MAN AT THE HELM GOES TO BURY GRIEF

PRESIDENT, ON HIS VACATION, PLAINLY SHOWS EFFECTS OF WIFE'S DEATH

Windsor, Vt., Aug. 28.—President Wilson, who came here this afternoon to begin his first vacation of the summer, spent tonight at "Harkenden house," with his family, celebrating the birthday of his daughter, Mrs. Francis B. Sayre.

Despite the efforts of all members of the family to make the occasion a happy one, the recent death of Mrs. Wilson could not be forgotten.

The people of Windsor and of the little village of Cornish, N. H., across the Connecticut river, respected the president's recent grief, by remaining in the background, but American flags decorated many of the Windsor homes in his honor.

During his stay here the president plans to devote his mornings to golf and his afternoons to long automobile rides. He was reluctant to play golf, but Dr. C. T. Grayson, his physician, has informed him that his health requires exercise.

NOMINATIONS STILL IN DOUBT IN STATE

WHETHER PARSONS OR McCORMICK WILL RUN FOR CONGRESS IS TO BE DETERMINED—RETURNS ARE SCATTERING

Helena, Aug. 28.—(Special.)—The official canvass of the returns will be finished today in practically all of the counties of the state, and as soon as completed the complete results of the primaries will be available.

So careless were the judges of election and so unfamiliar were they with the law which requires the posting of the result at each precinct that in many counties the state nominations are still in doubt, while in numerous instances the official canvass will be required to determine legislative nominees.

The second place on the republican congressional ticket was still in doubt late last night and it is not probable that the contest between H. H. Parsons and W. J. McCormick, both of Missoula, for this nomination, will be determined until official canvass is had. Scattering returns yesterday again put Parsons a few votes in the lead, but the McCormick supporters are confident that when the Silver Bow county returns are all in the nomination of Mr. McCormick will be assured.

Progressives in Blaine. More progressive ballots were cast in Harlem precinct that for any other party. But seven republican votes were cast, while the progressives had 52 and the democrats 38. Richland County. Returns from seven precincts out of 25 in Richland county would indicate that about 45 per cent of the registered vote was cast. The result in seven precincts follows: For congress, republican, Maddox, 34; McCormick, 25; Nicholson, 22; Parsons, 28. Progressive, Brinson, 57; Rankin, 54. Democratic, Evans, 87; Stout, 95. Thanks to such heroism final victory is assured.

France is not as easy a prey as the insolence of the enemy imagines. Frenchemen, the present duty is tragic but simple. Repulse the enemy, pursue him and save our soil from his stain. BRITISH REPORT NAVY FIGHT CLAIM IMPRESSIVE VICTORY

FOUR GERMAN SHIPS SUNK IN ENGAGEMENT OFF HELIYGOLAND, SAYS LONDON—NEWS FROM OPERATIONS ON LAND WITHHELD

Fleets of Great Britain and Germany at last have come together, and, according to the reports received from London, victory lay with the British.

In a battle off the Island of Heligoland in the North sea yesterday, the Germans are reported to have lost two cruisers and two torpedo boats sunk, while another of their cruisers and many of their destroyers were badly battered in a fight with British warships.

British Say Losses Light. The British claimed not to have suffered the loss of a single vessel and claim that there were few fatalities on board the vessels of their fleet. The German casualties were not given.

The island of Heligoland, which lies 45 miles off the mouths of the rivers Elbe and Weser, always has been regarded as a point of great strategic value for the protection of the Kaiser Wilhelm canal and otherwise in the naval defense of Germany. Recent reports had it that a large part of the flower of the German navy lay in the waters adjacent to the mouths of the Elbe and Weser and in the Kaiser Wilhelm canal.

Again last night there was a paucity of news concerning the land warfare in Europe. The French war office in a statement said laconically that the situation along its lines on Friday was the same as it was on Thursday, adding that the Germans "apparently have slackened their march." That was all.

From England there came not a word officially concerning the fighting on land.

One of the important announcements of yesterday was made by the Marquis of Crewe in the house of lords.

It was to the effect that Great Britain would draw upon the native officers and troops in British India to reinforce her army in Europe.

The Naval Battle. London, Aug. 28.—It is announced that the British fleet has sunk two German cruisers and two German torpedo boat destroyers off Heligoland. A third cruiser was set afire and was left sinking.

No British ships were lost in the battle, it was added, and the British loss of life was not heavy.

In addition to two torpedo boat destroyers and three cruisers, many of the German torpedo boat destroyers were damaged.

Rear Admiral Sir David Beatty commanded the British forces, and, with a strong array of torpedo boat destroyers, light cruisers and light cruisers and submarines, attacked the Germans in Heligoland early this morning. The protected cruiser Mainz was sent to the bottom in an engagement with the light cruiser squadron, while the battle squadron sank another cruiser.

In the German fighting two of the German destroyers were riddled and sunk while many others were badly damaged.

One cruiser, battle-scorched and on fire, drifted away in the mist and was lost sight of.

No British Ship Sunk. The British cruiser squadron, according to the semi-official report of the battle, although attacked by submarines and menaced by floating mines and the guns of the German warships, suffered no serious losses.

The cruiser Amethyst and the torpedo boat Laertes were damaged but all the ships in the British fleet were afloat at the end of the engagement. The British loss of life was not great.

In the battle cruiser squadron were the battleships Lion, the New Zealand, the Queen Mary and the Princess Royal, commanded by Rear Admiral Beatty, while Rear Admiral Moore, Rear Admiral Christian, Commodore Goodenough and Commodore Tyrwhitt had charge of other contingents.

A wireless dispatch received tonight from one of the cruisers said she was making for port with men wounded in the engagement.
