

HAMILTON DEFEATED PETERSON BROTHERS BY VICTOR

SCHOLASTICS OF BITTER ROOT TANGLE IN GAME FULL OF BULLS AND BOOTS.

Victor, March 31.—(Special.)—In a game crowded to the limit with boots, hobbles and boob plays of all description, the Hamilton high school baseball nine was put to rout here yesterday afternoon by the Victor Scholastics. If there had been some regulation in the rule book whereby the game could have been called at the end of the fourth inning, the crowd could have bragged about seeing a good ball game. As it was, so much that is not called baseball was furnished by the players after that fourth inning that the first stanzas of the struggle were lost sight of. The Victor boys played a better game in the last five innings than did the county-seat players, but the fact that Hamilton made but two runs in these five innings was not altogether due to high-brow work by Victor, and the fact that the locals amassed a total of 15 runs in these innings was due to the uncorking of an array of ivory-headed stunts by the visitors that were classics. The score, by the way, was 16 to 6 in favor of the locals.

Dowd did the twirling for the locals and was wholly sufficient. He held the visitors to 10 safe bingles, the fourth inning being his only bad one. In this session the Hamiltonians got to him for four hits, which, with an error, gave them four runs. This put Hamilton three runs to the good, but the locals gathered five hits off Prentiss in the next inning, three runs being registered. The next inning was Hamilton's Waterloo. The locals copped four hits in that inning but made them yield nine runs, with the assistance of several weird stunts on the part of their opponents. Cowan cleaned the bases this inning with a three-bag clout. The locals got another run in the seventh and two in the eighth. Hamilton was blanked after their run of four until the eighth, when three hits put two more runs over, bringing their stinky total up to six. Prentiss started the game for the visitors but was relieved by Peterson in the seventh. This caught a pretty game for Hamilton, his throwing being a feature of the game. The local boys were strong favorites after the game and are now considered strong contenders for the county interscholastic pennant.

Score by innings: 0 0 1 0 3 9 1 2 X—16
Hamilton 0 0 0 4 0 0 0 0 2—6
Batteries—Dowd and McVey; Prentiss, Peterson and Thels. Umpires—Imbush and Rowe.

HELENA POLITICIANS FIGHTING SOCIALIST

Helena, March 31.—Helena will elect tomorrow a mayor, city treasurer and police judge as well as seven members of the city council, and despite the fact that the socialists have made a most aggressive campaign, democratic leaders are confident that former Mayor R. E. Purcell will be elected. Mr. Purcell was nominated while he was in a hospital at Rochester, Minn., and has not returned to the city, but the democratic organization and numerous business men who fear the election of a socialist have waged an active campaign in his behalf. John Wendel, president of the city council is the republican nominee and John Huseby, a stone cutter, is the socialist candidate.

PETERSON BROTHERS HAVE BIRTHDAY

TWINS IN HAMILTON CELEBRATE FIFTIETH ANNIVERSARY PROPERLY.

Hamilton, March 31.—(Special.)—Louis Peterson and Andrew Peterson, twin brothers who are business men of this city, enjoyed their fiftieth birthday yesterday, having lived and prospered for a half century so well that both are seemingly in the prime of life. The event was an occasion which called for some sort of a celebration and in order that their friends might enjoy the occasion with them a love feast and celebration was held last evening at the Hamilton hotel. About 40 guests were present and the occasion was one long to be remembered by those participating. The dining room was swept of furniture and the evening spent in dancing. Cards were also indulged in. During the evening a pretentious banquet was served. Music for the occasion was furnished by the Hamilton high school band. The following guests were present from Missoula: Mr. and Mrs. Gus Broman, Mr. and Mrs. A. Broman, Mr. and Mrs. John Berglin and Hannah Broman and sister.

BACHELOR MAID HAS ENDURANCE AND GRIT

Hillsboro, Cal., March 31.—Miss Eleanor Sears, the Boston bachelor maid who returned here today by motor from a cross-country walk of 114 miles against time, distinguished herself again this afternoon by stopping a runaway polo pony before a man in the crowd about here could find his wife or courage. While Miss Sears was watching a polo match from the motor car of Mrs. Frances Carolan, her hostess, one of the spare ponies, dashed into the parked carriages and automobiles surrounding the field. Horses began to rear and plunge on all sides, but before a stampede was fairly started Miss Sears jumped from the automobile, seized the frightened animal by the bridle and soon quieted him. Speaking of her walk, Miss Sears said today: "I feel as fresh as if I had only walked a mile."

Three of the four democratic county conventions held in Iowa yesterday divided their delegations to the state, convention between Wilson and Clark. The fourth instructed for Wilson. Three other counties declined to instruct.

NEW YORK ARTISTS KILLED BY FUMES

New York, March 31.—Two artists met death today by escaping gas, one being the octogenarian, Robert Layton Newman, and the other Miss Louise Schofield. Both were well known. Newman for his skill in color, and Miss Schofield as a landscape painter. Newman was found dead in his studio by his son. One canvas—a desert scene—to which the old man had given the finishing touches last night, is said by his friends to have been conceived as his final effort. Gas escaping from a heater had asphyxiated the aged man. Miss Schofield was found dead in her studio. It is believed she started to get breakfast on the gas range, but fainted and was overcome by the gas.

I. W. W. BOIL COMES TO A HEAD TODAY

Hoquiam, Wash., March 31.—Tomorrow morning is expected to be the crucial test in the Industrial Workers of the World strike in Hoquiam when the Lytle mill is to start up. All through the present strike the strikers' attention in a measure has been concentrated on these mills and they are determined it shall not be reopened until they are willing. A police force was thoroughly organized today. These men will take no hand other than to preserve order. The strikers, 240 strong, paraded the downtown streets this afternoon. The authorities are of the opinion there will be no serious trouble but are prepared for it should it occur.
