CARDINAL'S OWNER PASSES AWAY

STANLEY ROBISON, NATIONAL LEAGUE MAGNATE, DIES IN CLEVELAND.

Cleveland, Ohio, March 24.—Stanley Robison, owner of the St. Louis National League baseball club, died of blood poisoning at the home of his sister-in-law, Mrs. Frank De Haas Robison, today.

Stanley Robison was a graduate of the Northwestern university at Evanston, Ill., and was educated as a civil engineer. While in college he was noted as an athlete, playing shortstop on the baseball team. In 1880 Mr. Robison and his brother came to Cleveland and in partnership with Charles Hathaway built the Superior and Payne avenue street car lines. Afterward they sold out to the Consolidated company, operated by the late Marcus A. Hanna, and embarked in the baseball business as owners of the Cleveland club. When the National League changed from a 12-club to an eight-club circuit in 1889 the brothers transferred their club to St. Louis.

St. Louis History. St. Louis, March 24.—Stanley Robison first became identified with baseball in St. Louis in 1889. He and his brother, Frank De Haas Robison, owners of the National League baseball club of Cleveland, transferred their club and franchise to St. Louis. The two brothers continued to own and operate the club until 1908, when Frank De Haas Robison died. Since then Stanley Robison has been the principal owner. The Robisons bought the Cleveland club in 1889 and developed one of the greatest teams that ever played in the National League. In 1895 and 1896 the Cleveland team played Baltimore for the Temple cup. Mr. Robison was 54 years old and was born in Dubuque, Iowa.

Hermann Shocked. Cincinnati, Ohio, March 24.—When August Hermann, chairman of the National Baseball commission, was informed of the death of Robison today he was greatly shocked.

Lynch Pays Tribute. New York, March 24.—"The death of Stanley Robison takes from the national pastime one of its prominent figures," said President Lynch of the National league today, when told that the owner of the St. Louis National League had passed away. "Stanley Robison was a true sportsman and ever had the interests of his club and the National League at heart," said President Lynch.

HIGH SCHOOL PLAYERS WALLOPED BY VARSITY

The university baseball squad yesterday overwhelmed a Missoula high school aggregation by a score which was too large to count. The cold wind discouraged all except the most enthusiastic fans and they were not very well rewarded. The high school boys played poor ball and were evidently without practice. Butterfield and Dinmore, on the firing line for the university, had the scholastics at their mercy throughout the game and the collegians swatted Anderson and Linn all over the lot. The material in both teams is good and with a little practice the high school boys will be able to put up a strong game. The university was represented by three line-ups and all of the men played well. Montana should have a strong team this spring.

A second game will be played this afternoon and it is expected that a better showing will be made. The game will be at 2:30.

The "Scrappers!" How can you get away from it?

BUTTE BOY WINS. Sheridan, Wyo., March 24.—Maurice Thompson of Butte secured a decision over Peter Jensen, known as the Battling Dane of Denver, after 29 rounds of a grueling contest. In the ninth round Jensen seemed at the mercy of the Butte man, who rained repeated blows upon the face and body. Jensen came back gamely in the 20th and that round was even.

YANKEE HORSES WIN. Paris, March 24.—American race horse owners carried off two events at the meeting at Maisons Laffitte today. The prix Callistrato for 3-year-olds, valued at \$1,600, distance one mile, was won by Frank J. Gould's Combourg. Nash Turner's Friend II captured the prix de Houdan, a selling event of \$600, distance, 10 1/2 furlongs.

Some moniker—"Scrappers!"

MORRIS IS FAVORITE AT SAPULPA

OKLAHOMA "HOPE" IS TOUTED AS SURE WINNER OVER SCHRECK TUESDAY.

Sapulpa, Okla., March 24.—The last nail was driven today in the area here where Carl Morris and Mike Schreck will battle next Tuesday afternoon. Twelve thousand people can be seated in the big structure that has been erected especially for staging the fight. From all parts of Oklahoma and many sections of the United States fight followers are arriving. Odds are 5 to 1 in favor of Morris with but few takers.

One east in better attracted by the big odds, sent \$1,000 here to be bet on Schreck and a dozen men vied with one another for the privilege of covering the money.

Both Schreck and Morris are training here, both claiming to be in good condition.

DANIELS PUSHED HARD IN NEW YORK TANK

New York, March 24.—One of the most remarkable finishes to a swimming race in this or any other country was witnessed at the New York Athletic club tonight, when C. M. Daniels, the record holder, again won the 100-yard amateur athletic union championship. Never before was Daniels so hard pressed. Only two inches behind him was McDillivray of the Illinois Athletic club of Chicago, while a few inches away R. E. Frazier of the Missouri Athletic club of St. Louis beat out A. H. Helmer, of the Illinois Athletic club for third place.

The four men were only a fraction of one-fourth of a second apart as they touched the finish mark. The time of the winner was 56 4/5 seconds, which is four-fifths of a second behind Daniels' own American record for the distance with three turns.

LONG SHOT WINNER IN FRENCH FEATURE

Liverpool, March 24.—The grand national steeplechase handicap of 390 sovereigns for 3-year-olds and up was won today by Glenside, an outsider, against whom the betting was 29 to 1. Rationally was second and Shady Girl third. Twenty-six horses started. Luteur III, the French winner of the event in 1909, was a hot favorite, but fell on the second round of the course. Foxhall Keene's Precursor II led the field on the first round when the pace became too fast for the American entry. John Jacob Astor had two entries.

SOME SPEED.

London, March 24.—E. Mackay Edggar's motorboat Muffin Leaf III, showed a wonderful burst of speed in a trial on the Solent today, making 49 1/2 knots an hour. This is claimed as the world's record. The Muffin Leaf III took part in the motorboat regatta at Monaco a year ago.

GOTCH BEATS JENKINS IN STRAIGHT FALLS

Denver, March 24.—Without ever permitting his opponent to assume the offensive for a moment, Frank Gotch, holder of the world's wrestling championship, defeated Tom Jenkins, former champion, in two straight falls at the Auditorium here tonight. Both falls were gained with a half-Nelson and crotch hold, the first in 17 minutes, 29 seconds and the second in 12 minutes, 37 seconds. The match was fast and savage from the start.

RACING RESULTS

At Juarez. Juarez, Mexico, March 24.—Uncle Ben, at 8 to 1 in the betting, proved a big surprise when he won the mile handicap at Terrazas today. He saved many lengths on the turn and won going away. The stewards today suspended Jockey Anderson for his poor ride on Fancy and the future entries of the race have been refused.

First race, 2-year-olds, four furlongs—Lady Lightning, won; The Visitor, second; Yo Puesto, third. Time, 1:46 3/5. Second race, selling, 3-year-olds and up, six furlongs—He Knows, won; Sam Barber, second; Al Wray, third. Time, 1:12 2/5. Third race, 3-year-olds and up, five furlongs—Dr. Smoot, won; Pride of Lismore, second; John Griffin II, third. Time, 1:50 3/5. Fourth race, handicap, 3-year-olds and up, mile—Uncle Ben, won; Jim Boney, second; General Marchmont, third. Time, 1:38 2/5. Fifth race, 3-year-olds, six furlongs—Bobby Boyer, won; Plavious, second; Marjorie A., third. Time, 1:31 3/5. Sixth race, selling, 3-year-olds and up, mile—Minolette, won; Round and Round, second; Waldorf Belle, third. Time, 1:39 3/5.

DARBEE PUTTING ON SPEER NOMINATED REAL SALE IN GREAT FALLS

ELECTRIC CITY REPUBLICANS POPULAR CLOTHING HOUSE TRYING PLAN FOR FIRST TIME IN 20 YEARS. NAME MAN OF LIBERAL POLICY FOR MAYOR.

The big red sign on the front of F. L. Darbee's clothing store has attracted considerable attention the last two days and yesterday the proprietor of the establishment was eagerly sought by his many friends who made inquiry about his closing out the business. "Closing out entire stock" is the way the sign reads and many of his friends took it for granted that Mr. Darbee was going out of business. "Nothing of the kind," said the genial proprietor yesterday, as he was busily engaged with all of the clerks he has been able to secure in marking down the goods and getting things in shape for the opening of the sale this morning at 9 o'clock. "No, sir, I am not thinking of doing anything so foolish as simply having a sale and I suppose that because not many remember that I ever had one before they think there is something peculiar about it this time. But there isn't. The only feature about it is that now that I have waited for 20 years to have a sale this one will certainly be a name. It will be a sure enough sale and the whole stock is going to be cleaned up before we get through. You can look around and see for yourself how the prices have been slashed. Guess some of them will make the natives sit up and take notice, too. Everything goes under this clean-out arrangement; even the new spring stock that I just unpacked a few days ago. In underwear, shoes, pants and hats I have a line here that certainly will surprise those who come to make an investigation.

"No, I am not going out of business. Just simply having my first real sale in 20 years. That is a long time to wait and so I am going to make it one worth while."

One of the members of the firm of Gordon & Company, which has charge of the Darbee sale, stated yesterday that in all of his experience in conducting sales of this kind he had never handled a stock that has been marked down like that of the Darbee store. "Mr. Darbee has certainly gone the limit," said the manager, "and the object aimed at, the complete cleaning up of the stock, will certainly be gained in a hurry. I have handled some sales where the old stock, shabby worn and soiled, has been marked to the limit, but this thing of throwing absolutely everything into the deal, new spring stuff and all, is a new one on me. I wager that we have a crowd that will stand in the street waiting for the opening hour, 9 o'clock this morning."

Great Falls, March 24.—The republicans in this city, in convention tonight, nominated J. W. Speer for mayor and W. H. Harrison for city treasurer. Both men were nominated by acclamation. Mr. Speer was county attorney for four years previous to the first of this year and the understanding is that his administration will be conducted along wide-open lines. It is contended that the present administration of Mayor Murphy, democrat, who is running for re-election, has been too restrictive in the matter of gambling. Candidates for aldermen were nominated as follows: First ward, George H. Ossestine; Second ward, Joseph Herring and Nick Baatz; Third ward, C. H. Austin; Fourth ward, Henry Pearce; Fifth ward, Frank Grant.

Washington, March 24.—(Special).—The abstract of conditions of the national banks of Montana at the close of business on March 7, as reported to the comptroller of the currency, shows the average reserve held at 19.45 per cent, as compared with 19.58 per cent last month. Loans and discounts decreased from \$26,820,988 to \$26,163,597; gold coin from \$1,698,230 to \$6,631,658; individual deposits from \$31,343,138 to \$30,328,759.

BANQUET IS GIVEN TO FORESTRY CLASS

A banquet, given in honor of the departing short-term forestry students, was held at the Masonic hall last evening. In addition to the forestry class, the engineers of the university and the officers of the forestry club were numbered among the invited guests. The ladies of the Eastern Star served the banquet and it was a great demonstration of culinary ability. The evening was spent in playing cards. The affair was an enjoyable one from start to finish and proved a fitting send-off for the budding foresters.

MINER'S BODY FOUND.

Columbus, Ohio, March 24.—Crushed under an enormous rock, indicating that he was running for safety when killed, the body of Thomas C. Caldwell, justice of the peace, performed the marriage ceremony for Grace Stafford, 18 years old, of Hardin, Mo., and Edward Tithman, 28 years old, of Mexico, Mo.

MURDER CHARGED TO HUSBAND.

Frederick, Okla., March 24.—As the first clouds of earth fell on the coffin of Mrs. Rena V. Gregory in the little burial ground at Navajo, near here, an officer arrested Mac Gregory, her husband, on a charge of murder. The coffin was taken from the grave and the body removed for examination. Mrs. Gregory died Sunday, supposed from heart failure. Physicians who attended her are understood to have later discovered traces of strychnine poisoning.
