

REPORT OF BOARD SHOWS GOOD RESULTS

NORTH PACIFIC FRUIT DISTRIBUTERS MADE A GOOD RECORD LAST YEAR.

Spokane, May 13.—(Special).—At the first meeting of the board of trustees of the North Pacific Fruit Distributors today, which as a matter of fact was the old board in personnel, all of the officers who had piloted the big growers' central selling agency through its initial year were re-elected and J. H. Robbins, the general manager, was re-appointed. The officers are H. F. Davidson, Hood River, Ore., president; W. N. Yost, Meridian, Idaho, vice president, and H. C. Sampson, Spokane, secretary. All members of the board of trustees whose terms had expired had been re-elected by their respective district or sub-central organizations.

Formal announcement was made today that a Portland headquarters of the distributors would be opened immediately to facilitate the handling of the fruit of western Oregon, including the Hood River district, Wilmer Sler, the distributors' sales manager at Hood River, being placed in charge. The locals already affiliated, which will be tributary to this office, are at Salem, Corvallis, Sutherlin and Roseburg. Meetings held at Ashland, Medford, Grants pass and Forest Grove will undoubtedly result in the authorization and formation of affiliated locals there. It is considered probable that two sub-centrals will be established in western Oregon outside of the Hood River district. Making ten sub-centrals in all.

The Portland headquarters, because of its proximity, will handle a large part of the business which went through the Hood River sub-central office last season.

An enormous volume of business was transacted by the growers' organization and their co-operative marketing plan was placed on a substantial business basis during 1913. General Manager Robbins' report showed that the distributors handled 3,568 cars of fruit and 1,125 cars of potatoes, realizing an aggregate price of \$3,069,935.51. Of the total shipments 3,234 cars, or 83 per cent were delivered on an f. o. b. basis, this being the policy of the distributors.

ROSE THE INFORMER ACCUSED OF CRIME

DEFENSE OF BECKER IS THAT HE IS THE VICTIM OF A FRAME-UP.

New York, May 19.—(Special).—A testified today for Charles Becker in an effort to prove the former police lieutenant was the victim of a "frame-up" hatched by "Bald Jack" Rose, the informer, as a means of saving himself and his companions, "Bridge" Webber, Harry Vallon and Sam Schepps, from being placed on trial for the murder of Herman Rosenthal, the tondertoin gambler. The defense

probably was one-third completed when court was adjourned until tomorrow.

Rosenthal, the defense is trying to prove, came to his death as the result of a gamblers' war. Several of the defense's witnesses were used to discredit testimony offered by Rose, Webber and Vallon, to show that Webber had repeatedly expressed sorrow for having taken part in the "frame-up," and that on many occasions he had said Becker had nothing to do with the murder.

Mrs. Becker may testify tomorrow. The defense expects to close its case before Thursday night.

TRADING IS LIGHT AND METALS PRESSED

UNION PACIFIC IS ALSO ATTACKED FREQUENTLY DURING THE DAY.

New York, May 19.—Trading except for the first and last hours was on a very limited scale. Union Pacific, Canadian Pacific and the metal shares were frequently under pressure. Chesapeake & Ohio and Missouri Pacific were weakest of the active rails. Another gold export—\$2,000,000 coin to Paris—hardening of time and call loans and the probable issue of a large mortgage by the Northern Pacific railway were features of the monetary situation.

Bonds were irregular. Rock Island showed weakness, while Wabash advanced materially. Total sales, par value, \$2,400,000.

United States bonds were unchanged on call.

BAD MAN FROM PEN CHEWS THUMB OF CHUM

ONLY ONE DAY OUT OF PRISON, H. C. RAWLAND IS IN FAIR WAY TO RETURN.

Drummond, May 19.—(Special).—H. C. Rawland, an ex-convict, released only this morning from the penitentiary at Deer Lodge after serving a year, was taken to the train by Deputy Warden Holland, given a suit of clothes and \$5, with a ticket to Garrison. At Garrison he spent his money, got drunk and fell in with a hobo, with whom he beat his way to Drummond on No. 3. At Drummond Rawland tried to induce his new friend to steal a can of cream from the railway station platform. The hobo refused. Rawland then attacked him with a lump of coal and a fight ensued. Rawland chewed the thumb of Kasper, his companion, before he could be pulled off. He was arrested and held for trial.

(From Judge.) I saw a sight this morning That made my fancy fly Back o'er the years, in visions Of blissful days gone by. 'Twas but a tiny symbol, But, oh, how it did grip! A bow of gauzy ribbon Tied on a buzzy whip.
