MANAGER PIQUETT FAILS TO BRING MEN TO TERMS

HEAD OF ROCHESTER CLUB ATTEMPTS TO FIX UP DIFFERENCES BUT CANNOT

Collins will not meet Tony Caponi at the Rochester club on October 1, as has been advertised. Manager Piquett of the club arrived home from Helena yesterday. His efforts to bring the two fighters together were unavailing. Also, Old Man Hard Luck has arrived in platoons and Johns will not meet Dalton.

Collins and Caponi had a disagreement over the terms of the bout on the night that Caponi arrived in Missoula. There were some words as to the weights at which the fighters were to appear, and one word led to another, until, when Manager Piquett arrived, the breach was so wide that nothing could be done to get the fighters together on terms that would suit both.

As a substitute for Caponi on the card at the Rochester club on October 1, Manager Piquett will attempt to sign Art Allard. Collins and Allard are both tough fighters, who have wanted to get into the ring together for some time. From all indications the Missoula fight fans will not lose anything as a result of the Caponi-Collins fracas.

Word was received in Missoula yesterday that Tully Johns, who was to have met Jerry Dalton here in a 12-round bout on October 1, has broken his hand in training. This means that he cannot possibly fight here next Thursday, so Manager Piquett of the Rochester club has secured "Young" Wallace of Anaconda to appear against Dalton. This go will be a 12-round affair.

Caponi has drawn much favorable comment from the Missoula fans by his workouts at the Rochester gymnasium. It is said that Caponi will go from here to Great Falls to meet McCarthy.

Practice Today. The university football squad will take its workout today at 3 o'clock. The teams will probably be put through some scrimmage work by Coaches Nissen and Hellman. The workout will be more than two hours long.

Kossuth—Greatest of Hungarians. THIS noble lover of Liberty was to his beloved Hungary what Patrick Henry was to American Independence. Give me Liberty or give me death! meant to Kossuth all that made life worth the living. He lived for ninety-two years, and his long and honorable career was devoted solely to secure for Hungary National Independence. For it he suffered imprisonment and exile. For it he worked as few men have ever worked. His fiery soul was expressed in his writing, and his impassioned oratory thundered across the two continents. All the world read and listened to this high-souled Hungarian Patriot. When exiled our government sent the U.S. Steamer Mississippi to Turkey and brought him to our shores as the guest of the Nation. To-day we have millions of Hungarian citizens, each one a lover of Personal Liberty. To secure it they sought our shores, and to a man they will fight to the death to keep forever alive the spirit and letter of our immortal Declaration of Independence. They make good citizens, and like Kossuth detest prohibitory enactments which make the many suffer for the faults of the very few. For centuries Hungarians have as a nation been moderate users of barley brews and light wines. Their votes are always registered against any legislation which proposes to regulate human diet by law. Who shall NOT eat this—this you shall NOT drink that—to those of brave Hungarian blood is insufferable tyranny. For 57 years Anheuser-Busch have been proud to serve their Hungarian patrons. They have helped to make the sales of their great brand Budweiser exceed those of any other beer by millions of bottles. Seven thousand, five hundred people are daily required to keep pace with the public demand for Budweiser. ANHEUSER-BUSCH • ST. LOUIS, U.S.A. Bottled only at the home plant.
