## WELCH WILL BOSS WOLGAST-WELSH MEETING

REFEREE SMITH IS DEAD AND CAN'T ACT, SO THE OTHER MAN GETS THE JOB.

## ARTICLES CALL FOR HIM

Agreement for Pugs Who Will Fight on Thanksgiving Day Stipulates That Either Welch or Smith Be Arbitrator of Wallops.

Los Angeles, Nov. 13.—Jack Welch will referee the Wolgast-Welsh fight here Thanksgiving day for the lightweight championship of the world, if the articles of agreement are carried out. There has been some question as to the selection of an arbitrator of wallops, not a few believing the articles would be overturned and another man selected.

The articles called for either Eddie Smith or Jack Welch. Tom McCarey, manager of the Vernon club, where the fight will take place, and as Smith is dead, I can't see what else they can do except take Welch. I hardly think they will disregard the articles of agreement, as in doing this they would leave open the question of weight, appearance money and all other matters pertaining to the contest. I am sure this will never be done.

Wolgast arrived in Los Angeles yesterday from the east and after purchasing a small arsenal, consisting of rifles, shotguns, revolvers, a big hunting knife and much ammunition, left with his trainers today for the mountains. He will hunt and fish for a week or 10 days and then return to finish his training in camp near the Vernon arena. Welch is in training at Venice.

## NATURE'S CURE FOR CHRONIC ULCERS

Only by removing the cause can any chronic Ulcer or Old Sore be cured. No one will question the truthfulness of this statement. The cause is always from an inward source, never an outward influence, and therefore the only possible way to get rid of these places is to take internal treatment. Pure blood is the one unfailing cure for chronic ulcers; just as long as the circulation is allowed to remain in an impure condition the place will be kept open from the constant discharge of impurities into it from the blood. But pure blood will change this condition and the flesh tissues will be nourished and made healthy, and then nature will promptly and permanently heal the ulcer. S. S. S. is recognized as the greatest of all blood purifiers and therein lies its power to cure old ulcers and sores. It goes into the circulation, and removes every trace of impurity or infectious matter, and so enriches this vital fluid that it nourishes all flesh tissues instead of irritating them with impurities. When S. S. S. has cleansed the blood and the place has healed over it is not a surface cure, but the entire cure is filled in with healthy flesh. Book and medical advice free. S. S. S. is for sale at drug stores. THE SWIFT MEDICINE CO., Atlanta, Ga.

## ALUMNI MEN ASKED TO THE AID OF MICHIGAN

COACH YOST SANCTIONS SUCH A STEP, BECAUSE PENNSYLVANIA LOOKS BAD.

## GAME NEXT SATURDAY

Program for This Week of Practice, Including Scrimmages, is Given Out by the Strenuous Coach and Will Be Followed.

Ann Arbor, Mich., Nov. 13.—An afternoon and evening practice with at least three scrimmages, the tryout of the men selected from the scrubs and hard, steady work to perfect new trick plays and Yost's new evolutions of the forward pass, is the football program for the present week, which the Michigan squad must complete before meeting Pennsylvania next Saturday. The coming contest is regarded by Michigan as the all-important game of the season.

Coach Yost tonight sanctioned the request of the Detroit alumni of the University of Michigan to send messages to former stars of the university, asking them to hurry to Ann Arbor and lend Yost their assistance in preparing the eleven for Saturday's game. It has been many years since Michigan adopted such a course.

## SEVERE BLOW DEALT BOXING IN ENGLAND

Birmingham, Eng., Nov. 13.—A magistrate in the police court today ruled that the proposed contest between Owen Moran and Jim Driscoll for the lightweight championship of England would be a prizefight within the meaning of the law and therefore illegal. He bound Moran and Driscoll to keep the peace.

## PULITZER WILL MAKE MANY BEQUESTS

(Continued From Page One.) and died in the conviction that he had designated him as one of the executors and trustees. He quoted a letter from William B. Hornblower, counsel, who drafted the codicil in which it was declared to have been an inadvertent omission that Ralph Pulitzer was not named. Mr. Hornblower stated that in preparing a recent new draft of the will he had inserted Ralph's name in accordance with his father's instruction and the tentative draft was in possession of Mr. Pulitzer at the time of his sudden death last month, but it has not been executed. The will was executed in April, 1904, with several later terms in codicil. In addition to the provisions for the sons, Mrs. Pulitzer is given the income from a fund of \$2,500,000 and two daughters are provided for by an income from a fund of \$1,500,000. The income of \$1,000,000 is set aside for the perpetuation of scholarships at Barnard college, which Mr. Pulitzer established some time ago in memory of his daughter Lucille. If at any time within seven years after the death of Mr. Pulitzer the executors shall be satisfied that the school of journalism established at Columbia is a success, it is directed that Mr. Pulitzer's additional gift of \$1,000,000 be paid over, and in that connection the will outlines a number of novel prizes to be awarded annually, including: Twelve thousand dollars for the best paper on the future development and improvement of the school of journalism; gold medal costing \$500 for the most disinterested and meritorious service rendered by any American newspaper during the year; \$1,000 for the best history of the services rendered to the public by the American press during the preceding year; five annual traveling scholarships of \$1,500 each; \$1,000 for the best example of a reporter's work during the year, the test being strict accuracy, tenaciousness and the accomplishment of public good, commanding attention and respect; \$1,000 for the American novel published during the year which shall best present the wholesome atmosphere of American life. HOT AIR ARTIST LOSES. New York, Nov. 13.—Ivan Romanoff, the Russian heavyweight wrestler, who boasted that he would throw B. F. Roller of Seattle twice in an hour, failed to do so in a catch-as-catch-can match here tonight. The Russian failed to secure even one fall.

## NEWSPAPERS GIVE GROVER HAYES THE FIGHT

PHILADELPHIA LAD IS STRONGER AT FINISH THAN CALIFORNIA PUG.

## ENTIRE BOUT IS FAST

In Opening Round Californian is Floored by Right to the Jaw, But Comes Up Instantly and Bows in for More Punishment.

New Orleans, Nov. 13.—Grover Hayes of Philadelphia won a newspaper decision over Frankie Burns of San Francisco in a 10-round bout here before the Orleans Athletic club tonight. After two minutes of fighting in the opening round Hayes floored the Californian with a right to the jaw. Burns was on his feet in a second and began baring in for more. The bout was fast from start to finish, both boys being strong and apparently eager. After the knockdown in the first round both confined themselves to infighting until the fifth. In the eighth Hayes opened up Burns' ear and it was bleeding profusely from the hard right swings. In the ninth Burns fought furiously. He kept Hayes busy protecting himself, landing frequently in the mid-section. Just as the gong sounded Hayes almost caught Burns off his balance with a terrific right swing to the head. Burns wavered, but caught himself in time to save a knockdown. Both were firing in the tenth, but Hayes was stronger and polished off his opponent with repeated rights and lefts to the head.

## BACKUS DEFEATS KENDALL.

Kansas City, Nov. 13.—J. F. Backus of Kansas City defeated Stanley Kendall of Chicago, 50 to 49, in the opening game of the National Amateur Billiard league here tonight. Chalmers of St. Louis made eight in a league game last season.

## MORRIS GEYER BOUT ENDED IN NINTH BY REFEREE

ARBITER DECIDES THAT THE "WHITE HOPE" IS MUCH THE DENVER MAN'S MASTER.

## LOSER IS OUTCLASSED

Oklahoma Outwights, But Does Not Outgame, His Opponent, Who Bows in at all Times, With One Eye Strictly on the Blink.

New York, Nov. 13.—The bout between Carl Morris, the Oklahoma heavyweight, and Jack Geyer of Denver, was stopped by Referee White in the ninth round tonight. Morris easily outpointed the Denver heavyweight throughout.

The ponderous Oklahoma man tipped the scales at 235, with Geyer 30 pounds lighter. The bout was a hard, fast battle. Although Morris outpointed his man in every round, except possibly the first, Geyer showed wonderful pluck and was continually boring in, his most effective blow being a short left uppercut.

There was not a knockdown in the nine rounds, but frequently Morris had his man on the ropes in the rushes—the ring was 27 feet square—but the Denver man showed his gameness by fighting hard after his left eye had been closed. The referee stopped the bout in the ninth to save him from further beating.

Geyer Opens With a Rush, sending a left and right to the head and then in a clinch landed a right uppercut, but received a hard one in the stomach in return. The Denver man tried another right, but got one himself on the jaw. Morris then jabbed twice. At long-range fighting Geyer might be said to have had the better of this round, but in the second Morris kept working a short right uppercut. In the third round the unpercutting had puffed Geyer's left eye and in the fourth Morris continually got to this bad eye. Geyer hit low, but Referee White declared the blow accidental.

Both played for the stomach in the fifth and clinched frequently. Morris used his superior weight in forcing and the round ended with hard fighting. In the sixth, seventh and eighth, Geyer fought more or less at random, being unable to see out of one eye and was always weak at the bell. Another round of Morris' forcing convinced the referee it was time to stop the bout. The general verdict was that Geyer was not outgamed, but wholly outclassed.

## TRIPLE MURDER CHARGED.

New York, Nov. 13.—The police arrested Mattio Delloma, a shoemaker, tonight and charged him with a triple murder by shooting in Brooklyn today of his sister, Mrs. Adolph Lefaro, her five-year-old daughter, Rosie, and his mother, Mrs. Antonio Delloma. Delloma, it is alleged, had tried to force money from his mother and sister as his supposed share in the small estate of his father.

## Are You "Afraid to Go Home in the Dark?"

Then why not have your front porch lighted so you can see what you're doing, and not have to creep into your own house like a burglar?

And speaking of burglars, a porch light makes one of the best protections against the visits of the man with the "jimmy." He does his work in the dark, and an electric porch light (equipped with Holophane Reflector, of course) will discourage his efforts quicker than any burglar alarm.

If the porch light is the bane of the unwelcome guest, it is just as much a boon to the guest who is welcome. It is a promise of hospitality within and makes the visitor glad he has come. And when the porch light is equipped with Holophane Glass, the light is subdued, yet of sufficient intensity to make reading in the open air a pleasure.

Whether there is electricity in your house or not, an electric light with a Holophane Reflector should be on your front porch.

May we not send a representative to call on you?
