"PINAFORE" ENJOYS A GOOD HEARING AT MISSOULA

GOOD-SIZED AUDIENCE IS ENTERTAINED BY LOCAL TALENT IN OPERA.

Thirty-five years ago theater-goers hummed the singable music of Pinafore and laughed at the wholesome humor of its comedy. During all the years since the opera has held place in the hearts of music lovers. With the added interest of home talent in the cast, "Pinafore" proved a fairly successful venture for the Missoula Women's club as it was rendered last evening at the Missoula theater.

There was an unusual assemblage of musicians to start with, and the director of the chorus, Martin E. Robinson, has been able to get all the music available into the singing of the rare old favorites. Solo and choruses last night received hearty applause from the audience. The dancing of Miss Edmee Deschamps and Miss Agnes Lombard made a pretty and acceptable special feature of the opera; the entr'acte dancing of Miss Florence Coen and Holly Wilkinson was applauded to more than one encore.

Thanks to the notable talent of Missoula musicians and to the loyal and untiring co-operation they have given to Mr. Robinson and his niece, Mrs. Dannie Burke Dale, the presentation of Pinafore last evening held a charm that made the undertaking worth while.

The following is the complete cast and chorus of the opera as it was rendered last night:

 Captain Corcoran, Howard E. Higgins
 Ralph Bakestraw, Lawrence R. Kelly

DELEGATIONS WILL VISIT BOARD TONIGHT

SCHOOL TRUSTEES OF CITY WILL BE CALLED UPON BY CROWD OF VOTERS.

A hot little session of the school trustees who control the city schools of Missoula, is called for this evening. At least two delegations, one from the Rattlesnake district, and one from the north side of the city, will call upon the board members and present propositions.

The largest delegation at the meeting is expected from the North Side Progressive league. The committee from the north side organization will present resolutions passed some time ago regarding the need of new stairs throughout the interior of the Whittier school building. The league discussed the need of wider stairways in the Whittier buildings at a meeting held some time ago. The league committee is said to be heavily flanked by recommendations from city officials bearing out their request.

Just exactly what proposition will be presented by the people from the Rattlesnake district is not known, but the matter concerns the new Lincoln school building recently erected for the Rattlesnake students.

Aside from entertaining these delegations, the school board has much routine business to transact at the session tonight.

TOMMY ATKINS NEEDS HIS JAM

London, Oct. 2.—(Correspondence of the Associated Press.)—The call for contribution of jam, which is made by certain British war relief societies backed by the press, may lead strangers to believe that Thomas Atkins is the most pampered of fighting men. But this is not true, since the hard Egyptian campaign of 1884 proved that jam is not a luxury but a necessary preventive of scurvy. Millions of pounds of jam were consumed by the British troops in the Boer war, and the army in France has been kept well supplied with it in the present campaign.

A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED

If Peevish, Feverish and Sick, Give "California Syrup of Figs."

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company."—Adv.

PROGRESSIVE RALLY AT ELITE HALL TONIGHT

RANKIN AND WILLIAMS COMING FOR FIRST BIG MEETING OF CAMPAIGN.

Arrangements have been completed for the progressive rally, the first local talkfest of the present campaign for Missoula, to be held this evening at the Elite hall. The speakers will be Wellington D. Rankin, candidate for congress, and J. W. Williams, candidate for railway commissioner. In addition, Miss Stewart of the university, will talk on suffrage. Attorney C. N. Maden will act as chairman of the session. The public is cordially invited. Admission is free.

Messrs. Rankin and Williams arrived here yesterday on the local train from Phillipsburg, where they both spoke last evening. The meeting there, they said, was the best they have held since beginning their speaking tour of western Montana. The visitors were entertained at luncheon by Mrs. John Rankin and in the afternoon left by automobile for the Bitter Root.

Judge Williams spoke last night at Stevensville and Mr. Rankin was the principal speaker at the progressive rally held at Hamilton. Both gentlemen will return here this morning.

ZEMKE'S BROTHER DROPS BOMBS IN PARIS

MISSOULA MAN GETS LETTER OF MUCH INTEREST FROM HIS HOME IN GERMANY.

Pireman Zemke of the Rocky Mountain division of the Northern Pacific, with headquarters in Missoula, has the distinction of being a brother to one of the German airmen who have flown above Paris through a hailstorm of shot and shell and dropped bombs upon the streets of the French capital. Yesterday Mr. Zemke received a letter from his father, A. Zemke, dated at Shawe, Germany, September 2.

Roughly translated, the letter reads: **The Letter.**

"In our own little town we know very few details about the war which is raging. Business is going along about as usual. The only reminder we have is to see so many soldiers going through to East Prussia. We also have about 80 wounded to care for here. When the war started every schoolboy as young as 16 years and even all the old men wanted to enlist. However, the army refuses to take the old or the young right now. The Kaiser was not anxious for this conflict. He was forced to declare war by the other nations. But now that we have started the German people are all as one in their determination of fighting until the last man drops.

Thousands of Prisoners.

"The towns around Berlin are filled with barracks of captured soldiers. The last government report was that we have 170,000 Frenchmen, 4,000 Englishmen and 100,000 Russians as well as many hundred guns and war munitions in abundance. The care of these prisoners is being divided between the several cities near Berlin.

Brother's Record.

M'NICKLE FAMILY ONCE AGAIN IN COURT

SKATING RINK READY FOR FIRST COLD WEATHER

The domestic troubles of the McNickle family from the reservation were being aired in the district court again yesterday and in connection, an attack has been aimed at the Indian school at Chemawa, Ore.

The case was the continuation of the divorce action of Philomene McNickle against William McNickle, a decree of divorce having been granted more than a year ago. There are three minor children and twice before the decree has been changed in regard to their custody. The last court order placed all three of the children in the Chemawa school. Several months ago William, the oldest boy, ran away and came home to mother, near St. Ignace. When the father insisted that he be sent back to the Oregon school, the mother protested. To settle the matter the action was brought in the district court. It was opened before Judge Duncan yesterday morning and took up the whole day.

Among the many witnesses summoned, most of whom came from the reservation, where the McNickles are well known, was H. E. Wadsworth, superintendent of the Chemawa school. It was alleged by the mother that the children did not receive proper treatment there. Such charges were very energetically denied. Testimony was also introduced in an attempt to show that the mother is not a fit and proper person to have the care of the children.

After a whole day had been spent in hearing testimony Judge Duncan issued an order giving the custody of the boy, William Dorothy McNickle, to Flathead Agent Fred Morgan, and instructed him to select the school which he thought the lad should attend and to see that he remains in school. Both mother and father will be privileged to visit him.

GERMAN SUBMARINE SINKS BRITISH SHIP

BOY CONFESSES MURDER.

London, Oct. 21.—A dispatch from Stavanger, Norway, says the British steamer Clitara, of Leith, was sunk today 12 miles off the Norwegian coast by a German submarine.

Los Angeles, Oct. 20.—Percy Tugwell, aged 21, confessed today, say the police, that he killed Mrs. P. A. B. Kennedy, a wealthy widow, to obtain money for his wedding, which took place soon after the murder.

FOR WESTERN TITLE DEBATERS TO BATTLE

UNIVERSITY OF MONTANA REPRESENTATIVES WILL MEET OREGON MEN.

The debate championship of the west will be settled during the winter months when Oregon university and the University of Montana meet in a two-man dual debate. Arrangements have been completed for this contest which will be held in Eugene, Oregon, at a date to be settled later. The question is to be submitted by the Oregon men and Montana has the choice of sides. Oregon meets California, Stanford and other large western schools, and has been winner in that section for quite a while. Montana claims the championship of the Rocky Mountains so the forensic battle will determine the victors of the west.

MR. BRYAN SPIELS, MRS. BRYAN KNITS

Wichita, Kan., Oct. 20.—William J. Bryan, secretary of state, ended his two-day tour of Kansas here tonight by addressing an immense crowd in the interest of the Wilson policies and the state democratic party.

Throughout the day, while her husband spoke at 24 different towns, Mrs. Bryan sat on the platform of the observation car and knitted.
