Corn Comes Off as Easy as You Please?
"Gets-It" Being Used by Millions!
It is the first time that a real, sure-as-fate corn cure has ever been discovered. "GETS-IT" is the new corn-

Find the Lady Who Uses the World's Greatest Corn-Cure, "GETS-IT."
ender, based on an entirely new principle. It is a new, different formula, never successfully imitated. It makes corns shrivel and then vanish. Two drops do the work. You don't bundle up your toe any more with sticky tape and pasters that press down on the poor corn-no more flesh-eating saives that don't "stay put," no more carving at corns with knives or razors, no more bleeding or danger or oiled poison. No more limping around for days with sore corns, no more corn pains.
"GETS-IT" is now the biggest selling corn cure in the world. Use it on any hard or soft corn, wart, canus or bunion. Tonight's the night.
"GETS-IT" is sold by druggists everywhere, 25 cents a bottle, or sent direct by E. Lawrence & Co., Chicago.
"GETS-IT" is sold in Missoula by Geo. Fleisheimer.-Adv.

To Peel Off Freckled, Tanned or Muddy Skin
To remove tan, muddiness, freckles, blotches or any complexion difficulty, the best thing to do is to remove the skin itself. This is easily, painlessly and inexpensively done by the application of ordinary mercurized wax, procurable at any drug-store. The wax peels off the defective outer skin, a little each day, gradually bringing to the surface a new, clean, unblemished and the face breathes in the life-giving oxygen. The new skin is beautiful, soft, clear and white, bearing the healthy glow of youth.

Just apply the wax as you would cold cream, only not rubbing it in. In the morning wash it off with warm water. It's the most effective treatment known for a soiled, discolored or aged complexion.-Adv.
