

MISSOULA FANCIERS WIN A BIG VICTORY

Tripp, Willard, Bisbee Brothers and Other Local Breeders Carry Off Honors in Some Big Classes at Poultry Show—Interest Increasing in State Exhibition.

BANQUET AND ELECTION.

It was decided yesterday to hold the chicken show banquet and the annual meeting of the Montana State Poultry association for the annual election of officers at the Palace hotel Friday evening.

Missoula fanciers, owners of some of the heavier classes of chickens, won a sweeping victory over breeders from other sections here yesterday. It was the second day of the show, and it was a day of special interest throughout.

The general interest in the show increased yesterday. At the close of the day the record of attendance was 50 per cent above that of the first admission-free day last year.

The show management met with one disappointment yesterday. The premium ribbons, which were ordered last December, have failed to arrive.

Yesterday's Awards. Judge Holden and Judge Greenfield made splendid progress with their work yesterday, and the judging of some of the heavier classes at the show was finished.

Single Comb White Leghorns. Pen—C. A. Greenfield, Butte, first; Cecil Day, Helena, second; J. W. Murey, Jefferson, third; Dr. Stevenson, Butte, fourth; David Sullivan, Stevensville, fifth.

White Plymouth Rock. Cock—H. H. Cheney, Belgrade, first; Roy Wilbur, Missoula, second; P. S. Pease, Spokane, third; C. Pittman, Coeur d'Alene, fourth. No bird qualified for fifth place.

Cockerel—C. Pittman, first; C. L. Gill, second; F. Hollenbeiner, third; H. H. Cheney, fourth; P. S. Pease, fifth.

Single Comb White Orpington. Cock—Mrs. George Hopworth, first; F. C. Bula, second; D. J. Anderson, third. No birds qualified for fourth and fifth places.

White Wyandotte. Cock—C. Pittman, first; Bisbee Brothers, second, third and fourth; W. H. Loran, Stevensville, fifth.

Barred Plymouth Rocks. Cock—Henry Tripp, first, third and fourth; Asa Willard, second; Dave Lager, Helena, fifth.

Roy R. Wilbur, one of the newest breeders of the local association, saved the day yesterday when his beautiful Plymouth Rock cock captured second place in the scoring of that class.

Pen—Henry Tripp, first, second, fourth and fifth; Mrs. Tabor, third. Pen—Henry Tripp, first and second; Dr. Willard, third; A. M. Brandenburg, fourth; Mrs. Tabor, fifth.

Rose Comb Rhode Island Reds. Cock—B. Noel, Helena, first; John Voss, Florence, second; George McGee, fourth. No bird qualified for fifth place.

Cockerel—N. W. Brown, Medicine Lake, Wash., first and second; Oscar Nelson, Coeur d'Alene, third; B. Noel, fourth; W. J. Adams, Butte, fifth.

Wishbones and Drumsticks. "See this bird, lady? If you can find another one in this whole show with saddle feathers as long as that, we will make you a present of him right now."

These are excerpts from the language of Jack Heifrich, who is associated with Tyler Thompson this year in showing a fine lot of White Leghorns at the show.

The most natural sight at the show room yesterday was Henry Tripp and his big exhibit of 50 Barred Plymouth Rocks of the famous Blue Jacket strain.

As a judge of chickens the colored man has long held his place at the top of the list. The instinct has been developed in the race to a very high degree.

It was somewhat of a surprise to see a pen of chickens, four pullets and a fine cockerel, White Leghorns, entered in the name of the Vienna cafe.

Because there has been such a rush every minute since the show opened no one took time to check up the number of birds entered by the various exhibitors and to compare notes.

URIC ACID IN MEAT CLOGS THE KIDNEYS. Take a Glass of Salts If Your Back Hurts or Bladder Bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their effort to expel it from the blood.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste, get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys will then act fine.
