

"MUST I BUY CATALOGUE TO WIN PRIZE?" IS QUERY AND THE ANSWER IS, "NO"

Players in the Game of Song and Story Can Solve the Pictures Any Way They Desire—List of 5,000 Titles Merely Offered As Aid.

The Song and Story editor has been asked if it is necessary for players to buy catalogues to win prizes in the game. The answer is: "No!" The catalogue and the listing book have been issued by this paper merely to help the players in their efforts to solve the pictures. There is no obligation to buy anything. A person can play the game without getting a catalogue and without getting a listing book and be fully eligible to win a prize in gold.

OFFERED WITHOUT OBLIGATION.

These two books have been published by this paper to help those players who feel that they stand better chances of winning if they have them. The catalogue, with its 5,000 song and book titles, and the listing book, with its twelve free answers to pictures, are valuable to many. Hundreds are buying them and say that the books help them greatly, but no player or reader is OBLIGED to buy either book.

OFFICIAL LIST OF ANSWERS.

The catalogue is the official list which contains all the correct answers to the pictures. Players who use the catalogue search through it for likely titles to pictures they are trying to solve. They know that if they do not find a certain title in the catalogue, that title cannot be the correct answer to that picture.

The catalogue will be accepted by the judges of the game; the men who are to make the awards, as the final proof. They will make their awards according to the catalogue. That is, they will give the prizes to the players who have correct answers, according to the titles as printed in the catalogue.

It must be remembered that when the time comes for players to turn in their lists of answers, priority will have nothing to do with the awards. There will be a stated period in which answers may be turned in. During that period, the last list of answers will stand equal chance with the first list received.

TO EXCLUDE HINDU AS SOP TO WEST SEABOARD

CONGRESS WILL COMPROMISE WITH PACIFIC COAST BY BARRING ONE NATION.

Washington, Feb. 15.—Representative Burnett of Alabama, chairman of the house committee on immigration, predicted tonight that as a compromise on the Pacific fight to exclude Japanese and all other Asiatics, congress, at this session, would enact legislation to bar out the Hindus.

"Whether the immigration committee will go further than that I do not know," Mr. Burnett said, "but there is no gentlemen's agreement or favored nation arrangement with Great Britain so far as the Hindus are concerned. There ought to be prompt legislation to nip in the bud any steamship arrangements to bring over an extraordinary number of Hindus, a project which the immigration bureau once discovered and foiled."

Representative Baker of California and other Pacific coast representatives still insist upon legislation for general exclusion of Asiatics. Representative Church of California, who on Thursday will urge the immigration committee to report his bill to exclude the Hindu laborers, said tonight he believed the committee would favorably report the measure and that there was no question as to the house passing it.

Chairman Burnett said he was confident the president would not veto his immigration bill now before the senate committee because of the literacy test. He asserted that stories of a possible veto had been started for the purpose of influencing the vote on the measure in the senate.

GORE WILL APPEAR IN OWN BEHALF TODAY

SENATOR TO TAKE STAND IN DAMAGE CASE, IT IS EXPECTED THIS DAY.

Oklahoma City, Feb. 15.—United States Senator Thomas P. Gore of Oklahoma is expected to take the stand as a witness in his own behalf tomorrow in the \$50,000 damage suit instituted by Mrs. Minnie E. Bond, who charges the senator attacked her in a Washington hotel March 24, of last year.

Senator Gore's testimony, it is understood, will complete the evidence of the defense. It is expected that the argument will begin Tuesday, James R. Jacobs, in whose room at the Washington hotel the indignities are alleged to have occurred probably will testify for the plaintiff in rebuttal.

Neither side has any announcement to make regarding its plans. Senator Gore spent the day receiving callers and in the evening was a guest at a dinner party.

Mrs. Bond alleged that Senator Gore attacked her while the two were in conference with regard to the appointment of her husband, Julian Bond, to a federal position.

Virtually all the witnesses for the plaintiff admitted they were disappointed seekers of political patronage.

WARMTH AND RAINS ARE UNCLE'S GUESS

WEATHER BUREAU PREDICTS DELUGE COMMENCING EARLY IN COMING WEEK.

Washington, Feb. 15.—All sections of the country except the Pacific slope will be hit fast in Jack Frost's grip until after Tuesday, according to the weather bureau's bulletin issued tonight.

There will be a change to higher temperatures the middle of the week. "On the Pacific slope," said the weekly bulletin, "temperatures will average near or above the normal during the week. East of the Rockies the weather will be fair in the next several days except local snows are probable Monday and Tuesday on the great lakes, the upper Ohio valley and the north Atlantic states.

"The next storm of importance to cross the United States will appear on the north Pacific coast; Tuesday and it will cause general rains in the Pacific states for several days. This storm will cross the great central valley Thursday or Friday and the eastern states near the end of the week; this disturbance will be preceded by a general change to warmer weather east of the Rocky mountains and it will be attended by snow in northern and probably rains in the southern states. There are no indications that this disturbance will be followed by a cold wave."

HAMILTON FIGHT BUGS WOULD TACKLE MAURICE

Hamilton, Feb. 15.—(Special).—Since the Cantway-Carroll bout here Wednesday evening there has been considerable talk concerning a possible encounter between Cantway and Maurice Thompson of Butte.

Many of Cantway's friends from the lower part of the valley are ready to bet money that the "Bitter Root Kid" can clean the Butte scrapper. Officers of the local club broached the subject to Cantway the day following the match here but were unable to get much of a declaration out of the Florence scrapper. He declared that he was not ready to talk about another match so soon after his fight with Carroll. Many here feel that Cantway is none too anxious to get into the ring with Thompson, who would outweigh him several pounds. At that the Florence boy ought to be able to make the Butte man step a lively pace.
