The club passed the following resolutions, or "declaration of principles," tonight:
We, the members of the Progressive Republican club of Hamilton, Mont., having organized and joined forces for the purpose of placing the government of the nation, state and county more directly in the hands and under the control of the people, and of doing what we may to have the government conducted for the benefit of all the people and not in the interests of a few, do hereby declare and commit ourselves, as a united organization, in favor of the following principles and measures, and of doing everything in our power to forward those principles, and to place such measures upon our statute books as will put such principles into force and effect:

1.—We favor a state-wide closed primary law, which will place directly in the hands of the people the nomination of every candidate hereafter to be elected, such primary law to apply with equal force to elective officers of state and nation.
2.—We favor the direct election of United States senators.
3.—We favor the initiative, referendum and recall.
4.—We favor a stringent corrupt practices act.
5.—We favor a non-partisan nomination and election of all judicial officers.
6.—We favor a just system of taxation.
7.—We condemn the Payne-Aldrich tariff bill and demand a more just and equitable tariff.
8.—We condemn the action of the last legislature in refusing to give us a direct primary law.
9.—We favor the adoption of a graduated income and inheritance tax.
10.—And, in general, we favor and demand legislation, both state and national, which will place all governmental power again into the hands of the people, and demand that the government of this nation and state, and all the subdivisions thereof, shall be conducted for the benefit of the people and not for the benefit of great corporations.

To these principles we pledge our loyal support, now and in the future.

CHICKEN THIEF BUSY
IN HAMILTON ROOSTS

Hamilton, Feb. 9.—(Special)—The chicken thief was abroad in this city again last night. For the second time within a month the hen roosts of Hart addition were the object of attack. Early this morning F. C. Livermore, a resident of the addition, got into telephone communication with the sheriff's office and with Chief of Police Dave Bishop, and imparted information to the effect that his roosts had been robbed of about 20 Buff Orpingtons, Plymouth Rocks and White Wyandottes. Mr. Livermore stated over the telephone that the robber or robbers, the number of fowls taken seeming to indicate that there was more than one person interested in the haul, had left a trail of feathers down the railroad track towards the heart of the city. While the officers have spent most of the day in an investigation, no clue leading to the identity of the robbers has been unearthed.

MONSTER ORCHARD
SET IN CHERRIES

Hamilton, Feb. 9.—(Special)—Jebb and Long, two men located on the Turner ranch on Hamilton Heights, will set out 35,000 sweet cherry trees of the Bing and Lambert variety this spring. So far as is known here this will make the largest cherry orchard in the world, at least it will be considerable larger than any similar orchard in the northwest. Mr. Jebb was in Hamilton today and made the announcement that the above number of cherry trees would be set in the ground on their ranch. The sweet cherry is being recognized as one of the best orchard products to be cultivated here, and along with the McIntosh Red apple, gives the Bitter Root valley two choice articles for commercial purposes. The sweet cherries produced in the valley last season found a ready market in the east, the supply failing to come anywhere near to supplying the demand.

TIMBERMAN IS KILLED
IN BUNKER HILL MINE
Kelllogg, Feb. 9.—(Special)—Ben Grefer, a timberman employed in the Bunker Hill and Sullivan mine, met instant death shortly after going on shift last night, being struck on the head by the swiftly descending skip. His head was crushed and the left side of the skull torn away.
Grefer and a companion had been sent to line the chute at the No. 12 level. Grefer was passing planks to his helper, who heard the skip coming, but not in time to warn the unfortunate man. According to the statements of the helper, they had failed to notify the hoistman of their presence, and hence no blame for the accident attaches to other employees. Grefer was 39 years old and was not married. He was a member of the Industrial union and of the Young Men's Christian association, and these organizations will doubtless conduct the funeral, for which arrangements have not been made.
