GOOD ADDRESSES MADE AND MUCH ENTHUSIASM IS MANIFESTED.

Hamilton, June 6.—(Special).—One of the most spirited and best attended meetings ever held by the progressive club of Hamilton was throughly enjoyed by 50 progressives of Hamilton last evening at the chamber of commerce building. Returns were made by the membership teams selected some time ago, and it was found that W. B. McLaughlin's squad defeated C. M. Parr's squad. The two teams turned in the names of 20 new members, which put the club on a much stronger basis. Following talks by Representative Charles McRae and Professor N. J. Lennes of the University of Montana, sandwiches and coffee and cigars, all of which were plentifully made, were served and thoroughly enjoyed by those present.

Representative McRae spoke briefly on the condition of the progressive party in Ravalli county, and then gave way to Professor Lennes. The university man made an earnest, convincing argument for progressive principles, his remarks showing that he has been a diligent student of political questions. Mr. Lennes pleaded with his audience to make the fight of their lives at the coming election, as the battle is to be a close one.
