MAJOR LEAGUERS GO "OVER THERE" That's Plan of "Bill" Clark Former Princeton Ball Coach.

NOW Y. M. C. A. CHIEF Athletic Director for Boys Overseas With Yankee Forces.

Major league baseball for American soldiers in France with professional players from the big circuits is the big idea now dominating the thoughts of William J. Clark, known as "Bill" Clark, who had charge of Princeton's baseball team for the last ten years. Bill's absence from Old Nassau is recorded in waits which emanate from Tigertown regarding Princeton's prospects on the diamond this year, but Clark has bigger work to do now as Y. M. C. A. athletic trainer with the American Expeditionary forces in France. And Bill is as enthusiastic and forceful as a trainer serving under the Red Triangle as he was when he developed Tiger baseball teams and before that when he was a catcher on the champion Baltimore Orioles which included John J. McGraw, Hughie Jennings, Willie Keeler and the rest.

Overseas Athletic Director. "I resigned my position at Princeton university," writes Bill from France, "in response to a call issued by the Y. M. C. A. for men to act as athletic directors in overseas work with the American troops. I was consumed with a desire to do something. Anything to help out in the great work that is being carried on over here.

Having done about everything, Bill has conceived a plan for the sending of two baseball teams of major league players to play exhibition games at the rest centers and camps behind the lines.

"In brief," he explains, "my idea is that each major league club donate a player, which would make 32 men, their salaries to be paid by an equal contribution from each club; the International league to donate four players under the same conditions and the American association likewise. That would make 24 players, allowing three pitchers and two catchers for each club. That would be sufficient as they would not be scheduled daily.

"The players would pay half their traveling and hotel expenses, the Y. M. C. A. the other. I am confident, knowing baseball players as I do, that they would be glad of the opportunity to come. It would be wonderful help to the men who are over here to sacrifice if need be their lives that democracy may live. I am sure it would appeal to all patriotic Americans, and would be a great advertisement for the national game."

Reports from overseas that Y. M. C. A. secretaries are real jacks of all trades are verified amply by Bill. He says all kinds of jobs fall to the lot of the but secretaries, and it is a fortunate man who has the all around ability to cope with the situations as they present themselves. Although specializing in physical training, Bill has found the pace considerably faster than in his previous work.

Harder Than College Work. "Quite a contrast between the hours of labor here and the three or four hours a day I spent as coach at Princeton," Bill adds, without a trace of mourning. "I have been very much occupied in constructing a large athletic field on an old aviation ground. I will have six regulation size ball grounds, soccer and football ground and track.

"I have supervised the renovating of a large casino, which will be used as a club by our troops during their leave period. Owing to the place not being occupied for ten years or more it was in a deplorable state. I was compelled to clean it from top to bottom, and I experienced great difficulty in securing help. But I managed after some delay to secure the help of a dozen French women and then by great physical effort, such as waving of the arms, sliding around the floors, by not going through all the warming up exercises known to man, my arms and hands playing the chief role, I succeeded in convincing them what I wanted, after that battle which tired me physically but left me in command of a few French expressions."

Big Construction Job. In addition to superintending jobs of paper hanging, painting and the installation of a motion picture projection machine Bill had found time up to the time of writing to construct two volleyball courts, handball courts, a dozen quod grounds, basket ball court and indoor baseball field.

The difference in the game Bill has been playing and the one in which he is now engaged, he expresses as follows: "I have met a number of our men here and they are without exception a wonderful bunch of representative American youths. As they were the first I had seen from home I checked up like a kid, a sensation I never experienced all the years I played ball, and I was up in the pines a good many times, too."

SOX TAKE SERIES BY BUNCHED HITS

Bad Weather Cause of Three Games to Be Postponed During Week.

CARDINALS BEAT REDS

Poor Fielding on Part of Cincinnati in Seventh Cause of Defeat.

St. Louis, April 28.—Collings and Jackson bunched two of the five hits off Sothoron with a sacrifice fly in the ninth inning today and Chicago won from St. Louis, 2 to 1. This gave Chicago the series, three games of which were postponed on account of rain.

Chicago scored in the sixth on a base on balls, a sacrifice, an outfield single by Collins.

St. Louis tied the score in the seventh, when Smith walked, stole second and tallied when, after Nunamaker singled to right, Schalk snuffed Luebke's throw to the plate.

Score: R. H. E. Chicago 2 5 2 St. Louis 1 6 0

Faber and Schalk; Sothoron and Nunamaker.

Cardinals Win. Cincinnati, April 28.—Poor fielding by the Cincinnati team in the seventh inning gave St. Louis today's game, which was featured by the first triple play of the season.

In the first inning Smith singled and went to third on Niehoff's hit to right. Baird hit sharply to Groh, who threw to L. Magee, forcing Niehoff at second and the ball was relayed to first base in time to retire the latter. Smith tried to score while this play was being executed and St. Magee's throw to the plate put him out for the third out.

Sherdell was hit feebly but the locals could not bunt their safe drives effectively. Smith hit safely every time up. The game was called in the last half of the eighth on account of rain.

Score: R. H. E. St. Louis 4 3 1 Cincinnati 2 12 3

Sherdell and Gonzales; Schneider and Allen.

Detroit-Cleveland game called in the third on account of rain.

Chicago-Pittsburgh, postponed due to wet grounds.

California Puts Bounty of \$5 on Pesky Coyotes

Redding.—Death to coyotes and long life to the dog summarizes the action taken by the supervisors at their present session. They voted unanimously to increase the bounty on coyote scalps from \$2.50 to \$5 and to repeal the county dog license tax. A tax was levied on dogs a year ago to raise money for the rabies fund and no rabies District Attorney Chenoweth advised that this money was available to pay the increased bounty on coyote scalps.

HIGHLANDERS DEFEAT SCRIBES' BALL TEAM

But Red Cross Is Winner of Afternoon's Contest.

The Missoulian-Sentinel baseball team played Owen Kelley's Missoula Highlanders in an exhibition game on Montana Field yesterday. The Missoula chapter of the American Red Cross, for whose benefit the contest was staged, won. The score was \$10.

Jerry Nissen's hurling and the hitting of "Kiki" James O'Brien, veteran captain of the Missoulian team, featured the contest, though the Highlanders contributed large swats to the amusement of the crowd.

City Attorney John Campbell, on the hill for the newswriters, worked like a big leaguer until the last inning, when his support collapsed.

Incidentally it might be mentioned that the Highlanders made 18 runs, 11 of them in the last frame, to the scribes' seven. The exhausted score keeper managed to preserve this much of a record.

Score by Innings. Highlanders 2 0 0 5 0 11-18 Newswriters 0 0 3 0 0 4-7

Batteries—Nissen and Schlossberg; Campbell and Casey. Nissen struck out 6, walked none, and allowed six hits. Campbell struck out two, walked 6 and allowed 18 hits.

P. McGillivray Retains Swimming Championship

San Francisco, April 28.—Perry McGillivray, of the Illinois Athletic club, retained the American 100-yard indoor swimming championship here today when he defeated a field of eight competitors in 53.2-5 seconds, in the annual race sanctioned by the American Athletic union.

Norman Ross of San Francisco finished five feet behind McGillivray and Clarence Lake of Honolulu was third, with George Cunha of San Francisco fourth. McGillivray went into the lead at the start and maintained his advantage until the finish.

Miss Charlotte Boyle of New York city, won the women's national 50-yard championship with Miss Dorothy Burns of Los Angeles second. Claire Gulligan of New York city. The time was 21.5 and Miss Boyle's victory was won only by a margin of six inches over Miss Burns.

LEAGUE LEADERS CONTINUE STRONG

Giants Lose First Game to Brooklyn After Winning Nine Straight.

RED SOX TAKE SIX

Quakers Keep Step and Win Five Contests of Week's Series With Bobins.

The New York Nationals and Boston Americans kept atop of their respective leagues during the last week, but the winning streaks of both teams were interrupted. The Giants lost their first game of the season to Brooklyn Saturday after winning nine straight. The victory was the first of the season for the Superbas, who had suffered nine successive defeats. The Boston Red Sox, with six straight wins to their credit, lost to New York Monday and dropped another game to Philadelphia Wednesday. The New York National pitchers continued their effective work and were amply rewarded by the batting of their teammates, whose average with the stick was .305. New York made 63 hits in 206 times at bat. Tesreau held Boston in check Monday and Sallee's good work Tuesday gave the Giants a clean sweep of the series with the Braves. Barnes came back and won in the opening game at Brooklyn Wednesday and good batting gave the Giants a 10-inning game Thursday. Mitchell, pitching his farewell game before joining the National army, was batted out by the Giants Friday. Cheney's pitching and batting Saturday prevented McGraw's men from taking the entire series.

Philadelphia Going Strong. The Philadelphia kept step with the league leaders, winning five of their six games. The Quakers had a clean record against Brooklyn, Oeschger shutting them out with six hits Monday and recruit Hogg holding them Tuesday. Boston lost its opening home game Wednesday but won the next day. Main blanketed Boston with four hits Friday. Hogg obtained his second win of the week Saturday.

Chicago won five and lost two games during the week. Alexander won Sunday against Cincinnati, but the Reds took the series by batting opportunely Monday and through Bressler's ability to scatter the Cub's hits Tuesday. Chicago took four closely played games from St. Louis. Vaughn held the Cardinals to one hit and no score in the opening game at Chicago. Hendrix helped to win his own game Thursday, making a triple to double his last of the week. Friday Alexander pitched his last game before joining the National army and won a duel with Mays by allowing only two hits. Tyler was victor Saturday in 12 innings. Wet grounds interfered with the Chicago-Pittsburgh game today.

Pittsburgh broke even with St. Louis in two games and took two out of three with Cincinnati. The pirates pounded Packard Monday and lost Tuesday after obtaining a five-run lead. The Pittsburgh home season was opened with a pitcher's contest between Miller and Schneider of Cincinnati, the former yielding three hits and no runs. Pittsburgh hit Eller freely Friday, but lost yesterday when Cincinnati scored four runs in the ninth inning. Cincinnati lost to St. Louis today.

Red Sox Break.

In the American league, Boston and Cleveland each won four games and lost two during the week. The winning streak of the Red Sox was ended Monday when New York batted out Leonard. Thormahlen held Boston hitless until the ninth inning Tuesday, but lost as the Yankees could not score on Bush, who allowed three hits. Gregg of Philadelphia opened the Athletics' home season Wednesday.

Ities' home season Wednesday by blanking Boston. The Red Sox took the next three games with Mays, Leonard and Bush pitching.

Cleveland won two and lost one each with St. Louis and Detroit. The Browns outslugged the Indians Sunday, but lost the next two, with Cavieskie and Combe opposing them. Detroit opened at home with Cobb in the lineup and defeated Cleveland. The Tigers lost Thursday when Combe pitched another good game. Chapman's home run gave Cleveland a 12-inning victory yesterday. Rain prevented today's game.

Chicago's schedule was disrupted by rain. After losing to Detroit Monday the world's champions rested until Friday, when they opened their home season by defeating St. Louis and although held to three hits by Sothoron, beat the Browns again today.

New York divided four games with Washington. Russell won the opening game at New York and repeated

Saturday. Yingling, another pitcher called for the National army, won Thursday and Johnson pitched his first victory of the season Friday. Philadelphia defeated Washington twice Johnson suffering his third straight defeat Monday and Myers blanking the senators Tuesday.

Eddie Collins, second baseman of the Chicago Americans, made a world's record Friday by having played in 473 consecutive games.

HOLLAND YIELDS TO HUNS. London, April 28.—Holland has yielded to Germany's demands concerning transportation and the supply of sand and gravel, although it is understood the amount of sand and gravel will be limited instead of unlimited, according to a dispatch from The Hague to the Daily Mail, dated Sunday.

Probably the worst thing about poverty is the monotony connected with it.
