Ogden, May 25.—Manager Knight went into the box today after the Highlanders had given Fowler a drubbing and pulled the final game of the series out of the fire. The contest went 12 long innings and Ogden finished ahead, 8 to 7. It was Kitty Knight's first game since he was hurt and he pitched in old-time form. The Cubs will be strengthened by his return and ought to make a better showing hereafter.

As It Looks. Anyhow we made it even up. That's the best we've done so far and nobody should complain.

Today the team will reach home again. With Butte going as old the Highlanders ought to have a pretty easy time of it this week.

It was an important week in the Union association. Helena, sensation of the first three weeks of the season, ran up against a stone wall in Salt Lake and lost four games, dropping into third place. Great Falls, early winners of over the booting Coppers, took the lead and Salt Lake, by virtue of the drubbing she handed Danny Sherry, clambered into her familiar berth just beneath the roof. Missoula and Ogden, tail-enders, fought it out between them and were rewarded with mutual improvement. The two teams broke even and as a result, both have higher standings this morning than they did a week ago.

Jimmy Piquett is making great preparations for the fight that is to come off Thursday evening between Frankie White of Chicago and Red Hughes of the coast. The match will be held in the Harmonis theater and will be the best and cleanest ever staged in the city. "I am going to arrange things so that any woman may go," said Mr. Piquett last evening. "There will be no smoking and no rough talk and the match will be clean fast and on the square."

Both men are top-notchers and the fight will be the best ever given the local fans. Frankie White, having lost a couple of pounds in coming here from Chicago, has been taking easy workouts at the Loyola high school gymnasium. He will start active training tonight with a fast practice match at the Rochester club. Hughes has been working hard every day and is in the pink of condition. He has boxed 19 or 20 rounds daily for more than a week and is ready for the hardest kind of a fight.

The preliminary will be almost as good as the main event. Jack Richards, the machinist who has made such a hit with his showing in exhibitions here before, will fight eight rounds with Paul Cantway, the bitter Root kid, who has a splendid local reputation.

Carl Zamloch established himself yesterday. After the Browns had scored six runs off Lake, Zam was sent in and held them scoreless, while his teammates were piling up eight runs.

Notes from the Anvil Chorus

Mr. Andrew Fletcher once wrote that he "knew a very wise man who believed that if a man were permitted to make all the ballads, he need not care who should make the laws of a nation." It's a cinch nowadays. Listen:

Take a levee, a levee, A Mississippi levee And chuck in some hanjoes and moons With plenty of Mandies— "Mah chocolate candies"— A bushel of lo-hovin' coons. Just mix 'em together Without caring whether They fit to the music or not. So long as a whistle, A river boat whistle, Comes in you can feel sure you've got;

A moony tag, A coony drag In the evening by the moonlight it will make those hanjoes ring. I'd like to write, Those laws all right But I'd rather be the cheese who gives them songs to sing.

Make it snappy and happy— Especially snappy— And have something for dear Carolyn. "Though you don't give a damn— 'Bout old Alabama. Be sure that you give her a line. With a beautiful old and A T. Bear from Holland A song is complete. It's a bear. If you'd turn all the lawyers To hard-working sawyers White songs for the Hicks. Are you there?"

The old-time pop, Bo, take me back to Georgia, I can hear those darkies call. I'd like to write, Those laws, all right, But the boy who keeps 'em singing is the boy who leads 'em all.

This popular, turkey-trotting music may be all right, but you can't sing the baby to sleep with it.

While speaking of the t. t. it might be well to remark that although the turkey trotter is to be condemned, the trottee deserves something better. She, as has been observed before, is more danced against than dancing.

All of which leads to this concluding gem. Don't scorn the Highlanders. They are more won against than winning.

COAST LEAGUE

Honors Divided. Los Angeles, May 25.—Venice and Portland divided honors in today's games, the Gondoliers clinching the morning game in a ninth inning rally, while the Beavers had apparently won with two runs in that inning.

STANDING OF THE CLUBS.

Table with 4 columns: Club, Won, Lost, Pct. Rows for Philadelphia, Cleveland, Washington, Chicago, Boston, Detroit, St. Louis, New York.

St. Louis, May 25.—Detroit won both games of the double-header from St. Louis here this afternoon, taking the first contest by a score of 3 to 1, and the second, 8 to 6. In the first game the visitors hit St. Louis' pitchers hard in the sixth and eighth innings and took advantage of the local twirlers' wildness and their teammates' errors.

In the second contest the visitors bunched hits in the earlier innings and scored almost enough runs to win. The winning run came in the eighth inning on Cobb's triple and Veach's single.

Manager Stovall played his first full game since he was suspended by President Johnson of the American league three weeks ago for his argument with Empire Ferguson. Scores: First game—R. H. E. Detroit, 3 7 11 2; St. Louis, 1 1 2 0 0.

Batteries—Willett and Stange; Levens, Allison and McAllister. Second game—R. H. E. Detroit, 8 11 3; St. Louis, 6 14 4.

Batteries—Lake, Zamloch and Stange; Hamilton, Stone and McAllister, Alexander, Argue.

Sox Are Defeated. Chicago, May 25.—Hard hitting by Cleveland, combined with poor fielding by Chicago, gave the visitors a topside game today, 8 to 1. Mitchell, though shaky once or twice, was effective, but none of the three local pitchers could prevent Cleveland hits when they meant runs. Russell, who began the game for Chicago, was knocked senseless by a pitched ball in the ninth inning. A fumbled grounder by Lord and Russell's muff of a pop fly in the fourth inning put Olson in a position to score on Ryan's single. Chapman's double followed by a sacrifice and Turner's hit gave the visitors one run in the sixth.

Score—R. H. E. Cleveland, 8 15 0; Chicago, 1 6 3. Batteries—Mitchell and O'Neill; Russell, Benz, Smith and Schalk.

MORMONS COME FROM REAR AND SCORE THEIR SIXTH WIN. Salt Lake, May 25.—After Helena had secured a lead of four runs in the second inning, Salt Lake came from behind and won the last game of the series today, 13 to 8, giving the locals five out of the six games played. Morgan started for Salt Lake, but was replaced by Gant in the second after he allowed Helena six runs. Gant lost his control in the eighth and was replaced by Hummel, who held the visitors hitless for the last two innings. Helena used four pitchers, but was unable to stop the Saints' hitting.
