

BEARISH SENTIMENT RULES MARKET

PRICES GO DOWN DECISIVELY AND LOSSES OF ONE AND TWO POINTS ARE GENERAL.

New York, Jan. 3.—Sentiment veered to the bear side of the market today and prices went down as decisively as they went up yesterday. Losses of one to two points were general, with Union Pacific, Reading, the coppers and steel playing a prominent part in the day's decline. No specific cause could be assigned for the sudden change in the aspect of the market, after its display of strength recently. Little business was transacted for London account today, although there was some buying on direct cables from the continent. Passing of the dividend on the common stock of American Beet Sugar caused a violent decline in the issue to 41 1/2, a loss of 6 1/2. Western Maryland again was weak. The common dropped 1/2 point and the preferred 6. Texas company moved against the market, rising four points. A renewal rate of 4 1/2 per cent for call loans compared favorably with the rate of 12 per cent a week ago, and call funds were placed at lower figures later in the day.

Time money was also easier. Bonds were irregular. Total sales, par value, \$2,150,000. United States bonds were unchanged on call.

Grains and Provisions.
Chicago, Jan. 3.—Improved prospects for the winter crop caused prices off today in wheat. Gains disappeared and the market closed the same as last night to quarter down. Snow, which fell here profusely for a short time, had a noticeable effect in relieving anxiety as to fall-sown grain. Huge receipts in all directions when distribution should be well under way counted somewhat against wheat.

Promise of heavy world shipments acted also in favor of the bears. Forecasts of unfavorable weather strengthened corn. Oats appeared more inclined to follow wheat than corn. Provisions rose on account of lard stocks being light and hog prices higher. May wheat opened 91 1/2c; high, 91 3/4c; low, 91 1/4c; closed, 91 1/2c. May corn opened 48 1/2c; high, 48 3/4c; low, 48 1/4c; closed, 48 1/2c. May oats opened 32 1/2c; high, 32 3/4c; low, 32 1/4c; closed, 32 1/2c.

Bradstreet's.
New York, Jan. 3.—Bradstreet's tomorrow will say: After traveling at a brisk rate, business has slowed down, though less so than usual at this season. Confidence in the future is in evidence. Retail dealers enjoyed an unexampled holiday trade. In a host of industries consumption bids fair to overtop production for some time, and the iron and steel industry probably never entered on a new 12-month under more auspicious circumstances. Money is in good demand and rates remain firm, but signs lead to the belief that more comfortable rates are not a long way off.

Business failures for the week ending January 2 were 287, against 349 in the same week of 1912. There were 24 failures in Canada during the week. Wheat, including flour, exports from the United States and Canada for the week ending January 2, aggregate 4,396,618 bushels, against 3,291,617 bushels this week last year. Corn exports for the week are 1,362,606 bushels, against 762,267 bushels last week and 1,526,721 bushels in 1911.

ROSE IS TOO FAT
Because he is getting very, very fat, Ralph Rose of California, the giant shotputter and one of the world's most famous athletes, has announced his retirement. When Rose attended the University of Michigan a few years ago he gained the reputation of being the best all-around athlete in any American college. In the 1908 Olympic games, at London, he captured the shotput easily. In the games at Stockholm last summer he made a fine showing. Rose is the holder of a number of world's records. He is six feet five inches tall and weighs around 350 pounds. Four years ago he weighed 120 pounds less.

PACKEY INSTRUCTS WILLARD.
Chicago, Jan. 3.—Packey McFarland has volunteered to instruct Jess Willard, the cowboy heavyweight, in the art of boxing in order that he may be able to defend himself should he obtain a match with Luther McCarty, now the acknowledged white heavyweight champion. Willard said he was glad to get the opportunity to work with the clever light-weight.

M'CARTY MAY HAVE HIS WIFE

SPOUSE SAYS HE'S A "BIG GOOD-NATURED KID" AND SHE'LL RETURN TO HIM.

Fargo, N. D., Jan. 3.—Mrs. Rhoda McCarty, wife of Luther McCarty, the white heavyweight champion pugilist, talked freely of her husband here last night, and said she would return to him if he wanted her. Her nickname for him is "Luck," and she referred to him as a "great, big, good-natured kid." "He has not written me since last May," she said. "But after he whipped Jim Flynn he sent me money. I wrote him congratulating him on his victory and sent him another message of congratulation when he whipped Palzer New Year's day. "I came here last year and caused his arrest for failure to support me and my little girl. He promised to do better, and I dropped the action. Then he went to Chicago and took up boxing. "I am not mad at 'Luck.' In fact, I always liked my big, handsome chap. We never had cross words until he lost out in work. He was not lazy, but would not stick to anything very long. He was good to me, though, when he had money. I opposed the idea of his going into pugilism, but now that he has reached the top I guess it is all right."

KILLILAY IS SOLD TO SEATTLE CLUB
Helena, Jan. 3.—Martin Killilay, center-fielder for the Helena team last season, was sold to Seattle today, a deal having been closed between Manager Dugdale of Seattle and Manager Irbry of Helena. Killilay was one of Helena's star players in 1911 and 1912. He batted .306 last season, and fielded sensationally. Killilay led the Union association in triples and was credited with fifty stolen bases. Bill Lussl, Helena's first baseman, who was sold to Clark Griffith last fall, has been turned over to Montreal of the International league by Washington.

Anaconda Standard: George McDonald, who claims the skating championship of British Columbia, issued a defi to any Butte ice speeders a few weeks ago, which challenge was promptly accepted by a number of local skaters. Nothing further has been heard from McDonald. It is understood that he is at present in Missoula.

Clark Griffith has already sold Bill Lussl according to the Sporting News and H. Box Jones, Montreal is now the proud possessor of Blub Irbry's double.

Rajah Brahmbhan has already completed arrangements for a defense of the charge he expects the Cardinals to bring against him. He will use John McGraw as his star "character" witness. John will testify to Roger's usefulness and to the fact that the deposed manager always did his best to further the interest of the club.

YOU KNOW THE TUNE.
(Chicago Tribune) Yerrah choey dear an' did yeh hear the dope they're slippin' round? They're sayin' that sure enough a real white hope they've found. It's moniker's McCarty and, honest Goot, 'tis said One-half of 'is Harpolean, the other Injun Red. 'Tis as good a fightin' mixture you'll meet with anywhere. For if he gets his Irish up he's an Indian for fair.

Columbia's athletic ledger shows a deficit for the year of nearly \$8,000. Twelve of the 15 teams maintained by the institution failed to pay last year and the athletic treasury is in bad shape consequently. The crew, the track team, the swimming and water polo teams, the soccer and hockey teams all lost money. Only the varsity and freshman baseball teams and the shooting team made expenses. Football, which makes up for deficits in other branches in most eastern schools, is not played at Columbia.

MANY A FLOWER.
Our private secretary slips us this letter from our correspondent in Salon City. We print it to show the unappreciative manner in which too many towns treat their budding genius: "I would gladly send you stories of battle, murder and sudden death, but things have been disgustingly placid here, and the local celebrities are slow about dying."
