Stonham, Mass., Oct. 11.—After a country-wide search lasting 35 years, Mrs. Nellie Freeman, 80 years old, has at last succeeded in her quest for her son, Joseph Corey, now a prosperous citizen of Boise, Idaho.

She left to join him there. Through correspondence with friends in the west, Mrs. Freeman learned that "John E. Rogers," principal of Longfellow school in Boise, had been making a search for his mother, who was taken away from him when he was four years old.

Correspondence followed, proving that Rogers was undoubtedly the missing son of Mrs. Freeman, born when she was Mrs. Joseph E. Corey and lived in Kahokan, Mo. In 1876 she was taken ill and sent to a hospital for a long convalescence. When she recovered, her son had disappeared.

Children like Pinax Cough Syrup—it tastes good, and is a prompt, safe remedy for cold or cough. Stimulates the appetite and is slightly laxative—both good features. A handy household medicine for hoarseness, asthma, bronchitis, etc., and unusually effective for influenza, lung troubles. Used in more homes in the U. S. and Canada than any other cough remedy.

MADERO'S CABINET DISCUSSED

FIVE PRESENT MEMBERS WILL HOLD PORTFOLIOS, FOUR IN SAME POSITIONS.

Mexico City, Oct. 11.—Five members of the present cabinet will hold portfolios under Francisco I. Madero, Jr., and four of these will be retained in their present positions, according to an unauthorized statement made at Madero's headquarters tonight.

The other three positions will depend upon the outcome of the vice presidential contest. The cabinet places already arranged by Madero are:

Finance, Ernesto Madero; communications and public works—Manuel Bonilla; fomento, Rafael Hernandez; war, General Jose Gonzales Salas.

Manuel Calero, now minister of justice, has asked to remain, but he will be requested to take the portfolio of the department of foreign relations; Madero hopes, however, to persuade Francisco De La Barra, provisional president, to take this.

Unless De La Barra should be forced into the vice presidency, it is probable he will persist in his refusal to accept.

Should he take the place, however, Calero probably will retain the portfolio of justice. In case Calero goes to the foreign office, the department of justice probably will go to Miguel Diaz Lombardo.

Jose Pina Suarez is slated for the department of interior. He is Madero's choice for the vice presidency, but precedent makes it possible for him to hold both positions.

The portfolio of the department of public instruction now held by Dr. Francisco Gomez, the third man in the vice presidential race, probably will be given to Abraham Gonzalez, governor of Chihuahua, if Gomez is defeated. If not defeated Gomez may retain the portfolio.

Tomorrow is the day fixed by law for the first meeting of the electoral college, but only credentials will be examined then.

Nova Scotia is becoming an important source of supply of tungsten, the demand for which is increasing more rapidly than the production.

"Behind the Bars in Joliet" An Interesting Illustrated Lecture

We have engaged the Morley Amusement Co. of Chicago for Wednesday and Thursday, who presents Vere M. Jenkins to our patrons in his famous lecture on "Prison Life at Joliet, Ill."

This lecture has been given in a number of the large vaudeville theaters in the east and is highly recommended to us by pleased managers. It is illustrated with a great number of pictures, showing among other interesting features, The Dungeon Cell, Solitary Confinement Stall, Bertillon Measurement System, Factory's Dining Room, Major McLauri (Warden), also Mrs. Cassie L. Chadwick, the world's most famous prisoner; Mrs. Coloist, wife of millionaire, serving 30-year sentence for the slaying of her former sweetheart, which will be of great interest to the ladies. Thrilling, interesting and highly instructive.

A story of life's joys and sorrows so blended as to produce a profound moral effect on the minds of all who hear it.

You will be shown exactly how 2,000 desperate criminals are handled in the famous old Joliet prison, built in 1853.

All this is connected with the regular program. No Advance in Price.
