A MEASURE OF MERIT
 Missoula Citizens Should Weigh Well This Evidence.

Proof of merit lies in the evidence. Convincing evidence in Missoula is not the testimony of strangers. But the indorsement of Missoula people.

That's the kind of proof given here—the statement of a Missoula citizen Benjamin Kron, 205 East Front street, Missoula, Mont., says: "I have taken Doan's Kidney Pills off and on for some time and can truthfully say that they are a reliable remedy. Some time ago I fell from a building and injured my back and after that I had more or less trouble from my kidneys. During the past three years I have taken Doan's Kidney Pills whenever my back has become weak or lame, and I have been highly recommended with the results to other kidney sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

CHURCHES MAY REUNITE.
 Madison, Wis., Feb. 22.—That the Norwegian Lutheran synod of America and the United Norwegian Lutheran church of America, which have been divided on doctrinal points for the last 30 years, will be reunited almost became assured today when the joint committee of 16, five pastors from each of the factions, reached an agreement. This agreement, concerned mostly with the doctrine of predestination, upon which the church first split, will be submitted to the annual meetings of two churches in June, when final action will be taken. The two churches are strong in the middle west.
