

DAY-AFTER ECHOES OF ELECTION

INCIDENTS THAT TRANSPIRED AMONG WINNERS AND LOSERS AFTER THE BATTLE.

Yesterday was the day after. There was the usual analysis of the vote by the curbstone politician, with the resultant explanation of how it all happened.

The aftermath was pleasant yesterday—pleasanter than postmortems usually are. There was no evidence of hard feeling.

Mayor-Elect Rhoades left last night for Oden and will be out of town for three or four days. Before he left town Mr. Rhoades said to a Missoulian reporter: "I am called away on this baseball business. I want you to say that I have not promised any appointment to anybody. I shall not do anything in the way of appointments until I get back and have a chance to talk over the matter with my associates on the city commission, and with some of the business men of the city."

Dan Heyfron is in Spokane arguing a case before the federal court. He was in Spokane Saturday but managed to get his case continued in order that he might come home to vote.

The supporters of the new saloon ordinance disappointed their foes in the quiet manner with which they received the assurance of victory. There was no hurrah, as had been expected by a good many.

There was a good deal of favorable comment yesterday upon the statements made by the successful candidates. They were accepted as sincere and were regarded as forecasting a successful administration.

Commissioner Price is a funny campaigner. Last night, 24 hours after the polls had closed, he came around with a box of cigars. They were good ones, too.

K. L. Parsons, secretary and treasurer of the C. H. Ward Drug company, Pasadena, Cal., writes: "We have sold and recommended Foley's Honey and Tar Compound for years. We believe it to be one of the most efficient expectorants on the market."

THE MODERN HEAD DRESS

CAUSES BALDNESS—WE CANNOT CHANGE THE HEAD DRESS, BUT WE CAN PREVENT BALDNESS.

Up to the time we began to civilize him a bald headed Indian was a thing unknown. Wearing nothing on his head except the covering furnished by nature and being a stranger to the use of a hair brush, especially the public one, the scalp and hair had plenty of ventilation, much sunlight and hence, a condition favorable to a luxuriant growth of hair existed at all times.

It was the adoption of air and light excluding head gears and artificial head decorations generally, together with the occasional use of a community hair brush, which gave the dandruff germ its opportunity. Since this parasite has multiplied to an alarming degree until now there is hardly a person who is not troubled more or less with dandruff and falling hair.

Many, to be sure, have passed the worrying stage. Having become chronically bald they realize that nothing is capable of producing natural hair for them. Let these be a warning to all who are experiencing the significant annoyance of dandruff and falling hair. Dandruff, which is due to a germ, and falling hair can both be overcome by the regular use of Newbro's Herpicide.

This wonderful scalp remedy kills the vicious germ which causes dandruff, cleanses the scalp and stops the hair from coming out. The destruction of the germ permits the hair to grow naturally and luxuriantly as nature intends. Herpicide makes the hair bright, snappy, light and fluffy. One dollar size bottles guaranteed. For sale at all drug stores.

Applications obtained at the better barber shops and hair dressing parlors. Send 10c in stamps or silver for sample and booklet to The Herpicide Co., Dept. R., Detroit, Mich. Missoula Drug Co., Special Agents.

RESOLUTION PASSED BY COUNCIL

GERALD IMPROVEMENT DISTRICT IS CONSIDERED BY COMMISSIONERS.

The Gerald avenue improvement district was about the only important matter to be considered by the city council at its meeting yesterday morning. City Attorney Woody presented the resolution covering the improvements to be made on that street and it was adopted by the council. The resolution provides for cement sidewalks and curbs, parking and paving. The kind of pavement to be used on Gerald avenue has not been decided upon and the people will be governed entirely by the bids submitted. The resolution allows bidders to name practically any kind of pavement and the price will govern the decision of the property owners on the avenue. Mr. Woody has fixed a maximum price of \$490 a lot as the cost of the improvements. He stated that the expense would not exceed that amount. The clerk was instructed to advertise for bids and these will be opened on April 17 at 10 o'clock a. m.

A few more bills for street work had been allowed, the council adjourned, to meet again this morning. At today's meeting the vote cast at Monday's election will be canvassed officially.

THE WEATHER

AVOID HARSH DRUGS

MANY CATHARTICS TEND TO CAUSE INJURY TO THE BOWELS. If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexal Orderlies. These are prompt, soothing, and most effective in action. They are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless and colorless. Combined with other well-known ingredients, long established for their usefulness in the treatment of constipation. It forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without fear of their causing any inconvenience whatever. They do not grip, purge nor cause nausea. They act without causing any pain or excessive looseness of the bowels. They are ideal for children, weak, delicate persons, and aged people, as well as for the most hearty person.

They come in three size packages, 12 tablets, 10 cents; 26 tablets, 25 cents; 80 tablets, 50 cents. Remember, you can obtain them only at our store—The Rexal Store, The Missoula Drug Co., southwest corner Higgins and Front streets.

The local Northern Pacific offices have received advices to the effect that the Chicago, Burlington & Quincy is temporarily out of commission at Edgemont, S. D., and that it is necessary to transfer passengers two miles at that point. The track has been washed out at Edgemont for a distance and, although repairs are being made as rapidly as possible, the damage will not be repaired until Wednesday.
