

ONE WEEK IS LEFT OF BIG LEAGUE SEASON

BASEBALL SEASON OF 1913 RAPIDLY APPROACHES BRILLIANT CONCLUSION.

LEADERS POLISH TEAMS

Connie Mack and McGraw Preparing for Strenuous Battle which Will Settle Championship of World—Athletics in Far Better Condition, on Paper.

New York, Sept. 28.—A week more of major league play, a week or 10 days following to settle the world's championship and the baseball season of 1913 will have passed into history.

The last week saw the pennant contests in both National and American leagues settled beyond dispute and arrangements for the big series between the New York Nationals and the Philadelphia Americans completed.

The personnel of the two teams is not greatly changed from that of two years ago when the Athletics won the series. Experts generally figure a decrease in defensive strength by the Mackmen through the loss of Jack Coombs, and a corresponding gain by the Giants through the addition of Tesreau and Demaree to the box staff, while Mathewson and Marquand still remain to oppose Bender and Plank.

The Athletics' canny leader gave his veteran box men a good rest last week, Bender not showing once on the mound and Plank only for a few innings in one game.

McGraw Uses Stars. McGraw had to use out his string to clinch the pennant. Mathewson, Marquand, Tesreau and Demaree doubtless will be given just enough work the coming seven days to keep in condition for the big job ahead of them.

With a week of the season remaining, several contests for position in each major league remain to be settled. Chicago, in the National league still has a chance to overhaul Philadelphia for second place. The Pirates are settled in fourth place. The ultimate tenant of fifth position is likely to be decided in the series between the Braves and the Superbas the last of the week. Cincinnati, however, has a fighting chance to rise.

In the American league, Washington, after being beaten in a series by the Browns, took vengeance on New York, winning three straight and thereby getting a hold on second place, as the Clevelanders continued their slide and lost three games out of four. Boston and Chicago stood practically still and the fourth place contest still is an open one. Detroit has the sixth berth reserved for occupation till the end of the season, while it will take the last week of play to determine whether St. Louis or New York will be tail-enders.

The batting duel between Ty Cobb and Joe Jackson was watched with interest. Tyran officially went to bat 29 times last week and hit safely in 12 instances for an average of .500. Of the 12 hits, two were three-baggers and one a double. The fleet Detroit trooper also scored three runs and stole four bases. Jackson, on the other hand, had a poor week of it, hitting safely only four times in 14 times up, an average of but .286. However, he scored five runs in the

Upon Trainer and Captain Yale Depends for Victory Over Triumphant J. Harvard

New Haven, Conn., Sept. 28.—Although Harvard begins the football season of 1913 with what appears to be a great advantage over the other eastern universities, followers of the blue look forward to the year with considerable optimism.

Harvard now holds the championship and other material left over from last year, including older and heavier veterans. She has some new men who are going strong. Also an experienced and progressive coaching system. But in spite of all this, Eli looks to the unquestioned strength of this year's team to overbalance all of Harvard's apparent advantages.

Fortunately for Yale there is no longer a coaching problem, for probably no man has assumed the position of head coach with more solid support behind him than Howard Jones. Other sources of strength are Captain Ketcham, probably the blue's ablest leader in five years, and Trainer Mach. It is significant, too, that older heads will handle the team this year than has been the case recently, and that no man who has ever worn the "Y" will be without welcome at Yale field.

Yale, Harvard and Princeton will be usual for the big contenders for championship honors. Each of the three meets Holy Cross this season and by these games some line may be obtained by the experts on the relative merits of the three old rivals. The Eds will tackle the Worcester collegians Saturday. Harvard will meet Holy Cross until October 18 and Princeton will play the same team November 1, the Saturday before the game with Harvard.

Yale and Harvard will both meet Brown and the University of Maine. They will play Maine early in the season, Harvard opening its campaign against the New England team and the blue playing that aggregation a

week from Saturday. Yale will play Brown on November 7, the Saturday before the crimson meets the blue. These games, if Brown is up to the

form she has displayed on the gridiron in the last few years, will be hard frosts for the blue and crimson before their big games.

Only one of his hits were for extra bases—a three-bagger in Detroit on Saturday. Cobb's great week puts him far out in front and there is little doubt that the batting laurels of the season will go to him.

Speaker has been out of the Boston lineup lately and his average is likely to stand about as it is, probably ranking him third among the American league hitters. Lajoie finished another season well above the four games he played and stole two bases.

In the National there is a pretty fight between Daubert and Cravath for leadership among the regulars. Daubert having a slight advantage when the latest unofficial averages were compiled.

The veteran, Honus Wagner, bids fair to complete his seventeenth consecutive season as a 300 hitter as, since the last computation which gave him .500, he has been hitting at a .353 clip and the season has but a week to go.

MILWAUKEE WINS RAG.

Milwaukee, Sept. 28.—Milwaukee won its first pennant in the American association today when Clark's team defeated Louisville in the first game of a doubleheader, while Minneapolis is doubling to Columbus. Mrs. Agnes Havenor, owner of the team and widow of the late Charles S. Havenor, is the first woman in America to direct the affairs of a pennant winning club.

A regular human catapult is this husky young captain of the football team of the University of Pennsylvania. He's Youngie in name, young in years and young in experience as a football captain; but at Pennsy they have a lot of confidence in him, and believe he'll whip his team into winning form for the big games.

Naps Shut Out.

Chicago, Sept. 28.—The American league season in Chicago was brought to a close today when the local team shut out Cleveland, 1 to 0. Weaver scored the only run of the game. Lajoie fumbled his grounder in the sixth inning and after taking a wild throw to first, allowed Weaver to reach second. Lord grounded out and Weaver took third and scored on Collins' out. The game was a pitchers' battle between Cicotte and Falkenberg.

The visitors got but one man on third. Score: R. H. E. Cleveland 0 3 2, Chicago 1 3 0.

Browns Beat Tigers. Detroit, Sept. 28.—Veach's nuff of Agnew's high fly in the tenth inning enabled St. Louis to defeat Detroit today in a desperate pitchers' battle.

The score was 3 to 1 and neither team made a run until the final inning. Two left-handed recruits, Brown and Williams, pitched. Williams had the better of the duel until the ninth, when he weakened. Score: R. H. E. St. Louis 3 7 0, Detroit 1 6 2.

LEAGUE'S SEASON ENDS IN BLAZE OF GLORY

FINANCIAL SUCCESS ATTENDS EVERY CLUB IN NORTHWESTERN CIRCUIT.

Spokane, Sept. 28.—The Northwest league closed its season today with the Vancouver baseball team, the winner of the 1913 pennant. Vancouver went into the lead of the race on July 6 and was never headed.

Seattle, champions of 1912, broke badly in mid-season and were nosed out of second place by Portland. All clubs either made money or at least broke even on the season, it is reported. Seven Northwestern league players were sold for a net purchase price of \$17,300 and nine were drafted at \$1,250 each, making a total profit to the Northwestern clubs for the season in the development of players about \$29,000.

Charles Swain of Victoria made a record of 34 home runs this year. The Spokane club was sold in mid-season after losing money but, under the management of Mike Lynch, returned to the new owners a handsome profit.

The final official standings announced by J. Newton Colver, the league's official statistician, follow: Club Won Lost Pct. Vancouver 39 45 .460, Portland 36 42 .460, Seattle 36 42 .460, Victoria 31 49 .474, Tacoma 25 36 .438, Spokane 20 47 .418.

Unofficial figures indicate that Harry Meek, Victoria's veteran slugger, who led the league in batting in 1912, has been ousted by Carl Mays, the Portland pitcher, Mays' batting average this season being .370, while Meek batted .362.

Windup a Farce.

Spokane, Sept. 28.—Portland took the first game of a doubleheader from Spokane today, 10 to 2, and clinched second place in the league race and then turned the second contest into a farce affair, which was called in the fifth with the Indians in front, 6 to 1. In the first game the Colts hit Coveleskie and Douglass hard, while Spokane was unable to do much with the offerings of Callahan or Martinioli. The Portland and Spokane players shifted all over the field in the second game and pulled all kinds of horse play.

The fans crowded on the field to take part in the fun, but Empire Ostidie called the game. Scores: First game—R. H. E. Portland 10 13 2, Spokane 2 7 3.

Batteries—Callahan, Martinioli and Williams; Coveleskie, Douglass and Altman. Second game—R. H. E. Portland 1 6 7, Spokane 5 12 0.

Batteries—Miehle and Guigni; Altman and McCorry.

Champs Win Last Game. Seattle, Sept. 28.—Vancouver won the last game of the season here today from Seattle, 8 to 2. Seattle used three pitchers and the three allowed a total of 13 hits. Dell, who was touched for 10 of these, was taken out in the eighth when the visitors had six runs. Score: R. H. E. Vancouver 8 13 2, Seattle 2 9 2.

Batteries—Dell, Reardon, Schneider and Cadman; Clarke and Komick.

Snappy Finish. Tacoma, Sept. 22.—Tacoma and Victoria closed the Northwestern league baseball season here today by playing one of the fastest games in baseball history and establishing what is said to be a record for this league. They played a nine-inning game in 44 minutes. Although Victoria made eight hits, half of which were good for two bases, the locals bunched Millon's single and Fries' freak home run for two tallies in the fourth inning.

Score: R. H. E. Tacoma 2 3 0, Victoria 1 7 0. Batteries—Gilot and Kelly; Narveson and Brotten.

We remember, when a boy, how a porter on a Pullman seeking to entertain puzzled us by writing and asking us to read correctly the above jumble of words. Of course, anyone can read it readily once the key is found, the answer being, "I understand you undertook to overthrow my undertaking."

But here's good advice and the name of an article of attire that men in search of the best will do well to remember:

WEAR WOOL-WORTH

WEAR WOOL-WORTH UNDERWEAR—Because in no other brand will you secure so much real value, so much service or so much warmth and satisfaction. IT'S WOOL AND WORTH THE PRICE! You never see imitations of an inferior article, and you know the old saying, "Imitation is the sincerest flattery." Don't buy underwear that some dealers may tell you is just as good as WOOL-WORTH. Insist on seeing the label on each garment; if it's the WOOL-WORTH label, you're safe.

TO OUT-OF-TOWN CUSTOMERS. We, exclusively, control the production of WOOL-WORTH underwear and we in turn supply it to dealers. If you can't find it in your town, we will fill your order direct by parcel post and pay charges. Send for sample swatches showing quality, weights and colors.
