Muffy Has Been Elected In Broadwater by Eight Votes, It Is Said

Helena, Nov. 4.—With the election of Congressmen Evans and Stout conceded by the republicans, and with the admission by democrats that Justice William L. Holloway had been re-elected, interest in yesterday's election is now centering in the outcome of the race for the office of railroad commissioner and in the complexion of the state senate.

E. O. Selway, chairman of the republican state central committee, stated that his figures showed Boyle had a plurality over McCormick of 400 votes from incomplete returns from practically every county in the state.

ARKANSANS AWAIT TROOPS VERY CALMLY

Fort Smith, Ark., Nov. 4.—Conditions were quiet today in the Hartford valley coal mining regions, where the inhabitants are calmly awaiting the arrival of federal troops sent on orders of President Wilson to enable the United States court to carry out its orders in administering the receivership of the Bache-Denman Coal company, at whose mines occurred the recent troubles.

Major N. F. McClure, who will command the four troops of cavalry already en route from Fort Sheridan, Ill., reached Fort Smith this afternoon.

ALLIES MAKE QUICK WAR ON TURKEY RUSSIANS HAVE INVADED ASIA MINOR

OPERATIONS IN FRANCE AND BELGIUM WITHOUT CHANGE—SERIOUS BATTLE DUE AT YPRES—RUSSIANS' USUAL SUCCESS

London, Nov. 4.—Turkey has now definitely broken off diplomatic relations with Great Britain, France, Russia and Serbia.

The powers which the Ottoman government thus defied are already taking action against Turkey. The British have destroyed Fort Akabah, in Arabia, the Russians have invaded Asia Minor and an Anglo-French fleet is bombarding the forts of the Dardanelles.

Speculation is rife as to what the other Balkan powers will do.

Greece is With Allies. Greece is said to be preparing to side with the allies, while Bulgaria is neutral, but is mobilizing for, as a Bulgarian diplomat said, "with Turkey in the arena of the war, Bulgaria must be prepared for any eventuality."

Raid on English Coast. Next to the Turkish situation the appearance of German warships off the coast of England is causing most of the discussion in this country. There is a disposition among naval men to believe that no serious raid was intended, but that the Germans hoped to induce British warships to follow them and by laying mines as they retired, to catch some of the big British ships as they did the submarine D-5.

Land Operations.—The official reports of the fighting on land record only advances at various points and repulses of the enemy's attacks at others. There is no change in the situation, the Germans have given up their positions along the Yser, having been driven out of there by the flooded country, and the gun fire of the allied troops and warships.

The Germans, however, have kept up their attack on the allies' lines around Ypres, where the British troops are fighting.

It Hasn't Begun. Although there is evidence that the new main effort of Emperor William's forces to break through at this point has not yet really begun. The Germans continue to bring up reinforcements and under the eyes of the emperor, are preparing to make another big attempt to get through to the coast.

Military men here say that the al-

lies have just as good means for bringing up reinforcements to their lines as have the Germans and express confidence that a new attack will prove as fruitless as previous ones.

The Indian troops and the pick of the English territorial forces have distinguished themselves in the fighting and come in for compliments from General French.

In East Prussia. For the trend of events on the East Prussian front, reliance has to be placed entirely in the Russian report, as the German headquarters say nothing about it. The Russians, according to a Petrograd report, have successfully met a German offensive movement from East Prussia and the Germans are retreating across their own frontier, leaving large quantities of arms and ammunition behind them.

In Poland, according to the Russians, the Germans continue to fall back, while further to the south the Russians at last have the Austro-German forces, forming their right wing on the move and have occupied the important towns of Kielce and Sandomir and taken 200 officers and 15,000 soldiers and several dozens of guns and machine guns.

Mine Sinks Trawler. Copenhagen, via London, Nov. 4.—A large German trawler has been destroyed by a mine south of the Danish island of Langeland, in the Great Belt. The fate of her crew is not known.

MORE THAN HALF OF HER CREW SAFE—ANOTHER CRUISER OUT OF ACTION

COLOrado, OREGON, ARIZONA AND WASHINGTON UNOFFICIALLY PROHIBITION

Chicago, Nov. 4.—Two of the six states that voted Tuesday on the question of ousting saloons, decided to retain bar-rooms, while the other four, on latest returns tonight, apparently extirpated the selling of alcoholic drinks.

Ohio and California voted to retain saloons, while the result is in doubt in Colorado, Oregon and Arizona. Incomplete and unofficial returns for these three states show slight leads in favor of ousting saloons. The latest returns from Washington cover only about half of the state and indicate a growing majority in favor of prohibition.

Unofficial returns from Arizona show that saloons were voted out, the women aiding materially in reaching this result.

FOUR BIG STATES MAY HAVE GONE TO DRY

COLORADO, OREGON, ARIZONA AND WASHINGTON UNOFFICIALLY PROHIBITION

Ohio retained saloons by a good majority and adopted a home rule amendment that was recognized as a saloon measure.

Missouri defeated the county unit system of local option, which precluded the rural vote on saloons in option elections.

F. AUG. HEINZE DIES IN SARATOGA TRIP HOME TO VOTE PROVES FATAL

ONCE VERY WEALTHY, HE HAD LOST MUCH OF HIS FORTUNE—CAREER IN BUTTE AND EAST. LEAVES WEE SON TO MOURN HIM

Saratoga, N. Y., Nov. 4.—F. Augustus Heinze, former owner of immense copper interests in the west, died suddenly here tonight.

Mr. Heinze had made his home in Saratoga for the last six months, and his son, F. Augustus Heinze, Jr., 2 years old, was the only relative he had here. Mrs. Heinze died about a year ago.

A sister of Mr. Heinze, Mrs. William K. Fleitmann, and two brothers, Arthur P., and Otto Heinze, of New York, are on their way here. No funeral arrangements will be made until they arrive.

Mr. Heinze, whose legal residence was Saratoga, came here yesterday from New York to vote. He became ill suddenly yesterday afternoon at the home of his counsel, Judge Nash Rockwood. His condition grew steadily worse and he expired early this evening.

Mr. Heinze, who was 44 years old, had been ill since last June with cirrhosis of the liver. He came here against the advice of his physician.

Lost Much of Fortune. New York, Nov. 4.—Fritz Augustus Heinze, who died tonight at Saratoga, had a sensational career in the financial world. After acquiring a fortune of millions through mining interests in the west he came to New York and became interested in other ventures, most of which were unsuccessful.

For several years Mr. Heinze had been involved in litigation almost constantly and it was said by his associates that he had lost a large part of his fortune.

From the time he was graduated at Columbia School of Mines in 1889, until his death, he was identified with mining and smelting operations and only about a month ago returned from a trip through the west in connection with his holdings. His interests were especially large in Montana and British Columbia. In Montana he at one time was a power in politics.

Career in Butte. Soon after going to Montana at the age of 20, Mr. Heinze organized the Montana Ore Purchasing company at Butte. Later he became president of the United Copper company and of the State Savings bank at Butte. Among other companies in which he was a dominating figure were the Davis-Daily Mining company, in Montana, the Stewart Mining company of Idaho, the Ohio Copper Mining company and various railway companies.

From the Canadian government he received a large grant of land, which he afterward turned over to the United Copper company.

In New York. After coming to New York in 1906, he became president of the Mercantile bank in 1907 and was soon beset by business troubles. Loans made during the panic of 1907, which the government asserted went to help his brothers, Otto and Arthur, who composed the firm of Otto Heinze & Co., resulted in his indictment on the charge of misapplying \$2,225,000 of the bank's funds.

The case against him eventually was dismissed. Within the last month, Mr. Heinze was defendant in a suit brought by Edwin Gould to recover the proceeds of promissory notes aggregating \$1,999,000, which Gould alleged Heinze had given him in payment for stock of the Mercantile bank. Gould was successful in his suit.

Mr. Heinze, born in Brooklyn, was 44 years old. He was a member of many clubs, both in this city and in the west.

He is survived by his son, F. Augustus Heinze, Jr., his brothers, Otto C. and Arthur P., and two sisters, Mrs. William Fleitmann of this city and Mrs. George W. Watjen of Bremen, Germany.

TWO STATES GIVE 'EM VOTE

While in Third, It's Close and Suffragists May Have Won

SUCH ARE THE CLAIMS OF SUFFRAGE LEADERS

Count Montana and Nevada Safe and Claim Chance to Carry Nebraska

Chicago, Nov. 4.—Woman suffrage leaders rejoiced tonight when belated returns indicated that votes for women had been apparently granted in two of the seven states voting on the question in Tuesday's election, with a third state in doubt. First returns had indicated defeat of the granting of the franchise to women in all seven states concerned.

Montana and Nevada, according to the latest returns, granted votes to women, while Nebraska showed such a small vote against the proposal that the women claimed the state. Missouri, Ohio and North and South Dakota refused to grant equal suffrage, the vote against granting the franchise to women increasing with the size of the population concerned.

Close in Montana. In Montana, where workers of the American Woman Suffrage association made heroic efforts to win the ballot, the vote was so close that the official count will be necessary to decide the outcome, but the women have a slight lead on unofficial and incomplete returns.

In Nebraska, which seems won to the cause of equal suffrage, 105 precincts out of 249 gave 3,619 votes for woman suffrage and 2,508 against.

The effort of women's votes on prohibition in Tuesday's election indicated that women do not unanimously oppose saloons.

Women failed in two Pacific states to turn out saloons, although the exact status of the female vote on the subject in California and Washington has not been tabulated yet.

The California proposed amendment was very drastic and would have prohibited the manufacture of wines, one of the chief industries of the state.

War on Social Evil. The women in California probably aided in passing a law to close all resorts with women inmates.

COUNT ALONE MAY SETTLE FATE OF MEASURES

COMPENSATION, KILEY ACT AND FARM LOAN MAY PASS, THE OTHERS FALL BEHIND

Helena, Nov. 4.—The official count, in all likelihood, will be required before the fate of the initiative referendum suffrage measures is known. So far, 16,909 votes have been accounted for on compensation and show that the initiative measure has a slight majority. These votes come from 143 precincts in 23 counties, including Silver Bow, Lewis and Clark, and Cascade. Compensation received for, \$1,163, and against, 7,806. The Kiley bill and the farm loan act also seem to be leading slightly, while consolidation, suffrage and the tax bill are running behind.

ECCENTRIC GIVES BODY TO MORGUE

Philadelphia, Nov. 4.—The body of Col. John Holmes Grover, a veteran of the civil war, and military aide to President Lincoln, when the latter was assassinated, and United States ambassador to Italy during the administration of General Grant, was delivered today to the Jefferson Medical college for dissection. Colonel Grover died here on Monday, leaving a will in which he bequeathed his body to the institution. He was 75 years old and had lived in this city since 1895.

MUCKIE M'DONALD'S TRIAL SENT TO JEFFERSON

Butte, Nov. 4.—(Special.)—Muckie McDonald, Joe Bradley and Joe Shannon will be tried in Jefferson county on charges of kidnaping in connection with the miners' troubles in this city last June and July. In addition to making the order transferring the cases to Jefferson county Judge Donlan also made an order in accordance with the requirements of the statute sending the defendants held by the sheriff to the Boulder jail.

SHIVELY GOES BACK.

Indianapolis, Nov. 4.—Senator B. F. Shively, democrat, has 23,000 plurality over Hugh Miller, republican candidate. The state democratic ticket seems assured of election.
