spreading over the breast of his undershirt, the fire having started from a spark dropped from the victim's pipe. The percale overshirt worn by O'Shea when he was placed in jail had been almost entirely consumed, but the vigorous character of the blaze was checked when the woolen goods were attacked. Nevertheless, O'Shea was badly burned and now occupies a cot at St. Patrick's hospital.

TESTED AND PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Missoula readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit.

Mrs. Joseph Shakteton, 513 Washington street, Anaconda, Mont., says: "Anyone suffering from kidney trouble will do well to give Doan's Kidney Pills a trial. I used them for an attack of backache which had failed to yield to other remedies. I had taken and I was given entire relief. Another member of my family also took Doan's Kidney Pills and they corrected a kidney weakness which had been a source of much annoyance. I have never known of a better kidney medicine than Doan's Kidney Pills." (Statement given December 24, 1907.)

Confirmed proof.—On November 23, 1909, Mrs. Shakteton was interviewed and she said: "I gladly confirm my former endorsement of Doan's Kidney Pills. I have been practically free from kidney complaint during the past three years."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
