SEMESTER IS CLOSED AT HIGH SCHOOL

FIRST HALF OF SCHOOL YEAR SUCCESSFULLY FINISHED BY 275 PUPILS.

The first semester of the Missoula county high school closes today after a season of work that has been most successful and encouraging to those who have an interest in the progress of the school. Examinations have been in progress for the past three days. These will be concluded today and the semester will be over.

The attendance at the high school this season has been 275. This was the number that applied for admission and there were none turned away from the school. The program and activities about room enough proved to be nearly unnecessary, as arrangements were made to give proper advantages to this number of pupils and they have been doing nothing in the way of attention or equipment that this school has to offer.

STOMACH MISERY JUST VANISHES

Time! No Indigestion, Gas or Sourness Five Minutes After Taking "Pape's Diapepsin."

If what you just ate is scorching on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate, sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache—this is indigestion.

A full case of Pape's Diapepsin costs only fifty cents and will thoroughly cure your out-of-order stomach and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these fifty-cent cases, then you will understand why dyspeptic trouble of all kinds must go, and why they usually relieve sour, out-of-order stomach or indigestion in five minutes. Diapepsin is harmless and tastes like candy, though each dose contains power sufficient to digest and prepare for assimilation into the blood all the food you eat, besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many Diapepsin cranks, as some people will call them, but you will be cranky about this second stomach preparation, too, if you ever try a little for indigestion or gas or any other stomach misery. Get some now, this minute, and forever rid yourself of stomach trouble and indigestion.—Adv.

GARY DINNERS DISCUSSED POOLS

(Continued From Page One)

These pools, Mr. Carey said that the steel corporation was represented in the plate and structural pool by the Carnegie Steel company. He admitted that the pool divided business and monopolized production when the business of a member exceeded its attainment.

"Was it known at the executive office of the steel corporation that subsidiaries of the corporation were operating under the agreements which you have described?" asked Judge Jacob M. Dickinson, chief attorney for the government.

Judge Gary, in his testimony before the Senate steel investigation committee, said he had had a story to the pools as soon as he learned of their existence. He has not testified in this suit.

HELENA GIRL WANTS AVALANCHE VICTIM IS DEAD

BRINGS SUIT IN LOS ANGELES, SAYS HUSBAND WROTE AND HEARD FROM OTHERS.

Los Angeles, Jan. 23.—(Special).—After a brief matrimonial experience, Mrs. Marguerite H. Hulse, daughter of E. A. Carleton, attorney of Helena, Mont., brought suit against Marion W. Hulse, for separate maintenance today.

While one of the allegations of the complaint is that Hulse received from and wrote to other women, letters described as loving and affectionate, it was declared by her attorney, Frank L. Borden, that there is no "other woman" in the case. Hulse, according to the complaint, has failed to provide for her by reason of his alleged idleness and profligacy. She also alleges he has a violent temper. They were married in this city, January 20, 1911.

He was 20 and she was 18. After their marriage Hulse attended the Boston Polytechnic school and Mrs. Hulse kept house, but the young husband's conduct offended his wife and she wrote to his father. The result was that he didn't pursue his studies. Mrs. Hulse went to her Montana home. An attempt at reconciliation failed.

Prayer Meetings. The union prayer meetings which will be held during the revival meetings conducted by Rev. Charles Cullen Smith, evangelist, will begin this afternoon at 3 o'clock. The meeting on the north side will be held in the Baptist church, conducted by Adjutant Sainsbury.
