# CHINA IS HOPEFUL OF PEACE

ADVICES FROM THE SEATS OF DISTURBANCE INDICATE RETURN TO QUIET.

Chung King, China, Sept. 17.—Late advices from Tzu Chau say that a detachment of cavalry numbering 100, which had left Cheng Tu and had proceeded as far as the Lung Teben hills, were ambushed by the revolutionists and routed.

The following day a force of cavalry left the besieged capital and came into collision with the rebels. They forced their way through the besiegers and obtained the road to Jen Ne-hou, about 50 miles to the south.

The royal troops reoccupied Kien Chau on September 14. It is believed the victory at Cheng Tu has arranged for an ultimate retreat to the yamen, which has been forfeited. The buildings surrounding the yamen have been demolished.

The situation in the Szechuan capital is considered more hopeful.

## Tranquil.

Pekin, Sept. 17.—The French and German legations have received Cheng Tu dispatches dated respectively September 10 and September 11, describing the conditions in the city as tranquil and directing that the troops are maintaining discipline and order.

Neither dispatch makes any reference to the food supply. The dispatches indicate that General Chao Erh-feng, commander of the troops, within the capital, is endeavoring to conciliate the besieging forces.

He has offered to indemnify the families of the insurgents who have been killed, with a sum of money amounting to about \$18 each. He has also promised the anti-railway leaders immunity from decapitation.

It is believed that not less than 20,000,000 persons will suffer by the famine throughout the country this winter.

## NAVAL AVIATOR FLIES MILE-A-MINUTE CLIP

Annapolis, Md., Sept. 17.—Traveling nearly a mile a minute, for the most part over Chesapeake bay, Lieutenant John Rodgers, aviation instructor at the United States naval academy, today flew from his home in Havre De Grace to the navy's aviation field across the Severn river from the naval academy. He covered 52 miles in one hour and three minutes.

By his trip today the naval aviator completed a long circuit which included a trip from Annapolis to College Park, Md., a trip from College Park to Havre De Grace and finally the over-water trip to Annapolis.

## AVIATION'S TOLL.

London, Sept. 17.—Lieutenant R. A. Cammel of the British aviation school at Farnborough, was killed today when a new machine he was trying turned turtle and fell 90 feet.

# DISTURBED MEXICO SEETHES

DISCONTENTED PEOPLE CONTINUE THEIR RIOTOUS ACTS ON ALL SIDES.

Mexico City, Sept. 17.—Unless conditions in Mexico become much more disturbed within the next few days, it is generally believed congress will refuse to grant the petition of the anti-Maderists to postpone the special election. Tomorrow the application for a new date will be read in the chamber of deputies and referred to a committee which doubtless will lose no time preparing its report.

Riots are reported from time to time and the activities of the Zapatistas in the south, the Magonistas in the north and disgruntled bandits in the state of Vera Cruz and elsewhere serve to remind the government that peace is not entirely restored.

Notwithstanding existing conditions, however, the deputies appear to believe that postponement of the election would result in far worse conditions.

Today a band of Zapata's men blew out two bridges on the railroad connecting Puebla and Cuautla. Reports tell of an uprising in Pichuco. The town was sacked by the rebellious mob, for whose existence the only excuse given is "discontent."

An unofficial poll of the chamber of deputies shows a majority are anti-Maderists, although not opposed to the revolution. It appears that General Reyes has but a small following in the chamber, although greater than that of Madero.

Francisco J. Madero is strengthening his forces in the south.

## LYNCHING POSSIBLE DOWN SOUTH

Warrenton, N. C., Sept. 17.—Lynching is threatened tonight for George Marshall, a negro, who late yesterday attacked Mrs. Joe Chopin, the wife of a farmer at Vicksboro, 14 miles from here, killed her father, who attempted to rescue his daughter, and later shot the sheriff and two members of his party.

Marshall barricaded himself in a house after the crime. The sheriff and his posse surrounded the place and the negro succeeded in shooting the three men. The house was watched all night and early today the negro's father by a ruse entered it and with other negroes overpowered the criminal and admitted the posse. The men bound Marshall and brought him to the jail here.

News of the crime spread rapidly and tonight the farmers are thoroughly aroused. It is reported that a mob will attempt to break into the jail tonight and lynch Marshall. The officers are preparing to prevent a lynching.

## GRAND CIRCUIT NAGS ARE IN DETROIT AGAIN

Detroit, Sept. 17.—For the second time this year the state fair track will entertain the Grand circuit horses, which will begin tomorrow a five-day meeting which will wind up the Grand circuit season.

In addition to the regular circuit brigade from Syracuse, many of the best performers have arrived from the Great Western circuit. The big event of the week will be the Michigan stake for 2:15 class trotters, valued at \$10,000, in which the famous plow horse, R. T. C. is entered.

He already has captured four \$10,000 stakes this season. The matron \$10,000 stakes for three-year-olds, Tuesday, will bring another meeting of the best colts now in training.

## IN DESPERATION.

Salt Lake City, Sept. 17.—Mrs. S. R. Lee, aged 25, wife of a well-to-do real estate man, tonight committed suicide by shooting herself twice in the head. She left a note in which she said that dissipation on the part of her husband prompted her act. The husband, who is said to have been drinking, was in the room with his wife when she killed herself, and when neighbors and police arrived he was bathing his face in her blood.

## ONE MORE DEATH.

Syracuse, N. Y., Sept. 17.—Harry Bradley of Franklin, N. Y., one of those injured by Lee Oldfield's car when it crashed through the fence at the state fair, died today. His death brings the list up to 10. Half a dozen of the scores of more who sustained injuries are still on the critical list.

Lee Oldfield, driver of the automobile, is in a serious condition with a fractured rib and internal injuries, but he is expected to recover.

## FREEMAN ON VISIT.

J. W. Freeman, county attorney of Cascade county, arrived here yesterday for a short business visit. Mr. Freeman came by way of Kallispell and the reservation and talked enthusiastically of the wonderful development of that district.

## FUNERAL TODAY.

The funeral of Flossie May Frazier, who died here Saturday, will be held this afternoon at 2:30. Services will be at the home, 1204 South Sixth street west. The Salvation Army will have charge and Adjutant Hawk of Butte will officiate.

## RESTORE GRAY HAIR TO NATURAL COLOR

By Common Garden Sage, a Simple Remedy for Dandruff, Falling, Faded, Gray Hair.

The old idea of using sage for darkening the hair is again coming in vogue. Our grandmothers used to have dark, glossy hair, at the age of seventy-five, while our mothers have white hair before they are fifty. Our grandmothers used to make a "sage tea" and apply it to their hair. The tea made their hair soft and glossy, and gradually restored the natural color.

One objection to using such a preparation was the trouble of making it, especially as it had to be made every two or three days, on account of souring quickly. This objection has been overcome, and by asking almost any first-class druggist for Wyeth's Sage and Sulphur Hair Remedy the public can get a superior preparation of sage, with the admixture of sulphur, another valuable remedy for hair and scalp troubles. Daily use of this preparation will not only quickly restore the color of the hair, but will also stop the hair from falling out and make it grow.

Get a bottle from your druggist today. Use it and see for yourself how quickly dandruff goes and gray hairs vanish. This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. Special Agent, Missoula Drug Co.

## PRESS AGENTS TALK OF THEIR SHOWS

"The Sweetest Girl in Paris." Harry Askin has furnished "The Sweetest Girl in Paris," the original company, of which, headed by Trixie Friganza, comes to the Harnois theater next Wednesday, September 20, with an entirely new scenic and wardrobe equipment, an unheard of generosity for the second season of a musical play, as the initial acclamation of a play is always expected to serve its purpose for at least three seasons and often longer. Mr. Askin, however, believes that this big outlay of money is more than justified by the huge popularity which "The Sweetest Girl in Paris" enjoyed during its short road tour last spring and the conclusion of its record making run of more than 300 performances at the La Salle opera house, Chicago.
