## LIBERTY DAY IS TO BE OBSERVED

Hamilton and Upper Valley Plan Big Celebration for Friday.

## PARADE TO FEATURE

Corvallis and Darby Will Help to Make Occasion Big Success.

Hamilton, April 24.—Special.—Plans for the Hamilton celebration of Liberty Day are going forward rapidly and it is now certain that a real celebration will be held. The Woman's Liberty Loan committee is back of the program, and although the town and county have both over-subscribed their bond quota and the celebration will not be held for the purpose of securing subscriptions, the ladies are making every effort to have the celebration a real patriotic affair that will increase the loyalty of the residents.

Parade to Be Notable. There will be a large parade commencing at the courthouse at 2 o'clock. Practically all organizations have agreed to be present and many people of Corvallis and Darby are expected to be present. The program is to be given for the upper valley and not Hamilton exclusively and invitations have been sent to other points. The organizations that will compose the parade will include the Corvallis band, Hamilton school children, Home Guard, Boy Scouts and it is expected that the various fraternal orders will be in the march. In addition, the citizens not included in these bodies will parade in autos. The parade is in charge of Mayor-Elect J. E. Totman and will therefore be conducted in a thoroughly satisfactory manner.

Following the parade there will be speaking and singing at the Grand theater. The community songs will again be brought forth and the community will join in singing as it has frequently done at the "sings" during the last few months.

## Funeral Service Held for Flathead Indian Pioneer

St. Ignatius, April 24.—Funeral services were held at the Mission here today for Kicking Horse, a well-known Flathead Indian, for half a century a resident of the reservation, who died at his home near Post Creek Monday.

Kicking Horse was 50 years old and was reputed to be one of the wealthiest Indians on the Flathead, his estate being valued at more than \$15,000. He was a full-blooded member of the Flathead tribe and is survived by his wife and several children. Death came suddenly and unexpectedly. Interment was made in the cemetery at St. Ignatius.

## At a Glance

Brief Bits of News From Western Montana.

St. Ignatius.—Ernest Larsen left Tuesday for Phillipsburg, where he will visit for a few days with friends, before leaving for the war. He has sold his restaurant here and expects to be called any day.

Benjamin Kerlee was called to Missoula Tuesday morning on account of illness in his family. Mr. Kerlee has been employed here as bookkeeper for the W. H. Magnusson company.

School Superintendent Logan has been visiting St. Ignatius public schools during the week.

Stevensville.—A Junior Red Cross has been organized by the children of the Lone Rock school district. The organization is being supervised by Professor and Mrs. J. F. Smith, who are teaching at the school.

Mr. Sherman of Hysham, Mont., was in Stevensville for several days the first of this week. Mr. Sherman is a prominent newspaper man and edited the Hysham paper. He is in the valley looking for a location.

Dr. J. G. Kohl, a local dentist, has installed a new electric switch. At present Dr. Kohl is the only dentist in town. This summer his brother, also a dentist, is expected to come to Stevensville to enter practice with him.

Superior.—George L. Dean and Ivan E. Merrick went by automobile to Missoula on Tuesday of this week.

Mr. and Mrs. Jesse Daly and Mrs. O. G. Clark, were St. Regis visitors on Monday, going in the interests of the Red Cross minstrel show to be given by local talent at Superior on Friday evening.

Mrs. S. C. Ray of Drummond is spending some time in Superior, called here by the serious illness of her daughter, Mrs. R. W. Spangler, who is now, however, on the road to recovery. Mrs. Frank Gigot, a trained nurse from Missoula, is here on the Spangler case.

Game Warden DeHart and Deputy Kennedy, together with Deputy Tom Evans, have all been in Superior this week on official business.

Ira Cole and family will leave on Thursday for Spokane, where they will sojourn for a few days before going to their new home at Libby.

The Mineral county commissioners have purchased an automobile for transporting the road crews back and forth to work. This will be done hereafter in place of maintaining camps.

Mrs. M. C. Bacon and Mrs. Walker went to Spokane Tuesday to attend the Bethel lodge ceremonies in that city on Wednesday.

Mrs. Laura Bennet and children have returned to Butte after a month spent with relatives in Superior.

## Financial Reserve Clubs to Aid Polson Red Cross

Polson, April 24.—Special.—The Red Cross financial reserve clubs of 20 members each are rapidly being formed. The first three clubs will give \$50 monthly each and the remaining clubs will donate \$10 each month, insuring ample funds for the purchase of materials and supplies for their work.

## GRAND ARMY MAY OPEN ITS DOORS

Resolutions of Kalispell Post Favor Admitting All Soldiers.

## PERPETUATE G. A. R.

Spanish War Veterans and Members Present Army to Be Included.

Kalispell, April 24.—The J. B. McPherson post, No. 36, G. A. R. of this city has taken the initiative in a move to perpetuate the Grand Army of the Republic by admitting to membership in its ranks the boys who are enlisted and drafted into the army during the present war and those who saw service in any of the wars in which the United States participated during the past. This would make members of the Spanish War veterans eligible to membership in the older organization, Resolutions urging an amendment to the Grand Army constitution to provide for their admittance were passed in the following form:

**The Resolutions.** Whereas, the cardinal principles of the Grand Army of the Republic are patriotism and loyalty to the United States in time of war and in time of peace; and

Whereas, the passing away of several thousands of our members each month forcefully reminds us that our duties must soon be taken up by other worthy hands; and

Whereas, every soldier and sailor who has offered his life to our country in time of war, and who has received an honorable discharge from the army or navy of the United States should be entitled to membership in the Grand Army of the Republic, that the deeds of patriotism may not be forgotten, that Memorial Day may continue to be observed, that the Grand Army of the Republic may be perpetuated, and that our country may continue to have the blessings of the highest ideals in our best citizenship, to the end that "this government of the people, by the people and for the people may not perish from the earth."

Now, Therefore, be it resolved, by J. B. McPherson Post No. 36, Grand Army of the Republic of Kalispell, Montana, that we urge that the constitution of the Grand Army of the Republic be amended so as to make eligible to membership any soldier or sailor who has received an honorable discharge from the army or navy of the United States in any war of the past or in the present war.

And be it further resolved, that posts of the Grand Army of the Republic, throughout the United States, be urged to adopt similar resolutions hereto in order that such amendment may be made effective at our next National Encampment.

## MISSION VALLEY TO BOOST IRRIGATION

Action Follows Plea From Senator Myers.

St. Ignatius, April 24.—Special.—The St. Ignatius Commercial club held its regular meeting Monday night. The secretary read a communication from Senator Myers regarding the appropriation for the reclamation project here, in which he requested co-operation of the farmers, business men and people generally in getting facts and figures and general information for presentation to the next session of congress, so the Indian committee will have a better understanding of the urgent necessity of completing the work. It was decided that the committee already appointed to act in this business should arrange for a meeting in the near future and send letters to the business men and farmers of Mission valley and vicinity requesting them to attend, so there can be an organized effort and a complete understanding of how to proceed to bring the best results.

The secretary was instructed to communicate with the county commissioners and county surveyor to request that a copy of the grades and plan be sent to the secretary to aid in street work here.

Andrew Beckwith stated that he had been investigating the beet sugar business for this section and he thought a station might be located here, to which the farmers could bring their beets and receive the money for them.

The sugar beet company would haul them to the railroad at Ravalli for \$1.00 per ton.

Money was raised to purchase a large flag, as the old one was worn out, and Mr. Mischaud volunteered to take his team and several others volunteered to go and get a new flag pole and have a flag raising and celebration day.

## Townley Declares Senator Sherman Maliciously Lies

St. Paul, April 24.—A. C. Townley, president of the National Non-Partisan league in a formal statement here today denied the charges which were made against him yesterday in congress by Senator Sherman of Illinois.

## POLSON SUBSCRIBES TO ARMENIAN RELIEF

Native Presents Needs of Oppressed Country.

Polson, April 24.—Special.—Rev. M. P. Krikorian of Armenia spoke Sunday evening at the Orpheum theater on behalf of the Syrian-Armenian relief fund. A very large audience was present and was deeply impressed by the story of the "Crucifixion of a Nation," as the speaker entitled his subject. A large number volunteered to support one child each for a period of a year in addition to which a cash offering of \$42.72 was made. Not only did Mr. Krikorian reveal in a striking manner the treatment of his own nation, but caused all to realize more fully the nature of German war methods and what we may expect if an invasion of America did take place. An Armenian relief committee, Rev. Horace Turner, Rev. Ira H. McClymonds, J. A. Johnson, Miss June Whiting and Miss Clara Witzig, was appointed.

## SWAMP CREEK LOG WORK NEARLY DONE

Last Big Drive Down Stream Now Under Way.

Plains, April 24.—Special.—Logging operations of the Montana Logging company on Swamp creek, in charge of E. M. Ross, are about completed. All that now remains is to finish driving the logs down the creek into the river and a special log driving crew of the Anaconda Copper Mining company is

busily engaged at this now. The method employed is to let the water out of the pond and thus flood the creek. When the water gets low in the pond, the planks are again placed in the spillway in the dam and the pond allowed to fill again with water. While the pond is filling the crew hauls and rolls logs into the creek. The pond fills again in about 24 hours and the creek is flooded once more and the logs driven on to the river, where they will be taken down stream to the big sawmill at Hope, Idaho.

The logging trains and the rails have been taken up and ferried across the river at Weeksville and shipped to Trout Creek and as soon as the log drive is ended the camp on Swamp creek will be closed down.

As soon as the work on Swamp creek comes to a close it is expected that the dam will be opened so that the fish can come up stream and the pond will be no more.

## Dog Lake Fast Becoming Popular Fishing Resort

Plains, April 24.—Special.—Mr. and Mrs. M. M. McGregor returned home Sunday evening from spending a couple days and nights camping at Dog Lake. They brought back 18 trout as fruits of their labor. Frank Anderson was also a successful fisherman at the lake Sunday and reports that at one time he counted over 20 autos alongside that body of water. Dog Lake is 10 miles from Plains toward Hot Springs, and is becoming more of a popular fishing resort every summer, many people from the reservation spending Sunday at the lake, together with a number from Plains. The Plains Rod and Gun club has seen that the lake has been quite well stocked with fish.

## RAVALLI GIVES AID IN TICK CAMPAIGN

Parker Pleased With Spirit of Co-operation.

Hamilton, April 24.—Special.—Dr. R. R. Parker was a visitor from Victor today. He is in charge of the wood-tick campaign in the valley and expressed himself as well pleased with the success so far. He stated that Ravalli county was taking a more active interest in co-operating with him than the residents of the infected district of the adjoining county. In most places he has found effective co-operation and believes that much good is being done.

Dr. Parker said that the government is only advising burning over land as a relief from the ticks where it is systematically done, with the intention of following the same plan for succeeding years, as in many places the wood tick cannot be destroyed by fire and as a consequence to burn in any but a systematic manner amounts to nothing.

Henry Cowan of Victor is working under Dr. Parker and is in charge of the dipping vats throughout the county. These are now filled and the animals in the infected district are being regularly dipped. A good many animals have also been moved to other parts of the valley. Dr. Parker expressed his approval of the goopher campaign, in which he has been assisting, and feels that it will help him greatly in his work.

**Rheumatic Pains.** When troubled with rheumatism locate the affected parts with Chamberlain's Liniment. You will be surprised at the relief which it affords.—Adv.

## Choose the Soles for Your Shoes

Formerly, when you bought shoes, you seldom thought of the soles. You had no choice—there was but one kind to be had on dress and street shoes.

But now that Neolin Soles are everywhere available, you have a choice and it is worth your while to choose soles—for wear, for comfort and for the other qualities that soles should have.

We believe that thoughtful choosing will lead you inevitably to Neolin Soles, when you have learned how good they are.

These soles cost no more than others but wear longer—thereby making a big reduction in your annual expense for shoes.

They make shoes comfortable—doing away with the old torture of breaking-in.

They are absolutely waterproof, protecting your health against dampness underfoot. And they give you a sure footing on slippery pavements.

Why not learn, by experience,

the economy and other virtues of Neolin Soles?

Get them on the shoes you buy this Spring, for yourself or for others in the family. And have them put on the shoes you have been wearing.

Most good shoe stores have shoes with Neolin Soles—for men, women and children. And most good repair shops are prepared to re-sole shoes with Neolin Soles.

When you ask for Neolin Soles look for the trade mark underneath. It identifies the genuine.

Mark that mark; stamp it on your memory: Neolin—

the trade symbol for a never changing quality product of

The Goodyear Tire & Rubber Company, Akron, Ohio

## The KING of BLOOD PURIFIERS

As the Lion is Monarch of the Forest, so S. S. S. is King of Blood Purifiers and Master over all Blood diseases.

Pure, rich blood and a free circulation is the surest prevention against the diseases and disorders which are constantly attacking our physical systems. Healthy blood stimulates the excretory members and enables them to filter out of the system everything that is not necessary or beneficial to the growth and development of the body. Thus we are apt to remain healthy unless there is a weakening of the vital fluid or an impure infection of the circulation.

Impure blood takes various forms in its outward manifestation. A weak, watery circulation denotes anaemia with its attendant evils of pale, waxy complexions, malarial conditions, or perhaps some more definitely marked disorder is shown. Frequently the blood becomes infected with acid humors, and Eczema, Tetter, Acne, or some other skin affection makes its appearance, while an excess of uric acid in the circulation produces Rheumatism with its pains and aches. Old Sores and Ulcers are likewise dependent on bad blood, these places being kept open and in a state of irritation by the drainage of pollution

which disordered blood constantly discharges into them.

Another common indication of weak, impure blood is the loss of appetite, tired, worn out feeling and a general run-down condition of the system. This is an ailment very prevalent in the spring and most persons so afflicted realize the necessity of overcoming the trouble by the use of a tonic.

We recommend to all in need of a blood purifier or tonic, the use of S. S. S., a medicine which has proven itself the greatest of all blood purifiers. It goes down into the circulation and removes all impurities, humors and poisons and makes the blood pure and health-sustaining. It purifies and strengthens weak deteriorated blood, supplies it with the healthful properties it needs and lays the foundation for good health. As a tonic S. S. S. has no equal and those who are beginning to feel the need of such a medicine to fortify themselves against the unpleasant conditions which come with spring and early summer, should commence its use at once. S. S. S., the King of Blood Purifiers, is a genuine blood cleanser, made entirely from roots, herbs and barks; it does not contain a particle of mineral in any form. You could not do better than begin the use of S. S. S. if from any cause your blood is weak or impure, and you will find it the most satisfactory tonic you ever used. Write for book on the blood and any medical advice. No charge for either. Address 408 Swift Laboratory, Atlanta, Ga.
