## USEFUL HOLIDAY GIFTS ARE THE KIND MEN FAVOR AND APPRECIATE MOST

SELECTING gifts for "mere man" is not the easiest duty for a woman to perform; it's rather hard to turn feminine taste in a masculine direction. That is why our Clothing department, catering as it does exclusively to men and their preferences, becomes the logical shopping place. It's easy for a woman to select gifts here. Any man will be pleased with her selection, for everything we show here makes a useful, sensible, practical and correct present.

GIFT BONDS, purchasable in any amount, redeemable at any time for anything the recipient desires, or our special Hat, Hosiery or Glove Bonds, are used in increasing numbers each season. They save a lot of worry and time. Employers who are in the habit of presenting each one of their employes with some holiday token of appreciation for faithful services rendered, will find these Bonds especially convenient and to serve the purpose admirably.
