

USEFUL HOLIDAY SUGGESTIONS

By all means be a "SPUG" when selecting gifts for men. Give useful, practical gifts, gifts of quality, and your efforts to make "his" Christmas a merry one will be crowned with success. Things to wear, to add to a man's comfort and ease are by far the best gifts possible to buy for men, and the place to buy them is where nine out of ten men would naturally go to make selections if buying for themselves--THIS STORE, by all odds. Our clothing department is now a Great Christmas Bazaar of things particularly suitable for fathers, husbands, brothers and boys generally. Great, broad comprehensive stocks affording the widest variety for choice, everything of a quality and character that makes it most acceptable; everything priced on a basis that adds pleasure to buying.

Pretty Gift Boxes Free

Fancy Christmas boxes add so much to the attractiveness of even a small or commonplace gift, and so enhance its value in the recipient's mind that one should not overlook our offer to furnish **WITHOUT CHARGE** fancy boxes for gloves, hosiery, neckwear, mufflers, suspenders, handkerchiefs and many other articles selected from our holiday showings, so when you buy here you get not only the best merchandise and best values, but goods done up in most gift forms.

Safety in Shopping Here

Our policy of permitting exchanges to be made of gifts that perchance may be duplicated or otherwise fail to please, is another advantage this store presents to holiday shoppers and makes gift-buying here absolutely safe.

GIFT BONDS

These relieve the giver of many perplexities. Gift Bonds are sold in any denomination and are redeemable in merchandise of the recipient's own choosing at his pleasure as to time.
