## WOMAN AND CHILD HAVE CLOSE CALL

Mrs. George Robinson, who lives at 1222 Stoddard street, and the two-year-old child of L. Cox had a narrow escape last evening when the horse which Mrs. Robinson was driving ran away and threw both from the buggy. The horse started to run on Railroad street and threw Mrs. Robinson out in front of the Montana hotel. She sustained a few scratches but was not seriously injured. The child was thrown out in front of the north side school and escaped practically unharmed. The horse was caught on the flat west of the city.

## PRESS AGENTS TALK OF THEIR SHOWS

**At the Bijou.**  
The management of the Bijou has devoted considerable time and has spared no expense in an endeavor to make its Sunday program the best that can be seen anywhere. To this end the manager has secured "The Tournament of Roses." This is without doubt one of the most artistic and elaborate pictures prepared by a moving picture company. The film is truly beautiful and is almost sensational in its picturesqueness.

Dramatic films are shown at every performance in a moving picture theater. There are many of such pictures, based on many stories. "The Roman Tragedy," however, eclipses all films of a like nature and is easily in a class by itself. The story portrayed in this film is a beautiful one and is told in a manner that leaves nothing to be asked. It is a wonderful production.

"Edna's Imprisonment" is a comedy film that is well staged and acted. Jimmie, the office boy, plays an important part in the proceedings and the picture is a guaranteed laugh.

The vocal and instrumental program will be up to the high standard set along these lines by the Bijou. The orchestral selections have been made with especial care and several good, catchy songs will be rendered.

**At the Isis.**  
Four extra-good films and two extra-good songs, besides that excellent music by the orchestra, constitute the bill at the Isis theater. "The Show Girl" is one of those interesting Vitagraph dramas. A doctor makes love to a show girl and everything goes along finely until a friend discloses the fact that the doctor has a wife and family. Then the untangling begins with an ending satisfactory to all.

"A Good Turn" is a fine comedy. Two burglars come upon a dependent man who is about to commit suicide. If he kills himself they will be accused of murder, for two policemen are on the front steps smoking. They bind him and call up his sweetheart, bringing her into the play just in time. It is clear and funny, combined with clever acting.

"Shooting the Rapids in Japan" is a colored picture showing excellent photography of scenes in Japanese mountain country. It shows a boat full of passenger shooting the rapids of a beautiful stream.

A very exciting boxing match between two clever and well-known pugilists furnishes another very interesting picture for the audiences this evening.

**POSTMASTER APPOINTED.**  
Washington, June 10.—(Special).—A. E. Quick has been appointed postmaster at French Gulch, Deer Lodge county, vice H. Jensen, resigned.

## RELIGIOUS EXPERTS ENJOY TOWN

SUNDAY SCHOOL TOUR PARTY NO. 2 IS ENTERTAINED IN MISSOULA.

"The most interesting place and the best time we have had since we left St. Paul," is the statement made by members of Sunday school tour party No. 2 yesterday to express their appreciation of the entertainment given them in Missoula.

The program as it had been previously arranged was carried out almost to the letter. Representatives of the chamber of commerce and of the local Sunday school association met the train with automobiles at 8:35 in the morning and took the visitors on a sight-seeing tour about the city. The route followed was from the south bluff to Fort Missoula, through Orchard Homes, then through some of the residence streets, up the Battlement and down by the way of waterworks hill.

From 10:30 to 12 o'clock the visitors and local Sunday school workers met in conference in the Imanuel Baptist church. Two sessions were held simultaneously, the elementary and adult departments. Miss Mary Allen presided over the former and introduced Mrs. Paul S. Dietrick to speak on the subject "Grading of Elementary Departments." Miss Pond spoke on "Training of Elementary Teachers" and Dr. Phillips gave the general address.

L. M. Robertson presided over the adult session. Rev. C. B. Allen opened the service with prayer. Paul S. Dietrick spoke of "The Teen Age Problem." Mr. Chissold sang one of his beautiful solos; A. M. Locker gave a talk on "Training for Service," and Fred S. Goodman discussed "Men and Religion." Rev. Mr. Burtner pronounced the benediction and the assembly adjourned to the Presbyterian church for luncheon.

Mrs. Koch's committee of the Ladies' Aid society of the Presbyterian church had a beautiful and delicious luncheon ready with places laid for 125 people. When it came time for talking, Rev. J. A. Alford served as toastmaster and asked Dr. J. N. Maclean to speak on "What We Think of the Party;" A. M. Locker gave "The Personnel of the Party;" Miss Brauer spoke of "Women's Rights in the Party;" and Dr. Phillips gave "What We Think of Missoula." It was all extremely happy as well as uplifting, and the Sunday school workers of Missoula are congratulating themselves upon the rare privilege of this visit.

The members of tour party No. 2 who were in the city yesterday were A. N. Locker, general secretary of the Minnesota association, St. Paul; F. S. Goodman, secretary of religious work of the International Y. M. C. A., New York; Mrs. Paul S. Dietrick, elementary field secretary of the Minnesota Sunday School association, St. Paul; Dr. A. L. Phillips, superintendent of Sunday school and young people's work, Presbyterian church, South Richmond, Va.; Dan E. Billman, Minneapolis; Mrs. Jessie Bruce, Deer River, Minn.; Miss Leonora Bauer, office secretary Minnesota association, St. Paul; E. T. Chissold, leader of music, Chicago; Paul S. Dietrick, field secretary Minnesota association, St. Paul; William Dodge, Perry, Iowa; Mrs. Minnie King, Deer River, Minn.; Stafford King, Deer River, Minn.; Mr. and Mrs. William Nordland, Lyle, Minn.; Mrs. Carrie S. Pond, teacher-training superintendent, Minnesota association, St. Paul; Miss Isabelle Wilson, Minneapolis; F. W. Wallace, Forsyth, Montana, and Rev. J. A. Alford, general secretary for Montana.

## ST. IGNATIUS NOTES

St. Ignatius, June 10.—(Special).—St. Ignatius is planning to celebrate the 4th of July in a very fitting manner this year. The citizens of the neighboring towns have accepted invitations to celebrate with the old town and the mission is preparing to entertain its guests royally. There will be a program of Indian dances, games and horse racing, also a baseball game between the Mission Reds and the Moiese valley team. A large sum has been raised to defray expenses, so that a great celebration is assured.

Saturday evening, June 10, a dance was given at the local hall, the proceeds of which were devoted to the celebration fund.

Mrs. George Beckwith and family are spending the week end at Hamilton.

The Mission ball team will play the Roman aggregation at Roman Sunday afternoon. A good game is anticipated.

George Stewart has returned to the Mission after a winter's sojourn in California.

Miss Helen McCrackin, accompanied by her sister, Mrs. Mortimer White and children, returned to the Mission Sunday. Mrs. White will be her sister's guest at her ranch High-on-a-Hill for the rest of June.

Rev. Father Trivelli of Missoula is spending his vacation with the Jesuit fathers at the Mission.

## FOR FLAG DAY.

Washington, June 10.—Mrs. Matthew T. Scott, president general of the Daughters of the American Revolution, has urged that members of that organization throughout the country observe Flag day, June 14, in some way. She asked that wherever possible members display flags on their residences and that all use their efforts to have public buildings decorated.

## NOTICE.

All persons having claims against the county for the last quarter will please call at my office, as all warrants are ready and should be received for at once.

F. W. KUPHAL, County Clerk.

## PLAYGROUND GAME WILL HELP

LOCAL CARPENTERS, ALSO, ADD TO THE FUND FOR THE CHILDREN'S PARK.

"We're coming down for the playground game next week," said Manager Hammond of the Hamilton baseball team over the telephone last night. "We will bring half the town with us if you can arrange to hold the train so we can all get back in the afternoon. There is a lot of interest in the game up here and there will be a great crowd with us when we come, if the train can be held. I hope you'll be able to do this, as we want to boost your playground plan all we can and we can do it a whole lot better if we bring a lot of Bitter Root folks with us."

There was other encouragement to the playground promoters yesterday. The first uplift of the day came from Carpenters' union No. 28, which sent around a \$10 donation to the fund. The union endorsed the movement unanimously and, at the suggestion of C. H. Grant, voted to add \$10 to the fund of the association for the summer work.

There were some individual subscriptions made during the day and the outlook for the success of the summer playground is bright. It will be necessary to do as well this week as was done last week to bring the fund up to where it should be, but it is climbing.
