

NEWS OF THE RAILROADERS IN MISSOULA AND ABROAD

ABLE CHIEF CLERK OF MILWAUKEE TO LEAVE

HARRY NELSON WILL GO TO HIS HOME IN MICHIGAN THERE TO RECOVER HEALTH.

Harry Nelson, who for the past year and one-half has been chief clerk in the office of Superintendent Willard of the Missoula division of the Milwaukee, has resigned his position and will leave the first of next week for his home in Fremont, Mich. where he will take a vacation until spring.

Mr. Nelson has been in poor health during the past six months and he believes a change of altitude and climate will be beneficial to him.

Mr. Nelson will be succeeded by H. E. Foster, who comes to Missoula from the office of the chief engineer of the Milwaukee at Seattle. Mr. Foster arrived this afternoon and will be instructed in the work by Chief Clerk Nelson tomorrow.

There is not a man on the Missoula division, from Superintendent Willard to the humblest section hand that knew him, that does not regret the departure of Harry Nelson. Always competent, obliging, courteous and cheerful, he made friends quickly and kept them long.

The best wishes of Mr. Nelson's friends go with him and all hope that his recovery of health will be quick and complete.

"TANGO CARS" ARE THE LATEST THINGS IN RAILROADING AND DANCERS LIKE THEM

Answering the demand for dancing through every waking hour, many of the railroads that send luxurious through trains out from their terminals here have now arranged to turn their dining and observation cars over to the trottlers. By folding away all furniture and turning on a phonograph, it is said to be possible to make such cars better dancing places than many a cabaret.

Also, the porters and waiters on the dining cars are objecting to the dancing on board train as it keeps them up most of the night and they are compelled to work nearly 24-hour shifts.

RHOADES' PLATFORM For Sheriff

At the primaries next Tuesday I ask the support of every man who desires an economical, energetic, four-square administration of the sheriff's office. When nominated and elected I promise to conduct the office in exactly that manner.

I ask you to look up my record as mayor of Missoula. Then, I know you will agree with me that for the first time in Missoula's history her expenses were kept within her income.

I speak advisedly when I tell you I can reduce the expenses of the sheriff's office without in any way impairing its efficiency. I pledge you to do this. I regret that I can not meet each of you face to face and tell you just how and where this can be done.

I want to say, also that my administration of the office will be solely in the interest of the whole people. No favoritism will be shown. No pets will be protected, no criminals allowed to "evaporate," no arrests will be made for effect, no expenses will be incurred except where absolutely necessary.

I want to say further that in the future, as in the past, my office will always be open to hear complaints and to listen to suggestions. I do not know it all. I want to be your sheriff. I want you to have a voice in the conduct of my office.
