

STUDENTS FAVOR LA FOLLETTE

HIGH SCHOOL CLUB NAMES PROGRESSIVE OVER TAFT AND ROOSEVELT.

"Honorable Robert M. LaFollette, Washington, D. C."

The members of the senate, the literary club of the Missoula County high school, at its mock convention, have unanimously nominated you as republican candidate for president of the United States. May this be a forecast of the Chicago convention. Good luck. Your wellwishers,

HAROLD LANING,
PERCY STONE,
LAWTON BECKWITH,
Committee.

The above telegram was sent to Robert M. LaFollette by the committee appointed by the senate, which held one of its regular meetings at the high school last evening. After the regular business to come before the meeting had been transacted, the senate resolved itself into a mock convention and nominations for president were considered. Taft, Roosevelt and LaFollette were the three names that came before the convention. Taft was eliminated on the first ballot and the unanimous vote was finally given to LaFollette. Many eloquent speeches were made before the convention and the boys enjoyed their first experience at a large political meeting immensely.
