

# B & A Semi-Annual Clearance

This store has few sales--but when it does offer price reductions the people very quickly take advantage of the opportunity. This is not an ordinary sale, for nothing about this store is commonplace. We're giving genuine reductions on high grade men's wear that you could not duplicate elsewhere in the city at the regular price. The sale commences this morning. WE'LL LET YOU JUDGE FOR YOURSELF WHETHER THE VALUES ARE GENUINE OR NOT.
