

RAILROADS OFFER ANNUAL BARGAINS

Announcements of Special Excursion Rates Attract Attention—Local Railroad Notes of Interest—Deer Lodge Railroaders Are Busy.

The season of "special sales" has opened with the railroads. With the "greatest stock of goods, all the very latest and newest spring models" on hand, announcements are being made daily now concerning cheap fares, excursions and round-trip rates. The roads expect big crowds, if the active inquiry at the ticket windows means anything, and are prepared to make quick deliveries to all points where the bargain prices apply.

"Extra Specials."
The latest "extra specials" were announced by Agent Taverner of the Milwaukee yesterday.

For the Inland Empire Teachers' association meeting, to be at Spokane April 15 to 17, there will be excursion rates of the certificate plan. These tickets will be good for return home April 23.

For the Montana Sunday School convention to be at Anaconda April 28 to 30, the same plans have been made. Tickets will be good for return trip May 1.

For the stockgrowers' meeting to be held at Miles City April 21 and 22, round-trip excursion tickets will be displayed in a most attractive manner with price tags showing an open rate of \$30.20, return limit April 24.

The special on regular summer tourist tickets will open May 4 and continue day and night until May 6.

Secretary William C. Redfield of the Seattle Chamber of Commerce will be a passenger on train No. 16 of the Milwaukee this morning. Mr. Redfield is on his way to Chicago on matters of business for his organization. All along the line he has been giving out some wonderful news of the northwest. He expected to get some new pointers from Colonel Ferguson of the local chamber in Missoula, but the hour of his arrival here will probably be too early for him to be ready to grant an audience.

George H. Clark, assistant ticket agent for the Milwaukee, spent yesterday on business at St. Reids.

G. S. Cooper, district baggage agent for the Milwaukee, left last night for a trip to Seattle on business in connection with his department.

The Milwaukee experienced a little trouble yesterday with slides through the Bitter roots. The rain in the mountains has been melting the snow and loosening the dirt and rocks on the slopes and several bunches slid down yesterday. However, nothing serious was reported and no delays of consequence are anticipated.

MILWAUKEE'S MEN BUSY AS BEES

Deer Lodge, April 2.—(Special.)—Machinist Joe McGreen left Monday evening for Butte, where he will join the ranks of "Ducky" Holmes' ball tossers of the Union association. Joe is to be given a tryout with the team at Provo, Utah, and if he will make half the shooting he is sure to secure a berth. For a while this spring Joe was expected to become a part of the new Federal league, but the fact that Butte offered him the first contract caused him to join the Union association. McGreen is a real phenom and plays a splendid infield position. His long suit, however, is with the stick. While at Deer Lodge last summer he battled against some of the best independent pitchers in this part of the state and his percentage was in the neighborhood of 50 per cent.

THE REASON FEWER PEOPLE TAKE "SALTS"

We find the use of salts and other harsh physics is becoming less every year because more and more people are using Rexall Orderlies, which we and they firmly believe to be the best about remedy ever made. They taste so much like candy that even the children like them. At the same time they act so easily and naturally that there is no purging, griping or pain. They promptly remove the constipation and, by soothing and strengthening the bowels, make it less liable to occur again. We have the utmost faith in them. We know what they are made of and the pleasant, beneficial results that always follow their use.

You needn't take our word for it. If Rexall Orderlies don't help you—if they don't entirely relieve all your bowel troubles—come back and tell us and we'll give back your money. Invest pocket tin boxes; 10c, 25c, 50c. You can buy Rexall Orderlies only at The Rexall Stores, and in this town only of us.
