

SABOTAGE LAW HAS WIDE SCOPE

Gregory Issues Warning to Public Pointing Out Penalties.

COVERS GREAT FIELD

Any Act of Destruction Is Punishable If It Delays War Efforts.

Washington, April 24.—The casualty list today contained 42 names divided as follows: Killed in action, six; died of disease, three; died of wounds, three; died of disease, 11; wounded severely, 10; wounded slightly, 13.

Washington, April 24.—The casualty list today contained 42 names divided as follows: Killed in action, six; died of disease, three; died of wounds, three; died of disease, 11; wounded severely, 10; wounded slightly, 13.

Non-Partisans Want McGee Removed from Commission

St. Paul, April 24.—A petition was sent to Governor Hendrick today asking that he remove John F. McGee of Minneapolis from the state public safety commission, according to a statement given out at the office of A. C. Townley, president of the National Non-Partisan League.

Convicted Conspirators Plan to Appeal Cases

San Francisco, April 24.—Several of the German-Americans and Hindus among the 29 persons convicted last night of conspiring to foment revolutions against the British rule in India will appeal their cases immediately, counsel for the defense announced today.

DETROIT CARS TIED UP.

Detroit, April 24.—Street cars remained in the barn tonight despite the efforts of officials of the union and the Detroit United Railway company to end the strike of 3,500 motormen and conductors who refused to make their regular runs today pending a decision of the wage dispute between the men and the company.

WORKING THEIR JAWS.

American soldiers overseas are consuming the last of 300,000 packages of chewing gum sent over by the Y. M. C. A. in January.

SELF DEFENSE

DEFEAT BACKACHE AND KIDNEY TROUBLE WITH ANURIC.

Many people in this section have suffered from rheumatism and kidney trouble and have found Anuric to be the most successful remedy to overcome these painful and dangerous ailments.

The lucky people are those who have suffered, but who are now well because they heeded Nature's warning signal in time to correct their trouble with that wonderful new discovery of Dr. Pierce's called An-uric. You should promptly heed these warnings, some of which are dizzy spells, backache, irregularity of the urine or the painful twinges of rheumatism, sciatica or lumbago. To delay may make possible the dangerous forms of kidney disease, such as Bright's disease, diabetes or stone in the bladder.

To overcome these distressing conditions you should take plenty of exercise in the open air, avoid a heavy meat diet, drink freely of water and at each meal take Dr. Pierce's Anuric Tablets (double strength). You will, in a short time, find that you are one of the firm believers of An-uric, as are many of your neighbors.

Send Dr. V. M. Pierce, Buffalo, N. Y., 10 cents for trial package.

REMI, WASH.—"I was troubled getting up at night for two years. Finally I took a trip to Florida, and while there I sent to Dr. Pierce for some Anuric Tablets and two dollars' worth of the Golden Medical Discovery Tablets. I took them as he directed and have not been troubled with my water for some time. I have been well now five months. I think the Anuric Tablets are all O. K."—W. J. Goops, Washington Vet. Home.

PORTLAND, OREGON.—"Doctor Pierce's Anuric Tablets gave me great relief after eight years of suffering with kidney trouble and dropsy of limbs and feet. Anuric is certainly good."—Mrs. J. C. Wells, 477 Stephens Street.

Doctor Pierce's Pills are the original Anuric Tablets. One little Pellet for a cathartic. Sold by druggists for nearly 50 years.

Casualties

Six Killed in Action and 23 Wounded.

Washington, April 24.—The casualty list today contained 42 names divided as follows: Killed in action, six; died of disease, three; died of wounds, three; died of disease, 11; wounded severely, 10; wounded slightly, 13.

The list follows:

Killed in Action.

Sergeants Joshua K. Broadhead, Orville G. Fuller; Corporal Frank P. Gordon; Privates Charles W. Foote, Felix M. Oliva, Roger Wilson.

Ramage; Privates Walter E. Cheever, Raymond E. Crowell, John Crowley, William J. Graham, Gaze Guernsey, Anthony Kowalczyk, John R. Stoddard.

AMERICAN RED CROSS WANTS FIELD WORKERS

Missoula Rotary Club Will Recruit Here.

"Situation now such that every fairly intelligent American man or woman, with right spirit and unquestioned loyalty, can be utilized; and extreme pressure upon locating and sending all who have been asked for and more; you cannot send too many and there is work for all who come, in fact this matter is so vital that you may think it necessary to organize on even larger scale committees for men and women who will devote their entire attention to the subject."

This is the cablegram from H. P. Davidson, general executive head of the American Red Cross, who is now in France, sent to the Missoula Rotary club by Harry Yaeger, field representative for the Red Cross at Great Falls. Missoula people are urged to rally to this plea, and workers are demanded who, as far as is possible, are able to pay their own expenses in addition to serving without compensation. The expenses amount to \$1,500 for six months and \$2,000 for one year. The Red Cross also asks for men whose loyalty is unquestioned, whose parents were born in this country and who are willing to serve with only their expenses paid—that is, actual transportation and expenses paid while in service. In this case it will be necessary that they provide their uniforms and equipment, which will cost approximately \$175, and pay their own expenses from their home to New York.

The Workers Needed.

Here are a few of the classes of workers needed: Field representatives for Red Cross at army headquarters; inspectors in the manufacture of splints; nitrous oxide experts; factory organizers in connection with the manufacture of artificial limbs; mechanical engineers; journalists; moving picture machine operators; chief cable men and assistant cable men; architects; zone commanders; canteen managers on the French front; heads of various divisions; warehouse superintendents and assistants.

Committee to Investigate.

The Rotary club has appointed C. H. McLeod, A. L. Stone and H. T. Wilkinson, to investigate and find out if Missoula candidates can qualify and if anyone is sufficiently interested, the club is planning on paying part of their expenses or all to New York city. A. L. Strausz, secretary of the club, will give all particulars to anyone desiring to be sent out by the Red Cross.

Aviators Report Breach in Mole at U-Boat Base

(Continued From Page One.)

According to the German submarine bases on the Belgian coast, the German admiralty announces, in addition to the five British cruisers sunk near the coast three destroyers and a number of motor boats were sunk by the fire of the coast batteries.

UNSOPHISTICATED.

"I suppose you will raise some string beans in your lovely new garden?" "Oh, yes," replied young Mrs. Turkins, nonchalantly, "a string or two."—Washington Evening Star.

LURE OF UNIFORM BEGETS PROBLEM

Plans Under Way to Guard Girls in Neighborhood of Cantonments.

SHOW SUSCEPTIBILITY

Conditions in South Said to Be Critical; Woman in Charge of Work.

Philadelphia, Pa.—Mrs. Martha P. Falconer, for years in charge of reformation work among the girl wards of Sleighton farms, will take charge of the work of reformatories for the law enforcement division of the commission on training camp activities. To prospects of the farms have granted a leave of absence for six months, it was announced, and she will enter upon her new duties at an early date.

is Known Nationally.

Major Johnson, in direct charge of this new federal bureau, wrote to the directors of Sleighton farms, asking that Mrs. Falconer be relieved to take up the work which had been suggested. The major said she was known nationally for her splendid efforts at the farms, and would make the ideal leader for this new sociological experiment in war welfare work.

Mrs. Falconer expressed herself as only too eager to get into her new duties and to take such a large part in the government's plans for the protection of soldiers and the salvation of girlhood.

"It is a wonderful opportunity," she said, "to go through the south as the representative of the government to advise those in authority about the development of these institutions and the expenditure of the money which has been made available. We shall start with \$250,000."

Will Stimulate Work.

"I have learned," she added, "that in the south there are more reformatories or houses of detention such as we have here in connection with our courts. But with our money we hope to stimulate the interest south of the Mason and Dixon line in the work for delinquent girls. South Carolina, for instance, proves the need for this work. That state has no state reformatory for women, but the legislature has passed a bill creating one, with an appropriation to make it possible. The governor says he is ready to have the institution developed, and wants us to point the way."

"It is especially necessary to have proper places in states where there are large army cantonments, so the girls

June 28

That's Date of Peace, Says Prophetess.

Paris.—When will the war end? Seers and seeresses have come forward by the hundreds to prophesy the end of the war. The French people are prone to listen to any new prophecies.

The latest prophecy comes from a woman in the south of France. She declares the war will end June 28, 1918. She states this is written in a famous book in which Edward VII. and Napoleon III. had faith. Premier Clemenceau when he is asked—this is very often—as to the likely end of the war, invariably replies: "Next Thursday, 19 minutes past 3."

Expect to Reach Vote on Overman Bill Saturday

Washington, April 24.—Support for the Overman bill empowering the president to reorganize government departments came from both sides of the chamber today as the long drawn out debate neared the final stage and proceeded under an agreement limiting speech making.

"Cowboy Artist" Russell Offers Service to State

Bozeman, April 24.—The federal food administration office announced today that Charles M. Russell, the famed "cowboy artist" of Great Falls, will contribute to the food administration work in Montana this spring. Mr. Russell will give his services free of charge.

TO LICENSE OIL JOBBERS.

New York, April 24.—All jobbers of oil are to be placed under license and the likelihood is licensing will be extended to include manufacturers and distributors throughout the oil industry.

may be given the most modern corrective influences. I hope to see what can be done by putting money into both salaries and the right kind of equipment."

MINE AT POTOMAC YIELDS GOOD ORE

Prospects of Royal Company Good, According to Mining Men.

EXTENSIVE ADDITIONS

Property Developed During Past Year and Is Now in Good Shape.

Prospects at the Royal mine near Potomac are extremely bright, according to mining men who have visited the property within the last few weeks.

It is now producing high grade silver from the 225-foot level and a carload shipped to the smelter the latter part of February returned \$7,000 to the operators. Another car is now ready for transportation and assayers say that it will give even better values.

Much Development Work.

Much development work and a large amount of money was necessary during the two years that the present owners have been in charge. A large bunkhouse, cook house and dining room have just been completed. The company owns and operates its own saw-mill and it is estimated that there are at present 12 million feet of standing timber on the claim.

The development work under the ground is going on very rapidly. A 225-foot, well timbered, working shaft

WHAT TO USE TO PREVENT APPENDICITIS

Missoula people should know simple bacterium, barium, glycerine, etc., as mixed in Adler-i-ka, flushes the ENTIRE bowel tract so completely that appendicitis is prevented. ONE SPOONFUL Adler-i-ka relieves ANY CASE sour stomach, gas or constipation because it removes ALL foul matter which clogged and poisoned your system. The INSTANT action surprises both doctors and patients. Missoula Drug Company.—Adv.

The Leader

Secretary Baker Says

"The officers' training camps held by the government were attended by tens of thousands of young men whose minds had been trained in the colleges and high schools of the country and whose splendid athletic condition was due to the collegiate and high school system of athletics. They were a national asset of incalculable value."

Secretary Daniels Says

"Softness is incompatible with efficient military service. . . . The stimulus of athletics, both in an improved morale and in an improved body, is everywhere recognized. Let it be emphasized more now that the need for youths of sinew and stuff is more felt than ever before."

The Interscholastic Track Meet

Demands Your Support as a

WAR MEASURE

And as an Enterprise Worthy of the Support of All Missoula Citizens.

700 Young Men, Representatives From the High Schools of Montana, Will Spend Five Days in Missoula, May 7 to 11, Inclusive.

From their ranks the university will recruit its future students, and Missoula many of its future citizens.

It Is Up to Missoula to Give Them a Royal Reception

Although primarily an athletic meet, the interscholastic provides also an inter-high school debate and high school declamatory contests. This meet, because of its past successes, has acquired a national reputation and Missoula cannot afford to let it, as an institution, pass away.

YOUR SUPPORT WILL KEEP IT GOING

The Trackmeet

Is bigger and better than any convention as a benefit to Missoula because its results are permanent. A great sum of money is brought to Missoula during trackmeet week; a larger sum results from those who come here to attend the university.

High School Principals Say of Meet

"No other one thing has done as much to interest our students in a college education, and especially in our own state schools, as the trackmeet." * * * Principal Easter of Havre High School.

"I think the meet is very much worth while. * * * I have found that it keeps boys in school and aids scholarship during the spring months when so many drop out or slow up in their work."—Frank Murray, principal Joliet public schools.

DON'T FAIL TO SEE

Humanity's Appeal

Shown under the auspices of the Missoula Chapter of the Red Cross, at the

EMPRESS THEATER TONIGHT

Shows the Red Cross work in war-torn Europe from every angle. The scope and effectiveness of this wonderful organization. "Humanity's Appeal" is full of tenderness and human interest. Its appeal but strengthens the desire to help and aid in every way the heroic nurses and others who devotedly brave every danger in order to "save and serve."
