

TRIBESMEN REVOLT IN AFRICA

NATIVES IN PORTUGUESE POSSESSION ARE BURNING AND PILLAGING.

Lisbon, Nov. 7.—Serious news is received daily from Angola, the Portuguese possession in western Africa. A revolt among the natives is spreading rapidly and the blacks are burning and pillaging everything in their path.

Notwithstanding the effort of the government to conceal the situation, it is known to be precarious. In the region of the Goazare and Cassi, warlike tribesmen attacked the settlements and tortured and massacred Europeans.

There is terror among the settlers, who are abandoning their property and finding refuge in the towns.

At the suggestion of the British minister at Lisbon, Portugal has decided to purchase several warships and certain artillery.

An appeal has been received from British capitalists for a loan of \$50,000,000 to run 25 years at 4 per cent, conditional, however, on an agreement that the proposed warships shall be built in England. The government, nevertheless, will invite bids from French and German constructors.

FORM REVERSED BY YORK STATE

(Continued From Page One).

sulted in the election of democratic mayors in Cincinnati, Cleveland and Columbus.

President Taft cast his vote in Cincinnati.

In New Mexico the democratic state committee claims the election of McDonald for governor by 4,500 in the first election which the new state has held. His election is not conceded and the result is in doubt. The election of a republican legislature, which will mean the election of two republican United States senators, is claimed.

Four congressmen were elected to fill vacancies, namely: James A. Taggart, democrat, in the second Kansas district; W. D. B. Alney, republican, in the fourteenth Pennsylvania district; W. J. Browning, republican, in the first New Jersey district, and Daniel V. Stephens, democrat, of the Third Nebraska district.

Socialist Gains.

The socialist gains marked the elections held yesterday and gave that party power in districts where heretofore it had been able to muster a counting vote. In Schenectady, N. Y., the socialists elected a mayor, all other city officials except one, and a majority of the county board. In addition, the assembly district in which Schenectady is located returned a socialist assemblyman.

Ohio was another winning ground for the socialists. There they elected 10 mayors and the returns in half a dozen of the chief cities give them a total today in advance of any previous showing and put them close in order, numbers, in the list of winning parties. In Ohio, where socialist candidates were not elected, radical progressives were returned by the republicans.

Besides Schenectady, Cleveland, Columbus and Dayton were the most favorable cities for the younger party. In the second Kansas congressional district, where a successor to the late Congressman Mitchell was elected, the socialists made extensive gains.

In several other states among them New Mexico, where socialists had a full ticket in the field, further gains were predicted.

Republican Majority.

New York, Nov. 7.—From a democratic majority of 24, the New York state assembly today turned overwhelmingly republican. At midnight all indications point to the republicans in the lower chamber having a majority of 50. Thus, the democratic majority in both houses, which existed during the first half of Governor John A. Dix's administration will be lacking next year. The present senate holds over.

In the unexpected landslide the democrats were able to capture only three seats held by the republicans, whereas, all over the commonwealth democratic assemblymen fell by the wayside.

In one instance—in Schenectady—Herbert M. Merrill, a socialist, won out where a democrat had held the seat.

In Greater New York the republicans defeated nine democrats, while in Kings county, an equal number of democratic candidates met defeat.

In Auburn, Thomas M. Osborne, one of the organizers of the democratic league, was defeated for mayor by Thomas H. O'Neil, republican.

Two vacancies on the state supreme bench were filled by elections in four judicial districts. Five seats went to democrats and the same number to republicans.

The republican candidates for supreme court justices in the second judicial district, which comprises Kings, Queens and Richmond counties, were elected with one possible exception. William Willett, Jr., the democratic candidate who was charged with buying his nomination, ran about 5,000 behind Callahan, who is so close to the last man on the republican list that his fate remained in doubt until the last district was heard from. The republicans elected a sheriff in Kings county by about 14,000. In 19 out of 23 districts in Brooklyn the fusionists gained six assemblymen.

Republicans United.

On the basis of the showing made in the reports to the republican headquarters, William Barnes, Jr., chairman of the republican state committee, made the following statement tonight:

"The result of the elections in every part of the state indicate new confidence in the republican party and a positive rebuke to legislative records of 1911 and to Governor Dix. The results throughout the state show that the republican party has become united and is in an aggressive condition for the presidential election."

Norman E. Mack, chairman of the democratic state and national committees received the election returns at his home in Buffalo. From there he issued a statement commenting on the turnover in the state assembly, of which he said:

"The republicans were in control of the legislature for many years and gerrymandered the assembly districts until assured of a holdup in the lower house except in a year when some great state or national issue is before the people. The results in other states indicate that democracy will present a united front in 1912."

Socialists in Ohio.

Columbus, O., Nov. 7.—Democrats swept into power in the three largest cities of Ohio today, Columbus, Cincinnati and Cleveland returning decisive democratic pluralities. A feature of the elections throughout the state was the large socialist vote. In Columbus the socialist candidate for mayor ran close race with Mayor Marshall, the republican nominee, for second place, while George J. Karb, democrat, was elected by probably 5,000 plurality.

In Cincinnati, Mayor Louis Schwab, candidate for re-election with the republican endorsement, was defeated by Henry T. Hunt, democrat, by more than 500. In Cleveland, Newton D. Baker, democrat and political heir of the late Tom L. Johnson, was elected mayor by a plurality of 20,000.

In Toledo, Brand Whitlock, independent, apparently was elected for a fourth term by a plurality in the neighborhood of 2,000.

In the election of delegates to the constitutional convention, it is regarded as certain that a majority of those who have been elected are "progressives" and favor the initiative, the referendum and the recall.

While an effort was made to align these delegates on the proposition to submit the question of licensing railroads to referendum vote, few of those elected have committed themselves on that issue.

A feature of the election of delegates to the constitutional convention was the defeat of James R. Garfield, secretary of the interior in Roosevelt's cabinet, by a "progressive" vote pledged to advocate certain reforms. Garfield refused to pledge himself.

Democratic Congressman.

Kansas City, Mo., Nov. 7.—Joseph A. Taggart, a democrat, was today elected to congress from the second Kansas district by a majority estimated at 1,200 votes over his republican opponent, U. S. Guyer. Mr. Taggart will fill the unexpired term of the late republican congressman, A. C. Mitchell. Mitchell carried the district in 1910 by 5,420 votes over John Caldwell, democrat.

The country precincts, in which Guyer had placed his confidence, rolled up unexpected democratic majorities (and when Kansas City, Kan., complete gave Taggart 421 more votes than Guyer, the republican managers gave up the fight. Taggart's election places a non-republican in congress from the second district for the first time since 1890, when a populist was elected.

Guyer made his campaign on a progressive republican platform.

Taggart is prosecuting attorney of Wyandotte county. During the cam-

FOR SICK, SOUR, BILIOUS STOMACH. INDIGESTION AND GAS TAKE CASCARETS

That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, feeling of fullness, dizziness and sick headache means indigestion; a disordered stomach which cannot be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any.

Try Cascarets; they cure indigestion, because they immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the decomposed waste matter and poison from the intestines and bowels. Then your stomach trouble is ended forever. A Cascaret tonight will straighten you out by morning—a 10-cent box will keep your entire family feeling good for months. Don't forget the children—their little insides need a good, gentle cleanser, too.

Ten Socialist Mayors.

Cleveland, O., Nov. 7.—Ten Ohio cities elected socialist mayors today. These cities are Lorain, St. Marys, Martin's Ferry, Fostoria, Mount Vernon, Barberton, Salem, Cuyahoga Falls, Lima and Toronto. In Canton it will take the official count to decide whether the socialist candidate or Turnbull, democrat, is elected, as unofficially Turnbull wins by three votes.

In Cleveland, Columbus and Dayton the socialists made heavy gains. At Dayton they elected three councilmen. Leaders of the party here attribute the increase in the socialist vote to organized proselyting. They say the growth is normal and not due to labor conditions in any city except Columbus. There, they say, the street car strike of 1910 had an effect.

Reform in Salt Lake.

Salt Lake City, Nov. 7.—Under the standard of the citizens' non-partisan committee, Samuel C. Park, candidate for mayor, won a notable victory today over John E. Bransford, incumbent, whose leadership in previous political struggles gained the city for the "Americans."

At midnight nearly complete returns from the 54 election districts point unmistakably to the success of the entire citizens' ticket by a majority of at least 3,500.

The success of the non-partisan movement spells overthrow of the "American" party regime, which has been all-powerful in the political affairs of Salt Lake City since 1905.

Although acknowledging that the vote of the socialists and labor union element was a potential factor in determining the result of the election, the managers of the citizens' campaign give credit in part for their victory to the campaign of the Women's Welfare League in behalf of social purity.

Republicans Sweep Nebraska.

Omaha, Nov. 7.—The republican party made almost a clean sweep in Nebraska today. The only exception of importance was that of D. V. Stephens, democratic candidate for congress in the third district to fill the vacancy caused by the death of the late Congressman Latta (democrat). Stephens won over James C. Elliott, the republican nominee, by a majority which will probably exceed 2,000. Stephens' majority is greatly reduced from that received by Latta, who had more than 7,000.

Preacher-Socialist Mayor.

Schenectady, N. Y., Nov. 7.—For the first time in the history of this county, the socialists have polled a counting vote, electing a mayor, all but one of the other city officers and a majority of the county officers. The common council and probably the county board of supervisors will be socialist.

Commission in Ogden.

Ogden, Nov. 7.—With only one district to hear from, A. G. Fell, republican, was elected mayor-commissioner with a majority of 502 over Heber Scowcroft, democrat. Sixteen out of 17 districts give Fell 3,868, Scowcroft 3,366.

In Frisco.

San Francisco, Nov. 7.—Scattered returns from the regular municipal election in this city indicate a victory for the municipal conference candidates for supervisor over the union labor nominees. The conference represented the democratic, republican and good government parties. This coalition was victorious on September

Governor Pothier Re-Elected.

Providence, Nov. 7.—Returns at midnight from more than half of the state indicated a general republican victory. Governor Pothier being returned apparently by a greatly increased plurality. With 108 out of 184 voting precincts heard from, the vote stood: Pothier, 21,119; Waterman, democrat, 16,530.

Chicago.

Chicago, Nov. 7.—Six republicans and four democrats were elected to the superior court of Cook county in today's election. John P. McGorty, democrat, was elected to fill the one circuit court vacancy. A "higher pay for judges" proposition was defeated.

Commission Form Adopted.

Chanute, Kan., Nov. 7.—A commission form of city government was adopted here today.

Democrat in New Mexico.

Albuquerque, N. M., Nov. 8.—Scattered returns received up to 1 o'clock this morning from half of the 26 counties of New Mexico, indicate the election of W. C. McDonald, democrat, for governor and the entire democratic state and judicial ticket.

In Reading.

Reading, Pa., Nov. 7.—Elwood Telfer, socialist, is running "neck and neck" with his democratic and republican opponents for mayor. Less than 50 votes separate the three with about half the returns in.

Commission Form Adopted.

Chanute, Kan., Nov. 7.—A commission form of city government was adopted here today.

Commission Discredited.

Chelsea, Mass., Nov. 7.—Of the 130 American cities which have adopted the commission form of government, Chelsea is believed to be the first to return to the old form, which it did today. The commission form was in operation two years.

Another Socialist.

Crookston, Minn., Nov. 7.—N. L. Larson, socialist, was elected mayor of Crookston today by a majority of 91 votes. The socialists also elected one alderman.

In Mississippi.

Jackson, Miss., Nov. 8.—At 2 o'clock this morning the claim is made at socialist headquarters that their candidate for lieutenant governor, James T. Lester of Jackson, has been elected over the democratic nominee, Theodore J. Pilbo.
