

### Funeral of Turrell Will Be Held Today

The remains of Joseph Turrell, who died in Panama, were received in the city yesterday and the funeral will be held today from Lucy's undertaking parlors. Mr. Turrell died in Panama on November 15. His wife was unable to accompany the body to Montana on account of ill health and is with relatives in the east. The funeral will be held at 2 o'clock this afternoon. Rev. Harold Griffin will officiate and interment will be made in Missoula cemetery. Mrs. Turrell was formerly Miss Mary Smith of Ovando, and Mr. Turrell formerly resided there. His brother, Robert, is still living in Ovando.

### LOCAL SOCIETY

**Charity Ball Tonight.**  
Men and maidens will dance in Elite ball tonight for sweet Charity's sake. The charm of mystery will be added to all the other attractions of a splendid floor, good music and a worthy cause, for the dancers will all be masked. The affair was planned for the benefit of those who have been unfortunate and could have no share in the universal Christmas happiness if someone did not take thought for their condition; but, like all other worthy deeds, it will be pleasant in the doing. Those who do not care to dance are invited to be present as spectators; even in that capacity they will have a part in giving Christmas to those who are in need.

**With Mrs. Hardsenburgh.**  
Twenty-five young ladies spent yesterday afternoon with Mrs. M. R. Hardsenburgh and her daughter, Mrs. Ralph Gilham, who is here from Eadersburg to spend the holidays. Christmas needwork was in every hand, while the girls visited with Mrs. Gilham. This afternoon Mrs. Hardsenburgh will entertain some of the older ladies who have known Mrs. Gilham from her little girlhood.

**For Mrs. Ludwig.**  
Mrs. J. A. Rudd had a dozen friends to play bridge yesterday afternoon, in honor of her sister, Mrs. Ludwig of Lincoln, Neb., who is visiting in Missoula. Today Mrs. Rudd will have another company of ladies in compliment to Mrs. Ludwig.

**A Farewell Party.**  
Miss Edna Carlo gave a farewell party for Miss Opal McCartney Monday evening at her home on South Sixth street west. About 40 of the young people who have been associated with Miss McCartney during her residence in Missoula were assembled in rooms bright and fragrant with Christmas evergreens, mistletoe and holly. Games occupied the evening and dainty refreshments were served by the hostess, assisted by the Misses Alma Hutson, Genevieve Crouch and Winnifred McLaughlin. A ring set with two Montana sapphires was presented to Miss McCartney by the

young people to serve as a reminder of friendship.

**Former Missoula Girl Married.**  
Friends who remember Dr. and Mrs. H. H. Hanson, formerly of this city, now residing in Butte, will be interested to know of the marriage of their daughter, Miss Helen. The Butte Mirror yesterday said: "Miss Helen Hanson, daughter of Dr. and Mrs. H. H. Hanson of this city, and Frederick Poss of San Francisco were married on last Saturday at Del Monte, Cal., at the home of the bride's sister, Mrs. R. F. Oakes. The wedding was solemnized quietly in the presence of close friends. The groom is manager of a prominent power and light company of San Francisco and is popular socially as well as in a business way. His young bride has, since her debut in society in this city, been one of the acknowledged belles, and the best wishes of a wide circle of friends attended them. Mr. and Mrs. Poss will reside in San Francisco."

**For Miss Johnson.**  
Miss Amanda Johnson entertained Monday evening for her friend, Miss Florence Johnson, who is here for a few days while on the way from Seattle to her home in St. Paul to spend the holidays. The guests were young ladies who had been associated with Miss Johnson in the forest service in Montana before she left to take a position in the forest supervisor's office at Seattle. Games and music, followed by a daintily served supper made the evening pass most pleasantly. Those present were the Misses Greff, Lambert, Hofstetter, Lee, Hedstedt, Linell, the host of honor and the hostess.

**A Birthday Party.**  
The tenth birthday of Miss Maurine Plew was celebrated yesterday by a merry party of little girls, at the home on South Fifth street west. Yellow and white flowers and many red Christmas bells made the rooms festive for the occasion. Games were played until supper time when the guests were seated about a long table spread with an abundance of good things to eat. The birthday cake was especially attractive with its 10 candles burning brightly. The guests at the party were the Misses Margaret Rutherford, Alice Hershey, Marion Richter, Elizabeth Rowe, Alice Gross, Charline Palmer, Ruth Anderson, Lucille Bourdeau, Gretchen Ruffner and Dorothy Peterson.

**Jones-Waltemate.**  
Warren P. Jones and Miss Edna M. Waltemate will be united in marriage at 8 o'clock this evening. Rev. E. E. Burtner will say the ceremony at the home of the bride's parents, Mr. and Mrs. E. E. Waltemate, 832 South Sixth street west. Mr. Jones is in the employ of The Missoulian.

**NEW OWNERS.**  
Boston, Dec. 19.—The Boston Nationals passed officially into new hands today and through the coming season James E. Gaffney of New York and John M. Ward, pitcher of the New York team 30 years ago, will direct its affairs. The reorganization was effected through the purchase by Gaffney and Ward of the stock of the late William Hepburn Russell.

### PRESS AGENTS TALK OF THEIR SHOWS

**The Schuberts.**  
Our readers are reminded that the Schubert Symphony club and lady quartet will give an entire change of program each season, so that those who have heard this superior company before can attend again on Monday evening, December 25, at the Harmon theater, and rest assured of hearing a program that will be new and entertaining. Remember that this is positively this company's last appearance in this city for several years.

The Daily News of Denver says in regard to this troupe: "It is rarely indeed that Denver is favored with such vocal execution and instrumental as well. When it is said that the work of the quartet is beyond criticism and the other performances are the work of professionals, the truth is told." You can enjoy the same treat that Denver did by hearing in mind the above date and place.

**At the Isis.**  
Kingston, Hayes and Kingston just closed an enjoyable entertainment at the popular Isis theater. Their acts consisted of a big cross-fire comedy act, and Billy Hayes in an up-to-date monologue. Mr. Hayes has a charming voice, also has a fine line of laugh-producing talks. In the big double, Mrs. Kingston and Hayes showed at their best. It was thoroughly enjoyed by everybody that saw the acts. Both nights the house was packed to its utmost capacity. If ever this good, little troupe returns to Missoula, they will be greeted enthusiastically.

### AN INCORPORATION.

Hamilton, Dec. 19.—(Special)—Articles of incorporation for the Bass One Thousand Acre Ranch company, were filed yesterday with the clerk and recorder. The incorporators are George T. Briggs and William H. Raper of Stevensville and Irving V. Beckel of Missoula. The company incorporated with a capital stock of \$200,000, which is divided into 2,000 shares at \$100 each. The stock is non-assessable and each one of the incorporators takes one share. The principal place of business is given as Stevensville. The company will do a general real estate business, according to the stipulations of the articles.

### SEWING EXHIBIT.

Hamilton, Dec. 19.—(Special)—The sewing class at the high school gave an interesting exhibit of work done with the needle at the high school today. The display was visited by many people of the city and was the cause of much favorable comment.

### BROTHER-IN-LAW DIES.

Hamilton, Dec. 19.—(Special)—W. P. O'Brien yesterday received a telegram from Miles City telling of the death of Patrick Boyle, a brother to Mrs. O'Brien. Mr. O'Brien left this morning for Miles City. The deceased was a prosperous rancher on Tongue river.

### RACING RESULTS

**At Juarez.**  
Juarez, Dec. 19.—Sebago, admirably ridden by Geese, won the fourth event here today in a drive. Speculation in the ring was brisk and nine bookmakers laid prices. Favorites fared badly. Arzon, at 2 to 5, had no trouble in winning the 2-year-old event.

### BOHEMIAN CONSIDERS.

Bohemian, Dec. 19.—(Special)—This city will have an opportunity soon of adopting the commission form of government, according to the plans of some of its leading citizens. Petitions are now being circulated to bring the matter to a referendum vote. The move is started as a non-partisan, though it appears to receive its strongest support from the republican politicians. It is understood that Mayor C. P. Manry, a republican, favors the adoption of the commission form, though he declines so far to take a position on the question. Those supporting the petitions hope to get the government adopted in time for the regular spring elections. General public opinion has not yet had time to assert itself very strongly in either direction.

### "BUTCH" IS THE MAN.

There was a mistake in yesterday's account of the indoor baseball game between the Whitehouse and the Mercantile. In the lineup of the team it was stated that Duschbach played left field for the Presidentials. This is absolutely false and was the mistake of a printer. "Butch" Eirbach was the one who held down the left field position and a good job he did, too.

### ALLEN NAMES DELEGATES.

Helena, Dec. 19.—(Special)—Acting Governor W. R. Allen today appointed E. R. Mathewson of Anaconda, W. B. George of Billings and P. N. Bernard of Kalspell as delegates to represent Montana at the Good Roads convention to be held at Washington, D. C., January 16 and 17, under the auspices of the American Automobile association.

### TO FEDERAL JURY.

E. C. Ferguson, a store-keeper, was brought to the county jail yesterday from St. Ignace. He has been held to the federal grand jury by United States Commissioner James A. Demers and is charged with introducing liquor onto the Flathead reservation. The complaining witness in the case is Fred Normandor.

### FOR ROBBERY.

Last night Deputy Sheriff Rolla Duncan of Lewis and Clark county returned to Helena with Robert LaSelle, who will be tried for robbery. LaSelle, who was employed as a musician at a West Front street saloon, was arrested by Under Sheriff Marion and Deputy Johnson.

### HEWING TO THE LINE.

Minneapolis, Dec. 19.—Determined to carry out its campaign for "purity" in athletics, the eligibility committee of the University of Minnesota barred William Pierce from the basketball squad because he received \$1 many years ago for a race won at a picnic.

### FATAL RUSH OF AIR.

Virginia City, Nev., Dec. 18.—A rush of air from a cavern of surface workings in a mine here caused Morris Quinn and James Ferrera, working 100 feet distant, to be thrown against the shaft's timbers with such violence that they were killed today.

### WILL PROTECT LAWN.

The county commissioners and the county officials are determined that watering of the courthouse lawn shall cease. Yesterday steps were taken to insure the arrest of any person taking a short cut across the county yard. The lawn is being ruined.

### TO QUIET TITLE.

Donald Morrison instituted suit to quiet title in the district court yesterday, making George W. Messer, James F. Bond and Richard Rowe defendants. It is a friendly action.
