

NEWS OF THE RAILROADERS IN MISSOULA AND ABROAD

Accident on Milwaukee at West End of Missoula Division Results in One Death—Three Others, One a Woman, Are Injured—Train and Handcar Mix.

One was killed and three were injured in an accident that took place on the Milwaukee railroad near Falcon, Idaho, about 10 o'clock last night. The dead: RODAK BALLES, a section laborer of the company. Instantly killed. The injured: NOREN BALLES, brother of the dead man. Extent of injuries unknown. DAN SMITH, laborer, one arm and one leg broken. MRS. DAN SMITH, wife of Dan Smith, cook for building crew; minor injuries. The accident happened just as the caboose of a work train, backing through tunnel No. 27, east of Falcon, emerged from the bore and struck a handcar of laborers. Balles was one of those on the handcar and was killed instantly when the crash came, his brother being injured at the same time. The caboose was derailed by the handcar and rolled down an embankment. Mr. and Mrs. Smith were in the caboose. Smith is employed in a crew of the building and bridge department at Adair and his wife is a cook for the same crew. The scene of the accident is about 115 miles west of Missoula and the details received here were very meager last night. The exact condition of the injured was not known. Passenger train No. 17 happened to be within a stone's throw of the scene of the accident and the injured were taken on board and hurried to the hospital at St. Maries, Idaho. Luckily there was a doctor on this train and he gave the injured immediate attention. Pioneers Home. Ticket Agent H. H. Tavenner, Chief Clerk Harry Nelson and wife and most of the other delegates who went from Missoula to attend the annual meeting of the Milwaukee Pioneers at Seattle this week, arrived home yesterday. All were enthusiastic about the trip by special train, the entertainment provided by the Seattle pioneers and by the general results of the gathering. In speaking of the meeting Mr. Tavenner said: "We realized more than our fondest expectations of a joyous trip and a happy session. From the time we boarded the special train here until the session closed Wednesday night all of the delegates had a thoroughly delightful and profitable time. The session brought into closer acquaintance and sympathy 500 of the employees of the western extension of this road and the effect can not help but be beneficial. Upon reaching Seattle we found arrangements made for a boat trip about the sound, this including a stop at Bremerton, the government navy yard, where we had a chance to visit the battleships Oregon, Colorado and Milwaukee. That night we had a banquet at the Knights of Columbus hall that was a big affair. A fine musical program was furnished and some vaudeville stunts were pulled off during the feast. There were informal speeches and the hour was early the next day before the session adjourned. "At the business session next morning there was an interesting race made by Spokane, Missoula, Miles City and Great Falls for the honor of entertaining the convention in 1915. Spokane won by a few votes, Missoula being the second choice of the convention. In the election of officers, W. P. Warner of Spokane, assistant general freight and passenger agent, was the choice for president. E. H. Foster of Deer Lodge was re-elected secretary-treasurer and your humble servant was made second vice president. "One of the interesting hours of our stay was when the Port automobile company came after us in autos and took us to the factory. There we saw the various parts of an automobile started in the "chute" and watched each step as these grew into a com-

pleted machine in just 40 minutes. Then we were taken for a ride over the 60-mile boulevard about Lake Washington. This annual meeting of the pioneers proved a mighty fine experience for every delegate in attendance."

Tunnel Re-railment. The Northern Pacific had a mixer in tunnel No. 7, this side of Iron Mountain on the Wallace branch, yesterday that did considerable damage. As the train was passing through the short bore a leading stake, it is thought, caught on the side of the tunnel and was ripped out, allowing the load of lumber to slide from the car and cause a derailment. It required considerable time to clean out the hole and put the track in order again.

Fourth of July Rates. Tickets purchased under schedule "C" by those coming to Missoula to celebrate July 3 and 4, will be good on North Coast Limited trains of the Northern Pacific. Yesterday the following instructions slaughtering this "C" schedule were received from A. M. Cleland, general passenger agent: Referring to tariff "C" No. 1270 authorizing Fourth of July fares for the season of 1914. Tariff referred to above provides that tickets will not be good on the North Coast Limited trains and that each coupon and contract must be so endorsed. Since that tariff was issued it has been decided that tickets issued on account of Fourth of July will be good on North Coast Limited trains between points at which

these trains are scheduled to stop and it will not, therefore, be necessary for you to endorse tickets. "Not good on North Coast Limited trains." You can advise passengers that these tickets will be good on those trains. Where agents have a supply of printed tickets which are endorsed "Not good on North Coast Limited trains" they can advise passengers that tickets will be honored on those trains irrespective of the endorsement referred to. Superintendents will issue instructions to conductors, in regard to honoring these tickets on trains 1 and 2.

Woodworth Goes West. J. G. Woodworth, second vice president of the Northern Pacific, passed through Missoula yesterday on train No. 3, on his way to the coast. W. H. Merriman, division freight and passenger agent of West, accompanied Mr. Woodworth west as far as Missoula. Mr. Merriman spent the rest of the day calling on friends here.

To Yellowstone Park. Ticket Agent Johnson of the Northern Pacific yesterday received a new tariff announcing a rate of \$51.75 from Missoula to Yellowstone park and return for the excursion to the park this year. This fare includes the six-day trip through the park with stops at the hotel. Tickets will be on sale here so that passengers can leave on train No. 42, August 2, or train No. 4, August 3. The half-fare ticket for the trip from Missoula is \$23.15. The cheap rate is to be in force from all Montana points for this excursion.

UNIVERSITY CHAPTER OF COUNTRY LIFE ASSOCIATION

AT MASS MEETING OF SUMMER SCHOOL STUDENTS NEW ORGANIZATION IS BORN.

At a mass meeting held by the students of the university summer school yesterday, was organized the university chapter of the Montana Country Life Educational association. This association was organized during the summer school session last year and now has a membership of more than one thousand. There were 50 men and women present at yesterday's meeting and the university chapter promises to be a sturdy and helpful auxiliary to the state association. Officers of the newly-formed chapter were elected yesterday as follows: J. H. Nevins of Sidney, president; H. Lamb of Laurel, vice president; E. C. Peipho of Absaroka, secretary. A committee was appointed to draft constitution and by-laws and a report of this work will be presented for ratification at the next meeting scheduled for July 9. At that time President J. H. Holste of the state association will be present. It is hoped that chapters of the association can be organized in every summer school of the state this season.

The Theaters

Bijou. An entire change of program will be celebrated today at the Bijou theater, of vaudeville acts there are two, Tris Mack and sister, classy entertainers in comedy songs and novelty tango dancing, and Pearl Rosenthal, comedienne and accordionist, will appear in an all-new comedy character and musical act. A two-part romance of the mountains, a special Kaleid feature, entitled "The Barrier of Ignorance," and another of those screamingly funny Edison comedies, "The Tango in Truckerville," will be shown on the picture program. The musical program by the Bijou orchestra will be another feature of today's program. Empress. Two of America's most popular photoplay artists, Irving Cummings and Flo La Badie, will be seen in a charming two-part Thanauser feature, "Out of the Shadows," at the Empress today. The two-part picture, pleasantly sentimental and poetic, is full of typically Thanauser atmosphere and draws for us the trials and something of the triumphs of an actor's life. Opening, it shows a young actor, with his wife and baby, en tour. The wife
