

# RESPECTED CITIZEN CALLED BEYOND

WALTER E. NEWPORT OF BONNER ANSWERS THE SUMMONS OF THE ANGEL OF DEATH.

That Holy Angel, God's messenger to man, has this Saturday morning called upon our dearly beloved brother, Walter E. Newport, and he has gone from us accompanied by that messenger divine to our Home of Perpetual Day. We remain sorrowing, offering our sincerest sympathy to those dear ones who have lost, namely, his devoted wife, Mrs. Newport, Mr. and Mrs. W. C. Labrecht, Mr. and Mrs. W. D. Grafton, Miss Mabel Newport, Leon Newport and his aged mother in the distant eastern home. In silent prayer we best that heavenly balm be poured upon their bleeding hearts by Him who has called our brother home.

THE PEOPLE OF BONNER, Bonner, April 26, 1913.

Death came yesterday morning to Walter E. Newport of Bonner, who had been sinking for two days. There will be many tributes paid to the worth of this good citizen and loyal friend, but none that will speak more eloquently of his sterling qualities than does the above memorial, prepared by the friends and neighbors among whom Mr. Newport had lived for almost a quarter-century.

Two days ago, the announcement was made that Mr. Newport's death was expected momentarily. His relatives were summoned to St. Patrick's hospital, where he had been taken for treatment, but his strong constitution asserted itself in the final struggle and he passed away peacefully. His death was a great loss to the community.

Walter Newport was born 64 years ago in Streator, Ill., where his aged mother survives him. He came to Bonner, 24 years ago, to enter the employ of the Big Blackfoot Milling company. Ever since that time he had been a respected citizen and an esteemed friend of the people of the lumber town. Until recently, he had been in his customary health. The stroke which caused his death came almost without any warning.

There are many people in western Montana who knew Walter Newport and all who know him admired him for his loyalty and his clean life. That his close neighbors speak of him as they do is the best evidence there could be of his worth.

With the exception of Mr. and Mrs. W. D. Grafton, his daughter and son-in-law, who are now in California, and his mother, who lives at the old home in Illinois, all the immediate members of the family are here. The telegraph carried the news of yesterday's sad event to the distant friends. Pending the receipt of word from the Graftons, no definite arrangements will be made for the funeral.

# MISSOULA YOUTHS WIN ANNAPOLIS

FRANK WORDEN AND HERBERT ANDERSON PASS REQUIRED EXAMINATION.

Frank Worden, son of Henry O. Worden, and Herbert Anderson, son of William Anderson, both of this city, have successfully passed the mental examination for entrance to the naval academy at Annapolis. Both boys telegraphed the good news home yesterday, and it was received by relatives and friends with much satisfaction. Frank Worden and Herbert Anderson were both born and reared in Missoula and, considering the fact that only about 25 per cent of those taking the examination were successful, their friends have a right to be proud of their accomplishment. Frank has been in Washington attending a preparatory school since last October. He is 17 years of age and had taken the first year's work here in the high school.

Herbert Anderson is 18 years of age. He is a graduate of the Missoula high school and attended the university during one semester. Only three weeks ago he entered a preparatory school at Annapolis to get ready for the examination and in this short time he succeeded in making good.

Both boys must yet pass the required physical examination, but on account of physique and perfect health, there is no question but that they will sail through this test with flying colors.

# Orrine for Drink Habit

TRY IT AT OUR EXPENSE. We are in earnest when we ask you to give ORRINE a trial. You have nothing to risk and everything to gain. For your money will be returned if after a trial you fail to get results from ORRINE. This offer gives the wives and mothers of those who drink to excess an opportunity to try the ORRINE treatment. It is a very simple treatment, can be given in the home without publicity or loss of time from business, and at a small price. ORRINE is prepared in two forms: No. 1, secret treatment, a powder; ORRINE No. 2, in pill form, for those who desire to take voluntary treatment. Costs only \$1.00 a box. Come in and talk over the matter with us. Ask for booklet, Missoula Drug Co., Corner Higgins and Front.

# CITY FEDERATION IS ORGANIZED

CLUB WOMEN OF MISSOULA BAND TOGETHER FOR GREATER EFFICIENCY IN WORK.

A large and enthusiastic gathering of the club women of Missoula was held at the Masonic temple yesterday afternoon. The Missoula Woman's club held a business session in which reports were presented by officers and chairmen of departments, showing a generally flourishing condition. Mesdames Briggs, Hammond, Skinner, Thompson, Power, Lombard and Miss Spargin were elected as clubhouse directors. Then followed the first general meeting of the city federation of clubs. It was voted that the president of the woman's club should be president of the city federation and that the president of each club in the federation should be a member of the board of directors for the federation, this board having power to choose its own secretary. Reports were then made by representatives of the various clubs joining the federation. These were highly interesting, showing a remarkable community of purpose with individual methods of attaining the same end. In connection with the report from the North-Side Mothers' club, the federation voted to send a committee to confer with the city school board in regard to the retention of playgrounds. Mesdames Wright, Kramer, Lilly, Thompson, Sargent and Reedy were appointed on this committee.

The musical program for the afternoon was greatly enjoyed. It included the singing by the club of a song composed by Mrs. Hiram Knowles; piano solos, "Norwegian Fiddle Procession" (Grieg), and "A Wild Rose" (MacDowell), played by Miss Bernice Berry; vocal solos, "Three Grenadiers" and "Gypsy John" by William Amundson; and piano solos, "Rondo" from Sonata, Op. 24 (Weber), and "Bourne," G. major (Bach), played by Mrs. Will Walker. This was the first opportunity many of the ladies present have had to hear Mrs. Walker play and there was a general expression of pleasure that an artist of such ability has come to be a resident of Missoula.

The meeting was adjourned with a feeling of encouragement and promise of larger achievement than ever before in the field of club work.

# RESTRAINING ORDER AGAIN ISSUES

FAIRGROUND MATTER BALKED AGAIN, THIS TIME BY SUPREME COURT OF STATE.

A temporary order restraining the county commissioners from the purchase of the property for the fairgrounds was issued by the state supreme court yesterday upon the application of John R. Latimer and others, and the papers were served on Chairman Nelson of the board yesterday morning.

This is the second time the board has been halted in its acquisition of the fairground site. The same plaintiff secured an injunction in the district court, but this was dissolved by Judge McCulloch on Wednesday. County Attorney Heyfron will prepare a brief of the county's case, and present it to the supreme court in the next few days.

Should more hindrance arise, the county may still be without a fairground at fair time next fall. The commissioners are hopeful, however, and have urged their attorneys, County Attorney Heyfron, assisted by Attorney Roberts, to make haste in the preparation of the brief to be submitted to the supreme court. County Attorney Heyfron stated last night that unless the court was prevented from giving the matter immediate attention the definite ruling on the injunction should be forthcoming by the last of this week.

# FIRST TRIP TODAY OF MOTORCYCLISTS

The members of the Western Montana Motorcycle club have invited every motorcyclist in the city to join with them in making the first excursion of the season today. The club was recently organized, and planned today's trip to work upon an interest in the organization. The riders will assemble at the Walker bicycle shop at 2 p. m. and will probably decide to make the run up Lake as far as the roads are possible instead of by Frenchtown, as previously announced. Every owner of a motorcycle is invited and urged to join the party this afternoon.

# HOLDUP IN HELENA.

Helena, April 27.—While one foot-ped held a revolver against his stomach another armed thief went through the pockets of A. T. Tally, proprietor of the pockets of A. T. Tally, proprietor of the home at an early hour this morning, and robbed him of about \$50. The holdup took place in the full glare of an electric light at the corner of State and Ewing streets. The robbers thus far have eluded the police.

# WILL CONTINUE PARTIES.

Washington, April 26.—The president and Mrs. Wilson intend to continue the usual custom of holding garden parties weekly on the south lawn of the White House during the spring and early summer. Announcement was made today that the first garden party would be given on May 9.

IMPROVED IRRIGATED Farm Loans 8% THREE, FIVE, TEN YEARS With Privileges GEO. F. BROOKS Real Estate and Loans First National Bank Building

# HICKLIN'S SHORTAGE MADE GOOD

BONDING COMPANY ORDERS LOCAL AGENT TO PAY CHECK TO THE COUNTY.

Following the refusal of the county commissioners to accept the check of the Fidelity and Deposit company of Maryland to cover the shortage of former County Treasurer Hicklin upon condition that they would release the balance of the bond, A. K. Andersen, the local representative of the company telegraphed to the home office and yesterday received word to turn over the check without imposing the condition of releasing the bond.

Attorney Hall, who represents the bonding company, has had the check for several days and only the question of releasing the bond has held up the settlement of the matter. The commissioners were without power to release the bond had they so desired. He stipulated the limit of a bond for a county official is set at three years after the expiration of his term and only its automatic expiration can release it. This concession of the company assures the end of the Hicklin shortage so far as reimbursing the county is concerned. On Monday the check will be turned over to the commissioners.

# TO PRESENT CANTATA.

Hamilton, April 26.—(Special)—The Hamilton Musical club will present the cantata, "The Ross Maiden," at the Lucas opera house on the evening of May 8. This composition abounds in beautiful music and is of a more pretentious nature than anything ever before attempted in this city. The proceeds of the entertainment will be applied to a fund for the purchase of a piano. In preparation for the program a special rehearsal will be held next Tuesday evening.

# SUIT ON CONTRACT.

A. Townsend brought suit in the district court yesterday against L. F. Geler to recover \$200 and the release of contract. Geler is a farm tenant of the plaintiff's and the action is based on his failure to provide proper seed and his general poor management which it is alleged resulted in the loss of the sum for which suit is brought.

# APPRAISAL OF LAND WILL BE SPEEDY

AS FAR AS POSSIBLE THERE WILL BE NO DELAY IN WORK OF THE COMMISSION.

The Washington news of last week contained the announcement of the appointment of Waldo G. Brown, day-school teacher on the Flathead reservation, to be a member of the Indian land-appraisal commission. Mr. Brown has been a valued employe on the Flathead reservation for nearly six years, for the past 18 months he has been day-school inspector. He is on the civil service list.

Mr. Brown's appointment to the appraisal commission was made at the recommendation of Superintendent Morgan of the reservation, who asked to be relieved of this part of his official duties, as other demands upon his time are so great. Mr. Morgan has joined in urging upon the department the necessity for hastening the completion of the classification of the lands and, in order that the work may be done as speedily as possible, he asked that Mr. Brown, who is thoroughly familiar with local conditions, be made a member of the board.

Work by the appraisal commission will be started at once and will be pushed as rapidly as possible, in order that all applicants for homestead entry who have suspended filings may ascertain the status of their claims.

# LOCAL BREVITIES

Magazines, P. O. news stand. Mrs. R. J. Holland of Arlee spent the day shopping in Missoula.
