

### EPWORTH LEAGUES TO MEET HERE THIS MONTH

THE STATE CABINET OF THE METHODIST SOCIETY WILL GATHER IN MISSOULA.

The state cabinet of the Epworth leagues of Montana will hold a three-day session in Missoula, December 27, 28 and 29.

This annual meeting will be an important one to the young people of western Montana. The opening session will be held on Saturday evening with a get-together meeting and banquet in the parlors of the Methodist Episcopal church and under the auspices of the senior and intermediate leagues of that church. The meeting will call together the members of the Epworth league in Missoula and surrounding country and at the banquet the following program will be followed. (Speeches limited to 10 minutes):

"Welcome to State Cabinet," George A. Schattenburg, president of local chapter.

"State Contest of Epworth Leagues of Montana," Wray Andrews, state secretary.

"Place of Missions in Epworth League," Miss Helen McL. Mills, state second vice president.

"The Relation of the Epworth League to the Church," Dr. Charles D. Crouch.

"My Impressions of Montana Leagues," Dr. Edward Laird Mills.

"The Social Reform Work of the Epworth League," Judge J. E. Patterson.

The program for Sunday will be sunrise prayer meeting at 7; Sunday school session at 10; morning worship and sermon at 11; Junior league rally at 3 p. m., with addresses by members of the cabinet and Miss Jessie M. Bassett, state Junior league superintendent of the local Junior league. At 6:30 an intermediate and senior rally, the meeting to be in charge of the state president. At 7:30 a platform meeting in the main auditorium of the church with addresses by several of the state cabinet, this meeting in charge of the local president. On Monday an all-day executive session will be held. When plans and program for the state Epworth league convention, which will be held at Billings next June, will be arranged. At 8 p. m. a missionary rally will be held in the main auditorium. Miss Helen McL. Mills will deliver an address on the work of Miss Grace Clark, who is the league's missionary in Old Untal Rhodesia, East Africa. Miss Mills will use a lantern and give several pictures of Miss Clark and her work. The state officers are as follows: R. C. Smith of Butte, president; Wray Andrews of Helena, secretary; F. T. Hacker of Billings, treasurer; first vice president, Miss Louise Dodds of Dillon; second vice president, Miss Helen McL. Mills, Missoula; third vice president, Miss Francis Green, Kalispell; fourth vice president, Miss Letha Henderson, Moore; Junior league superintendent, Miss Jessie Bassett of Great Falls.

The motto of the state Epworth league is "Anywhere, So 'It's Forward," this motto being the one which prompted David Livingstone to penetrate the Dark continent.

### CHRISTIAN SCIENCE IS EXPLAINED IN LECTURE

LARGE AUDIENCE HEARS EXPOSITION OF THE SCIENTIST BELIEF BY A STUDENT.

An audience which filled the lower floor of the Missoula theater last night, heard Clarence C. Eaton, lecturer of the Church of Christ, Scientist, explain in a clear, concise manner the fundamentals of the belief of the church which he represents. Mr. Eaton reviewed the Biblical records of the creation, arguing that but one of them could be correct, and pointing out the errors in those which were not legendary. He defined the real life not as the body but as the consciousness, and cited the teachings of Jesus in support of this belief.

It is through the consciousness that error comes. Jesus taught that nothing which is taken into the body can defile it. Defilement must come from within. In the ministry of Christian Science the endeavor is to exemplify all that is possible for the human to comprehend and express of true character, even that concept of genuine love which Paul has so comprehensively embodied in the thirteenth chapter of First Corinthians. The beneficiaries of Christian Science extend to all classes without distinction as to nationality, rank or caste, and included in the scope of its teaching and practice the investigator will find a remedy for every undesirable condition to which mankind are subjected. In association, fellowship and conduct, Christian Science urges men to a strict observance of the golden rule, and that new commandment which the Master gave and which forms the basis of true brotherhood: "That ye love one another, as I have loved you." The promises of Christian Science are to be found in the scriptures as well as in the literature and practices. As these promises must all be fulfilled, the mission of Christian Science will not be completed until the earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea.

### MOTHER! IS CHILD'S STOMACH SOUR, SICK?

If Cross, Feverish, Constipated, Give "California Syrup of Figs."

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign his little stomach, liver and bowels are clogged with sour waste. When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.—Adv.

### MUSIC FESTIVAL

Goodly numbers of Missoula music lovers made up the crowds that attended each of the three performances at the Festival of Music which opened at the Empress theater as a Y. W. C. A. benefit last evening. From beginning to end the program is artistic and satisfying. The singing of the ladies who appear in quartet and duet numbers is brilliant, and the rich, baritone voice of De Loss Smith, whose solo last evening was "The Sword of Ferrara," won instant approval. The music is given in connection with the motion picture "Tannhauser," in three reels, one selection being sung at the finish of each section of the picture. Spectacularly effective is the singing by the quartet of "Indian Serenade" when the singers, Mrs. Simons, Mrs. Forbis, Mrs. Price and Miss Hughes, appear in Indian costume in the soft gleam of the campfire light. The duet numbers by Miss Margery Maxwell and Mrs. Price called forth as much enthusiastic applause as any other number of the program. The whole program is a rare treat. Opportunity to enjoy it will be given at a matinee and three evening performances today.

### HOME WITH PRISONER.

Sheriff Kelley came home yesterday from Salt Lake bringing Harvey Logan as his prisoner. Logan is wanted here on a charge of mayhem preferred by W. F. Egan, a local painter. Logan was arrested by Salt Lake officers at Sheriff Kelley's request. No action was taken in the case yesterday. Mr. Kelley says that Salt Lake is much excited over the hunt for the desperado. Lopez, and that one story given circulation there Tuesday was to the effect that Lopez had held up a miner in the mine and relieved him of his lunch box, candles, tobacco and matches.

### BILLY HOWE DIES ON OPERATING TABLE

CHAMPION BADGER DOG OF THE NORTHWEST A VICTIM TO ANESTHETIC.

Billy Howe is dead. Billy was the champion badger-fighting dog of the northwest. For years he officiated at the famous badger contests held by the Florence Hotel club and his record shows a batting average of 1,000. Perry Howe, who all these years was Billy's protector and friend, when Billy was not standing in loco parentis to Perry, is disconsolate. He had performed the Big-Brother act for Billy so many seasons that he is beyond the reach of ordinary consolation in his present bereavement.

Billy's death was tragic. He developed an ulcerated tooth and Perry sought medical and surgical assistance in his ministrations for the relief of Billy. It was decided to administer anesthetics and to extract the offending ivory. The assisting surgeon applied too much chloroform and Billy never waked up.

Billy was a yellow-and-white dog with the general traits and style of architecture of a terrier, but there were times when he manifested hunting instincts which led to a question as to the cleanness of his pedigree. But he was a fine dog whose only failing was an over-fondness for beer. This caused him to take on flesh during his later years and his physical condition probably had much to do with his weakness under anesthetic. He was very fond of Perry and had a grudge against everybody else. He and Perry held the angling championship of western Montana for 32 years.

### MOREAUX GOES FREE BUT IS REARRESTED

Butte, Dec. 11.—(Special).—A. T. Moreaux, the band promoter who is wanted by the Kansas City authorities, secured his liberty this morning on a writ of habeas corpus, but he was not allowed to leave the courtroom for Chief of Police Murphy immediately rearrested him and conveyed him to the city jail.

Moreaux, who was admitted to bail last evening, appeared before Judge Bohlen this morning a few minutes after 10 o'clock. Assistant City Attorney Davis presented to the court the return of the chief of police together with a fugitive warrant issued by Police Judge Bohler, showing that Moreaux was held awaiting the arrival of an officer from Kansas City on a charge of obtaining money under false pretenses.

### GETTING EVEN.

Pittsburgh, Dec. 11.—Further readjustment of transportation charges for employees of the Pennsylvania Railroad company was predicted here today when passenger officials let it be known that tickets for stopmen would expire December 31 next. Hereafter such tickets, 100 trips for \$5, have been sold to workmen in the company's shops, good for one year from the date of issue.

### GRANDMA NEVER LET HER HAIR GET GRAY

Kept Her Locks Dark, Thick, Glossy, With Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use tonic called "Wyeth's Sage and Sulphur Hair Remedy." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and after another application or two, your hair becomes beautifully darkened, glossy and abundant. You will also discover dandruff is gone and hair has stopped falling.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with "Wyeth's Sage and Sulphur" and look years younger. Miss Lou Drug Co., Agents.—Adv.

### NOSTRILS AND HEAD STOPPED UP FROM COLD? TRY MY CATARRH BALM

Instantly Clears Air Passages; You Breathe Freely; Dull Headache Goes; Nasty Catarrhal Discharge Stops.

Try "Ely's Cream Balm." Get a small bottle anyway; just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning the catarrh, cold-in-head or catarrhal sore throat will be gone. End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant balm dissolves by the heat of the nostrils, penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of choking, soothing relief comes immediately.

# The Bread Line

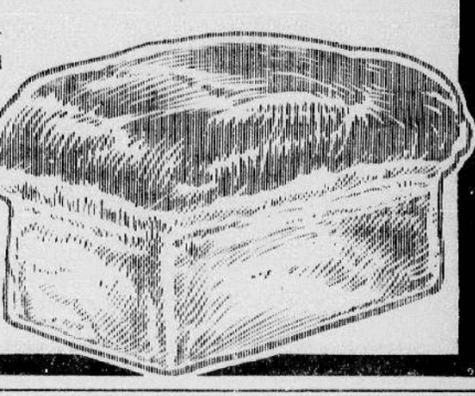

The bread line leads to a long path of jubilant health when the bread, pastry and other foods are made with

## Cottolene

This pure cooking fat is easily digested, and owing to its low melting point, produces foods of exceptional tenderness and lightness. Here is a recipe for delicious nut bread made without kneading:

The above is only one of many valuable recipes contained in our FREE Cook Book, HOME HELPS. Send for your copy, also order Cottolene from your grocer today.

### ODD FELLOWS PLAN BRAND-NEW SCHEME

LODGES USING ANNEX MUST VACATE AND CLUB ROOM WILL BE MADE.

The Odd Fellows of Covenant lodge have decided to establish a clubroom in their building as soon as possible. The rooms in the rear of the second story will be used for this purpose. These rooms have been known as the Odd Fellows' annex and are used by 11 other lodges as meeting places. Notice has been given to these different lodges to vacate as early as possible. As soon as they leave, the rooms will be remodeled for the purpose of the clubroom.

The steps have been contemplated for a long time. At Andrew Logan yesterday to a Missoulian reporter, "but now there has been no place where the lodges using the rear could find accommodations. Now there is more lodge room in the city than there was. The Masonic hall is a valuable part of the time; the Knights of Pythias have fine quarters which are not occupied all the time; I believe the Eagles' hall is not opened for every evening. So there should be no trouble in finding suitable meeting places for the lodges which will vacate the Odd Fellows' annex. We are anxious to get the clubroom started as soon as possible."

The newly elected officers of Covenant lodge are: George Clark, noble grand; A. R. Granger, vice grand; Sam Bell, secretary; Andrew Logan, treasurer. At the last meeting in December a trustee will be elected for a term of 18 months.

### CLUB CIGAR STORE

POPULAR RESORT FOR MEN.

MISSOULIAN HEADQUARTERS ALL PERIODICALS AND NEWSPAPERS FOR SALE

W. B. M'Laughlin Proprietor HAMILTON, MONTANA

### Ranch Mortgage Sale

A 388-acre ranch will be sacrificed at \$15.00 per acre; worth from \$25.00 to \$75.00 per acre; good water right; 60 acres first bottom excellent alfalfa land in cultivation; 160 acres first bench land, cleared ready for plow; balance of land can easily be cleared of second growth jack pine; good log house, barn and chicken houses; small orchard; Northern Pacific side track on ranch; siding used for flag station; good prospects for townsite; located five miles from good town; good schools; this can be developed into an exceptionally good hay, grain and stock ranch; this ranch is adjacent to a rich mining section in western Montana, about sixty miles from Missoula, where ranch commodities bring highest prices; there is unlimited range for stock; will require \$3,320.00 cash to handle; this is a rare opportunity for someone, and it must go quick.

### A BOOK FOR THE HOLIDAYS "FOLLOWING OLD TRAILS"

The series of stories which appeared in The Sunday Missoulian, under this caption is being collected in book form and is now on the press. It will be issued December 15. These tales of Montana history, most of which had never been published until they appeared in The Missoulian, form an interesting addition to any library. Every Montanan should have a copy of this work.

The book is illustrated with original paintings and drawings by E. S. Paxson, together with new photographs and some reproductions of old prints illustrative of the scenes described in the text. Special interest attaches to the production of this volume, as it is being published from The Missoulian printing office. Its workmanship is high class and mechanically and artistically the book is worthy of place in any library.

Advance orders have been placed, by subscription, for a large part of the edition. Orders may be placed now for delivery before December 20. The price of the book is \$2.50. Orders may be left at The Missoulian or mailed to

### JUSTICE COURT

Justice H. M. Small had a day of unusual activity yesterday. Frank Monfort was one of the offenders before him. He was charged with hunting without a license pleaded guilty and was sentenced to pay a fine of \$50. In default of this payment he was taken to jail.

J. W. Benton, charged with offering heavier skins for sale, pleaded guilty. This is an offense in which the justice court does not have final jurisdiction and Benton was bound over to the district court.

Hans Miller pleaded not guilty to petty larceny and his trial was set for 9 o'clock this morning. Miller is accused of stealing some brick.

Advertisement for Pinex: Money Saved by Making Your Cough Syrup at Home. Takes But a Few Moments, and Stops a Hard Cough in a Hurry.

Cough medicines, as a rule, contain a large quantity of plain syrup. If you take one pint of granulated sugar, add 1/2 pint of warm water and stir about 2 minutes, you have as good syrup as money could buy.

If you will then put 2 1/2 ounces of Pinex (fifty cents worth) in a pint bottle, and fill it up with the Sugar Syrup, you will have as much cough syrup as you could buy ready made for \$2.50. Take a teaspoonful every one, two or three hours. It keeps perfectly.

You will find it one of the best cough syrups you ever used—even in whooping cough. You can feel it take hold—usually comes an ordinary cough in 24 hours. It is just laxative enough, has a good tonic effect, and the taste is pleasant.

It is a splendid remedy, too, for whooping cough, spasmodic croup, hoarseness and bronchial asthma. Pinex is a most valuable concentrated compound of Norway white pine extract, rich in gualic and other healing pine elements. No other preparation will work in this formula. This plan for making cough remedy with Pinex and Sugar Syrup is now used in more homes than any other cough remedy. The plan has often been imitated but never successfully. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
