

GOLF CHAMPIONSHIP FINALLY IS LOST BY AMERICA

AFTER BRILLIANT FINISH, THE CUP PASSES INTO THE HANDS OF HILTON.

HERRESHOFF PLAYS WELL

New York Man Gives Englishman a Close Race for the Title, Amid Cheers and Plaudits of Thousands of Spectators.

Baye, N. Y., Sept. 16.—The American amateur golf championship passed into foreign hands today on the 37th green at Apawamis, but only after Harold H. Hilton of England and Frederick Herreshoff of New York had waged one of the greatest golfing battles ever seen in this country.

With 4,000 spectators turning away disappointed, Herreshoff galvanized them into enthusiastic supporters by working up from 6-down and 13 to go, to even terms with the British champion on the 34th green.

Herreshoff, although defeated, achieved a feat that by general consent places him in the foremost rank of American golfers and entitles him to a special niche in the hall of golfing fame.

After squaring the contest on the 34th green, he just failed to win on the 36th when his ball missed the cup by an inch. As on many other occasions, Herreshoff drove the longer ball and Hilton, playing the like, pitched for the shelf-like green that is hemmed in by crags on both sides.

The strain of the week's matches and the heat handicapped Hilton more than Herreshoff. The Englishman played the morning round confidently and with his customary precision and when he ended it with four holes to the good the final round in the afternoon looked like child's play.

Still to Show Supremacy. Philadelphia, Sept. 16.—Despite the fact that an Englishman won at Rye, N. Y., the amateur golf championship of the United States, Great Britain has still to show her supremacy on the American links, for today, J. J. McDermott, open golf champion of this country, defeated George Duncan, one of the foremost professionals of England.

They played a 36-hole exhibition match at the Philadelphia Cricket club and McDermott won by 3-up and 2 to play.

A Daring Swimmer

William Burgess who for the second time in the world's history swam the English channel without assistance. The picture shows him in a boat leaving Dover for deep water and was taken on a previous attempt to swim the channel.

London, Sept. 16.—William Burgess of Yorkshire completed a successful swim in the English channel on September 6, having entered the water at Dover, emerging 24 hours later at Cape Grisnez on the French shore.

accomplishing the feat he has duplicated the successful attempt of Captain Webb who swam the distance in 1875, swimming from Dover to Calais sands, a distance of 22 1/2 miles in 21 hours and 45 minutes.

set up a freak home-run record when he made three four-base wallops in three consecutive games.

In Ward Miller the Cubs have copped the star outfielder of the Eastern league.

Not much chance for a new manager for the New York Americans. The Highlanders have shown class under the management of Hal Chase.

A post-season series of games will be played between the pennant winners of the Wisconsin-Illinois and the Minnesota-Wisconsin leagues.

Curtis, the former Boston Rustler, and Madden, the ex-Boston Red Sox catcher, now form a battery for the Philadelphia Quakers.

Joe Agler of the Newark team is the star among the first basemen of the Eastern league. Out of 1,264 chances he has made just 15 wobbles.

Charles Ebbetts, the Brooklyn boss, says that he will give any man \$15,000 a year and all expenses if he can dig up two or three star players for the Philadelphia Quakers.

Leo Ketchel, brother of the late middleweight champion, is touted as the coming lightweight champion.

Mike Schreck and Hugh McCann have signed for a fight to take place in Richmond, Ind., on September 25.

As October 2, the day on which Johnson and Wells are to box in England, is the Day of Atonement, many of the Hebrews of England tried to get the promoters to postpone the battle to give them a chance to witness the contest.

DIXIE IV, CHAMPION OF THE UNITED STATES, CRASHES INTO PEOPLE ON BANK.

Buffalo, N. Y., Sept. 16.—Dixie IV, Frederick M. Burnham's speedy hydroplane, which defended the Harpworth cup at Huntington, L. I., and won the championship of the United States, tonight lies a wreck on a narrow ridge of rock between the Niagara river and the Erie canal off Riverside park.

The Dixie IV was leading in a race for the great lakes championship and was speeding at 38 miles an hour when the accident occurred which resulted in the serious injury of three spectators.

Mr. Burnham, who was at the wheel, and four of his crew escaped uninjured. Harold Bell, 13 years old, sustained a fractured skull and will die.

The Dixie leaped entirely out of the water and dashed into the crowd on shore. Young Bell was crushed under the hull of the boat, and Daniels was pinned to the rocks by the cutter-water. Mrs. Bell was hurled to one side.

The race for the great lakes championship was won by the Gretchen B, owned by John H. Hubbard of Pittsburgh, in 1:02:08 for the 35-mile course.

The dates for the three games between the leaders, ranking as the real championship contest of the east are: Harvard vs. Princeton at Princeton, November 11.

Yale vs. Harvard at Cambridge, November 25.

The date for the army-navy game has been changed from December 2 to November 25.

ENTHUSIASM REIGNS ON 'CHANGE

STOCKS BOUND UPWARD AND MOST ISSUES GAIN MATERIAL ADVANCES.

New York, Sept. 16.—Stocks bounded upward today under the impulse of unusually keen bidding. The market toward the end of the session was buoyant and the recovery was the most striking of any which has occurred since the long decline began in August.

More cheerful advices in regard to the foreign political situation improved the tone of sentiment. The relaxation of pressure on this market from abroad suggests an improvement in the financial position at Berlin, and private advices from that point and Hamburg were to the effect that the unloading of Canadian Pacific held in these centers has been completed.

The bank statement reflected a strengthening of positions as a result of the weekly transactions, though the increase in reserve was somewhat smaller than had been estimated. The gain in cash shown in the actual statement was more than \$2,000,000.

United States bonds were unchanged on call.

BASEBALL NOTES

From August 11 to August 23, inclusive, the New York Giants played to a total attendance of 262,500 at the Polo grounds.

Detroit pitchers have gone to the bow-wows, and the Tigers will be lucky to retain second place.

The Boston Rustlers look to be the only team that can get to "Rube" Marquard, the Giant heart.

Brooklyn fans are well pleased with the showing made by "Red" Smith, the new Superba third baseman.

Pitcher "Buck" O'Brien, who has joined the Boston Red Sox, won 24 and lost 5 games, pitching for Denver this season.

Nothing loose in Pennantville for Roger Bresnahan this season, but his Cardinals threw a regular scare into the big boys at that.

Rubber underwear must have been the right number for Tommy Madden. The fat rascal is doing great work behind the bat for the Quakers.

Bill Setley, former player, umpire and promoter, is on his way to Honolulu and will bring back a college ball team composed of Chinese boys.

Having failed to put over a deal for the Boston Nationals, it is said that Ned Hanlon is now trying to purchase an American league franchise.

Pitchers Dunbar and Dahlgren of the Superior team, winners of the Minnesota-Wisconsin league pennant, both pitched no-hit games recently.

Jimmy Burke has his Indianapolis Indians out of the cellar and is boosting them to hold a place in the first division in the American association race.

While his team has come very near falling out of the American league standing and into Lake Michigan, Big Ed Walsh has gone right ahead pitching as grand ball as you would wish to lamp at.

The Athletics are wishing morning, noon and night that the Giants copy the National league pennant. They figure that there is more coin in a world's series played in New York than in Chicago.

INTERESTING YEAR DUE

Walter Camp Believes This Season Will Show the Most Spectacular Games in the History of Football—Some Games Scheduled.

New York, Sept. 16.—With gridiron practice on a majority of the big college gridirons and "scrub" games scheduled for this afternoon at a few schools where the teams got off for any early start last week, the football season of 1911 found itself under way today.

Walter Camp is authority for the promise that this year will provide the most interesting and spectacular games in the history of football. The new rules, practically unchanged after a year of study and trial, now are thoroughly digested and approved.

The coaches are a unit this year in declaring that if there is a development more likely than any other to be watched this fall, it is the one having to do with the line shift. Training in these line shifts, brought to Yale late last season from the University of Minnesota, changed an indifferent eleven into an efficient team of average championship caliber.

Shevelin is back in New Haven, after a 2,000-mile journey, to teach Yale a play which he has evolved after six months' study and which he thinks will prove the find of the season.
