

# GRAND JURY STARTS TO WORK

### D. O. DE TAR IS FOREMAN OF MEN CALLED TO INVESTIGATE CONDITIONS.

**THE GRAND JURY.**

The jurors—D. O. DeTar, foreman; George Grover, Charles E. Stephenson, W. T. Carle, C. L. Gill, Morris Sharpe, John C. Knott.

Duties—To consider the following matters:

The charges against Commissioners Nelson and Curran and former Commissioner Worden, accused of selling goods to the county while holding office.

The charge of Mrs. Harry Pierce against E. S. Dorman, namely, that he sold mining stock as her agent and failed to give her the money realized.

The charge against Earl Tanner, who is accused of stealing musical instruments from the rooms of the Missoula bank.

An investigation of all county offices and officials and an inspection of all county institutions.

The determining of whether or not gambling is being carried on in the county.

Yesterday the February term in the district court opened. The important event of the first day was, of course, the choosing of the grand jury called by Judge Webster about ten days ago. The most important fact about the grand jury brought out yesterday is that it is to have charge of the investigation of charges brought against two members of the present board of county commissioners, Chairman D. T. Curran and Frank Nelson, and Tyler Worden, a commissioner up to the first of the year. The charges against the county officials, who are accused of selling illegally to the county while holding office, have not yet been heard by Justice Dyson, as the absence of Mr. Curran was taken as sufficient reason for postponement. Mr. Curran has been called to Notre Dame, Ind., by the illness of his daughter, and is still out of the city.

The picking of the jury was begun at 10 o'clock yesterday morning. John H. Tolan and H. H. Parsons represented the commissioners, W. F. Wayne looked after the interests of Earl Tanner and J. M. Evans attended to those of E. S. Dorman. The seven men given above were drawn by Clerk of the Court Conlon, after brief proceedings, involving the cross-examination of several of the panel.

Immediately after the seven men had been named, Judge Webster appointed D. O. DeTar foreman and began his instructions to the grand jury. Their duties and privileges he outlined tersely, naming the specific cases recited above. He explained that five out of the seven could vote a true bill, that the foreman swears all witnesses and that the body has the right to subpoena witnesses. The county attorney is the jury's advisor. Yesterday James Orr was appointed its bailiff. The jury has the privilege of calling on the judge for additional instructions.

### ADJUDGED INSANE.

An insanity commission found Hans Christanson to be insane yesterday afternoon. Christanson was picked up on the street a few days ago and has been suffering with dreadful delusions. He is comparatively young.

### CONTRACT LET.

Yesterday afternoon the county commissioners selected the bid of J. Meriam for the contract of wiring the county poor farm and detention hospital. The figure is \$110.

# CRAWFORD HONORED BY COUNCIL

### SHORT SESSION IS HELD AND MOTION PASSED TO DRAFT RESOLUTIONS.

With flowers and crepe decorating the vacant desk of Alderman William Crawford and bearing mute testimony to the loss of the alderman, the city council met in a short session last evening. The meeting was called to order by Mayor Logan and Alderman W. W. McCormick made a motion that the council as a whole be appointed a committee to draft resolutions in honor of the departed alderman. The motion carried and the council then adjourned until 7:30 this evening.

# NO DYSPEPSIA OR INDIGESTION

### HEARTBURN, GAS, HEADACHE AND ALL STOMACH DISTRESS SIMPLY VANISHES.

There would not be a case of indigestion here if readers who are subject to stomach trouble knew the tremendous anti-ferment and digestive virtue contained in Diapepsin. This harmless preparation will digest a heavy meal without the slightest fuss or discomfort, and relieve the sourst, acid stomach in five minutes, besides overcoming all foul, nauseous odors from the breath.

Ask your pharmacist to show you the formula, plainly printed on each 50-cent case of Diapepsin, then you will readily understand why this promptly cures indigestion, and removes such symptoms as heartburn, a feeling like a lump of lead in the stomach, belching of gas and eructations of undigested food, water brash, nausea, headache, biliousness and many other bad symptoms; and, besides, you will need laxatives to keep your stomach, liver and intestines clean and fresh.

If your stomach is sour and full of gas, or your food doesn't digest, and your meals don't seem to fit, why not get a 50-cent case from your druggist and make life, worth living? Absolute relief from stomach misery and perfect digestion of anything you eat is sure to follow five minutes after, and, besides, one case is sufficient to cure a whole family of such trouble.

Surely, a harmless, inexpensive preparation like Diapepsin, which will always, either at daytime or during night, relieve your stomach misery and digest your meals, is about as handy and valuable a thing as you could have in the house.

# MANY BALL PLAYERS SEEKING POSITIONS

Applications from young players are still coming to William Joyce, manager of the Missoula Baseball club in the Union association, the mail yesterday bringing two letters from men who desire positions under the Missoula manager. "Flash" Kane, a well-known shortstop and change catcher of St. Paul, is one of the latest to seek employment under Joyce, and says he is confident of making good in either position. Mr. Kane has had several years' experience with fast teams, but has not played in organized leagues. His recommendations, however, are good, and the chances are that Manager Joyce will give him a tryout. Ed L. Martin, a man who claims to be a high degree catcher, and who lives in Madison, Idaho, is seeking a chance to show his paces in league company. Mr. Martin, while only a busher, is highly touted and said to be a hitter of 400 caliber. A number of pitchers, too, have written Mr. Joyce during the past day or two, and some of these will probably be called here to give an account of themselves. It is the plan of the manager to assemble about 35 men, choosing those whose credentials are the best, and these will be divided into battling squads for the training season. The men showing the goods will be held to the last, and from these the team which is to represent Missoula in the new circuit will be chosen.

### WAS HE FIGHTING?

Although he was arrested for fighting, Pietro Frango, in no good English as he could command, declared in the police station last night that he was the most peaceably-inclined Italian in this country. Frango said, instead of being a combatant, he was in the act of offering the olive branch to two belligerents who were engaged in pummeling each other's faces to a pulp, in the Cottage bar, on Railroad street. Police Officer Lew Fabert saw the fracas from a different point of view, and insisted that Frango was the brawler. The Italian will be taken before Judge Small this morning to plead his case.

### NEW VOTERS.

Citizenship papers were granted in the district court yesterday to Gust David Forsen, Gabriel Ludvickson and Christian Anderson, all Scandinavians.

### Notice.

All members of Missoula encampment No. 5, I. O. O. F., are requested to meet at Odd Fellows' hall, Tuesday at 1:30 p. m., to attend the funeral of our late patriot, William Crawford.

# SMITH'S RESOLUTIONS INDORSED

### METHODIST SUNDAY SCHOOL PASSES RESOLUTIONS FAVORING BILL IN LEGISLATURE.

The bill introduced in the state legislature providing for the closing of saloons at midnight week days and all day Sunday, has stirred up considerable interest in this city, especially among the church organizations. Sunday the matter was presented before the Methodist Sunday school and the following resolutions were adopted:

"Whereas, A bill has been introduced into the legislature of the state of Montana providing for the closing of saloons at midnight and all day on Sundays; now, therefore, be it

"Resolved, by the First Methodist Episcopal Sunday school of Missoula now assembled, that we heartily approve of the proposed legislation and earnestly urge upon our representatives in the house and senate the passage of such a bill, believing that it would be a step towards making Missoula the Garden city not only in things physical but in things moral, and particularly as the seat of the state university a place to which parents and guardians living in other parts of the state could, with confidence, send their youth to take advantage of the educational facilities afforded, knowing that, in so far as possible, their moral well-being would be safeguarded and their characters strengthened in things that are uplifting and good; be it further

"Resolved, That copies of these resolutions be forwarded to each of our representatives at Helena, and that a copy be handed to The Missoulian for publication.

"Signed on behalf of the First Methodist Episcopal Sunday school,

"J. W. BENNETT, Pastor.

"J. H. INCH, Superintendent.

"THOS. LAYFIELD, Secretary."

# SIX-SCORE CASES IN FEBRUARY TERM

There are 120 cases to be given places on the calendar of the district court for the February term, which opened yesterday. The 120 cases are all "live," all dead wood having been left from the list.

# MORE CHICKEN THIEVES.

Chicken thieves are reported paying clandestine attention to south side coops during the nocturnal hours. Several instances of deprivations have been reported to the police during the past two weeks, and an organized attempt is being made to find the culprits. Two weeks ago on Sunday night thieves entered the chicken house belonging to Al Blich on South Fifth street, and at 2 o'clock on yesterday morning the members of the Blich household were aroused by a racket in the coop, due to an attempt to carry off more fowls. Mr. Blich took a shot at a fleeing fowl, but evidently failed to hit the mark.

# Famous "Pint of Cough Syrup" Receipt

No Better Remedy at Any Price. Fully Guaranteed.

Make a plain syrup by mixing one pint of granulated sugar and 1/2 pint of warm water and stir for two minutes. Put 2 1/2 ounces of pure Pinex (50¢ cents worth) in a pint bottle, and fill it up with the sugar syrup. This gives you a family supply of the best cough remedy in the world. It never spoils. Take a teaspoonful every one, two or three hours.

This is the simplest remedy I have ever known. It seems to take hold instantly, and will usually stop the most obstinate cough in 24 hours. It tones up the jaded appetite and is just laxative enough to be helpful in a coughed-up chest. It is an excellent for bronchial trouble, throat tickle, sore lungs and asthma, and an unequalled remedy for whooping cough.

This recipe for making cough remedy with Pinex and Sugar Syrup (or strained honey) is a prime favorite in thousands of homes in the United States and Canada. The plan has been imitated, though not successfully. If you try it, use only genuine Pinex, which is the most valuable concentrated compound of Norway white pine extract, and is rich in gualic acid and all the natural healing pine elements. Other preparations will not work in this recipe.

A guaranty of absolute satisfaction, or most of your money refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

His secretary writes that this will be in April, the exact date to be announced later. Senator Dixon, at Washington, will be asked by the chamber of commerce to assist the organization in making its arrangements for the reception of the city's guest and a program, which will be made as fitting as possible for the occasion.
