

LEWIS TELLS HOW HE HAD DREAMED FOR FUTURE

WANTED TO BE BIGGEST PUBLISHER IN WORLD AND HIS SCHOOL THE GREATEST.

St. Louis, April 9.—E. G. Lewis told the jury today in the United States district court that he put everything he possessed, including his home and life insurance policies, in the Lewis enterprises, in his efforts to save investors.

On these, he said, \$57,000 had accrued in 1911. He drew that money, he said, and turned it over to the committee.

"There was nothing left," he said, "and I borrowed \$2,000, getting \$500 from each of four men, and went to California in order to draw the attacks on me away from my enterprises."

Lewis explained his dream of making the Lewis Publishing company the greatest in the world and University City the center of activities of international extent.

Lewis spoke so rapidly and enthusiastically that his attorney frequently had to interrupt him and give the jury time to assimilate the testimony.

Lewis then told of his proposed subway. He planned, he said, so the increase in population would cause the value of his University City property to equal the subway's cost.

He expected it to increase the value of the property \$25 a foot, and he planned to have enough land under his control when the time came to make this increase amount to the necessary sum.

THEODORE AND TAFT SPLIT EVEN

DELEGATIONS IN HALF OF VERMONT ARE DIVIDED VERY EVENLY.

Montpelier, Vt., April 9.—Half the Vermont delegates to the Chicago convention were chosen today and Taft and Roosevelt supporters split even in the struggle.

As many of the delegates who took part in the district convention will attend the state convention, Taft leaders said tonight their majority of the total vote would hold good tomorrow and give them the state delegation.

On the other hand, Roosevelt leaders said that many new delegates would take part in the state contest and that they had a fighting chance for the delegates at large.

RICH MAN CHARGED WITH LIBELING CLAYTON

NEW YORK MAN ALLEGED TO HAVE SAID "ALL CONGRESSMEN ARE CROOKS."

New York, April 9.—Henry M. A. Page, a well-to-do commission merchant and an importer of linen and cottons, was arrested here today on a warrant from the District of Columbia charging him with libeling Representative Henry D. Clayton of Alabama, chairman of the House committee on judiciary, and other members of congress.

Page took his arrest coolly, in fact, he requested that the federal officers be notified that he was waiting for the arrival of officers. When arraigned he gave \$5,000 bond for his appearance in Washington, where he will go without fighting extradition.

In the indictment, which contains three counts, Page is charged with having circulated alleged "libelous matter" in a pamphlet bearing a title page as follows:

"The Crime of the Hon. Henry D. Clayton.

"Congressman Commits Perjury.

"On the title page these captions were followed by these questions:

"Q.—Do congressmen take a solemn oath to defend the constitution against all its enemies?"

"A.—Yes."

"Q.—Do congressmen keep this oath?"

"A.—No."

"Q.—Why do not congressmen keep this solemn oath?"

"A.—Because all congressmen are crooks."

This pamphlet addressed to all members of the House committee on judiciary was circulated among the members of the Sixty-second congress.

DOWN WITH RED FLAG!

San Diego, April 9.—At a meeting of Heinzelman post No. 33, G. A. R., resolutions were adopted tonight by a rising vote asking congress to make it a felony to establish upon one of the United States island possessions a penal colony and deport anarchists to it.

The resolutions also urge all Grand Army posts in the several states to recommend to their senators and representatives that such action be taken by congress.

JUST A GOOD FELLOW.

Butte, April 9.—"I've been a good fellow; I'm up against it now and while I did not get all the money I am charged with stealing, I'm going to stand the sum and will take my medicine. I will go back without requisition papers," stated Dan Askey this morning in Chief Murphy's office after he had been arrested on a charge of embezzling \$2,500 from the firm that employed him at Johnstown, Pa.

WICKERSHAM READY TO QUIT

IT IS SAID THE ATTORNEY GENERAL WILL NOT HOLD OFFICE ANY MORE.

Washington, April 9.—Attorney General Wickersham will not serve in the cabinet after March 4 next, if President Taft is re-elected, it was said today upon unquestionable authority.

Mr. Wickersham entered the cabinet with a distinct understanding that he would not serve more than four years, it was declared. It was also said President Taft and Mr. Wickersham were in thorough accord as to the administration's anti-trust policy and that today's announcement was without political significance.

Mr. Wickersham had little to say about his reported retirement next March.

"I expect to get out then," he said, "every cabinet officer resigns on the fourth of March at the end of an administration. As to entering Mr. Taft's cabinet again if he is elected, I should not care to decline an invitation before it is extended to me."

HOMESEEKERS CAMP BEFORE LAND OFFICE

Winnipeg, Man., April 9.—Fifty-one men and women are in the line before the Lethbridge, Alta., land office, where they will camp until the homesteads are thrown open, May 1. The first in line is Carl Jones of Philadelphia, Pa. The campers have to withstand rain and snowstorms and one of the women has a baby in her arms.

"Just let us get Jim Hill to build a railroad through, which we are after," said one of the men in line, "and we will be millionaires some day."

During the night blankets are fastened to the sidewalks and fences, forming a sort of a camp. The city council of Lethbridge is objecting to sanitary conditions of the locality and may disperse the lineup.

HAIL KILLS GOATS.

Langtry, Texas, April 9.—News brought in today from Zuberbueher ranch, near here, is that hail, accompanying Sunday's heavy rain, killed 50 growing angora goats and 320 kids. The hail was the heaviest in years.

O'NEIL IS ORDERED TO BE RETURNED TO WALLACE

BRITISH COLUMBIA JUDGE SAYS THERE IS ENOUGH EVIDENCE TO EXTRADITE.

Vancouver, B. C., April 9.—Judge Grant tonight ordered the extradition of Bernard F. O'Neil, former president of the State Bank of Commerce of Wallace, Idaho, where he is wanted on a charge of embezzlement and making false reports.

O'Neil was remanded to jail without bail to await the arrival of an officer from Idaho to take him back to Wallace to stand trial there.

Judge Grant's decision, which covered 24 typewritten pages, reviewed the evidence in detail.

"I cannot say," the court said in conclusion, "that I have no doubt of the innocence of the accused, and in face of the manner in which books of the bank were kept, strengthened by the action of the grand jury in finding true bills and the action of the judge in issuing criminal warrants against the prisoner, I feel there is ground to justify a committal, which is all that is needed in this case."

He added he had no doubt that all the offenses charged came within the extradition treaty. O'Neil came to Vancouver in September last and took a position with a trust company.

The prosecuting attorney of Shoshone county, Idaho, soon began proceedings for his extradition and O'Neil was arrested on charges of fraud and embezzlement. He was brought here before Judge McInnis, but sufficient evidence was not forthcoming and the court held that no case for extradition had been made out.

O'Neil was released and took a position with a lumber company. Several weeks ago he was arrested again at the instance of the Idaho authorities, who, in the meantime, had come armed with new evidence, with the result that he was ordered returned to Wallace for trial.

TAMMANY AGAINST INSTRUCTIONS

NEW YORK DEMOCRATS PROBABLY WILL SEND A FREE DELEGATION.

New York, April 9.—With the return today from Atlantic City of Charles F. Murphy, leader of Tammany hall, it was said that should the councils of party leaders be followed, as there is every reason to believe they will be, New York's 90 delegates to the democratic national convention would go to Baltimore unpledged to any candidate for the presidential nomination.

In addition to the four delegates at large, to be chosen by the state convention, which will assemble here Thursday, the 43 congressional districts will name delegates to Baltimore who will be confirmed by the state convention.

It was announced today that no slate had been agreed upon for delegates at large, although it was said the delegates probably would be United States Senator O'Gorman, Charles F. Murphy, Samuel Untermyer and Governor Dix or Lieutenant Governor Thomas F. Conway. Other names suggested include Alton B. Parker and Isidor Straus.

It was predicted by leading democrats today that the speech of Mayor Gaynor before the national democratic club at the dinner celebrating the birthday of Thomas Jefferson, next Saturday evening, would be the formal announcement of his candidacy for the presidency. It is said by close friends of the leaders that the 90 delegates from New York, even though instructed, will vote for Gaynor.

TEDDY SHOWS ABUSE OF PATRONAGE

(Continued From Page One)

Mr. Taft. The difference is that Mr. Taft not only proposed no remedy whatever, and is against every practical remedy that has been proposed, and that I propose a moderate and constitutional remedy by which the people themselves, after due deliberation, would be able to obtain justice." Disgraces in Kentucky. The colonel continued: "Remember, we can have no good legislatures unless you have honesty both in business and in politics. At this moment the most flagrant dishonesty, the most flagrant disgraces, are being perpetrated by the politicians in their effort to thwart the people's will in the state of Kentucky. The leader of the real republicans in that state is John O'Rear, formerly chief justice of the state, and the republican candidate for governor at the last election, Judge O'Rear sent a telegram to the president which runs in part as follows: "Later returns give Roosevelt first district, but the chairman of McCracken county, deputy postmaster of Paducah, signs the Taft certificate, although Roosevelt carried the county by 1,600 to 517. In Carlisle county Roosevelt had all but three, yet the district chairman, the postmaster at Mayfield, signed a Taft certificate. Nothing approaching these highbanded methods has ever occurred in Kentucky politics." "Now this outrage does not represent any great case of violating the civil

service law. It involves conduct which would be infamous, which would be in its intent at least criminal, if the civil service law were not in the statute books. "Delay in this case is, of course, the surest method of defeating justice. Failure immediately to suspend the officials in question to disavow their actions and to refuse to profit by them must make the administration accessory in the outrageous infamy set forth by the former chief justice of Kentucky. "Of course, this case is merely illustrative of what has been attempted in every branch of the government service. No more scandalous abuse of federal patronage has ever been seen than we have seen here in the last two months. For instance, the forest service always has been kept out of politics. A letter was recently sent to a forest officer. I have before me the original letter containing the name of the officer to whom it was sent. It runs, in part, as follows: "I take this means of informing you that a national bureau has been opened in the Raleigh hotel, this city (Washington), for the purpose of conducting a pre-convention campaign in the interest of President Taft. I would, therefore, thank you to render such assistance as you can and would appreciate an early reply giving me such information as in your judgment will facilitate the work of the bureau." "It is signed with the name of Mr.

Taft's manager, Mr. McKinley. Of course, it is quite impossible that the national Taft bureau in its effort to debauch the forest service can be acting without the cordial support and approval of the administration. "Remember, always, that in these cases delay in correcting the abuse until after delegates are chosen, is equivalent to refusal to correct the abuses at all. "It is difficult not to characterize with sufficient harshness the shameless use of the postoffice and the entire federal patronage in this campaign; and when thus used it is an odious shame to profess to wish to take these offices out of politics."

LEGISLATORS HOLD SEATS.

Santa Fe, N. M., April 9.—The four accused legislators will hold their seats permanently so far as the present bribery investigation is concerned. Friends of the accused men offered today in the house a resolution to expel the members and declare their seats vacant. This was defeated by a vote of 33 to 10, and a motion to reconsider was laid on the table.
