## RALLY IN NINTH BEATS CARDINALS

Cincinnati Comes From Rear With Rush and Breaks Up Game.

## GIANTS HOLD TO LEAD

New York Defeats Phils by 6-to-0 Score, Keeping First Place.

Cincinnati, April 29.—Cincinnati won from St. Louis today by a sharp batting rally in the ninth inning. The visitors scored one run in the second on Hornsby's double and Smyth's single and added two more in the fourth on hits by Baird, Hornsby and Smyth. Meadows held the locals perfectly safe until the sixth when hits by Groh and Roush, S. Magee's triple to right and a single by Griffith gave them three runs, tying the score. With one out in the first half of the eighth Niehoff doubled to right and Baird walked. Regan was then relieved by Eller, who pitched Hornsby, filling the bases. Cruise fled to Roush, who juggled the ball but caught it before it reached the ground. Niehoff ran home from third on the out, but was called out by Umpire O'Day for leaving third base before the catch was made, thus completing a double play. In the last half of the ninth Neale and Blackburn singled and Wingo was purposely passed, filling the bases. Chase batted for Eller and forced Neale at the plate, but Groh sent a long fly to right on which Blackburn scored the winning run.

Score: R. H. E.  
St. Louis 3 8 1  
Cincinnati 4 10 2  
Meadows and Gonzales; Regan, Eller and Wingo.

New York Holds Lead. Philadelphia, April 29.—New York retained its hold on the National league lead by blanking Philadelphia today, 6 to 0. Teareau allowed five scattered singles, while Mayer was batted freely, extra base hits and Stock's wild throw accounting for virtually all the Giant's runs. Kauff was the star, getting a double and three singles in five times up. Young hit the first ball Mayer pitched for a triple.

Score: R. H. E.  
New York 6 11 1  
Philadelphia 0 5 2  
Teareau and McCarty; Bardeen; Mayer, Tincup and Burns.

Two Games Postponed. Brooklyn-Boston, postponed, wet grounds.  
Chicago-Pittsburgh, cold.

## MISSOULA MAY GET \$50,000 FOR ROADS

County Wants Aid of U. S. for Highways.

Missoula county's application for federal aid in the sum of \$50,000 to be used in the construction and maintenance of public highways is being favorably considered and is likely to be granted, according to word received from Paul Pratt, chief highway engineer of Montana.

The commissioners of Missoula county asked that this sum be made available in five yearly installments of \$10,000 each. The money will be used solely for the maintenance and improvement of the reservation roads.

## High School Track Team Will Hold Meet With "U"

The track team of the Missoula high school will meet the university track team in a three-day track meet on Montana field, starting tomorrow.

FISHERMEN MEET TONIGHT. The Western Montana Fish and Game association will meet in regular business session this evening at 8 o'clock, in the office of Attorney Thomas N. Marlowe in the First National bank block.

## BIG THINGS DOING AT '18 STAMPEDE

The 1918 Stampede committee believes in no one thing more than in preparedness. And in evidence of that fact, Secretary James A. Walsh announced yesterday that the advertising which is being prepared to cover western Montana, and parts of Idaho and Washington will be in readiness for distribution very shortly.

Following in line with their policy of a Stampede this year that will be bigger and better than ever, the committee in charge of the Stampede is to meet shortly with a committee representing the chamber of commerce to arrange for extra attractions, to be held in those hours when the big show at the fair grounds is not in progress.

### Patriotic Parade Is Feature.

One of these attractions will be a great patriotic parade. This parade, if present anticipations are at all carried out to success, will rival the great demonstration of loyalty which was staged in Missoula on last Friday—Liberty day.

All organizations in the city will be asked to turn out once more for another demonstration of patriotism. Local business houses, labor and fraternal organizations, schools, societies, the university summer school and the clubs of the city will take part. There will be music not only by the Missoula band and the local drum corps, but the Missoula Mercantile company and the Northern Pacific railroad, but by the Polson Cowboy band, which made such an excellent impression here a year ago, and possibly by another band, too.

### Evening Entertainment.

In the evening, after the Stampede show has closed for the day at the fair grounds, it is planned to have other and unusual entertainment for the crowds who will be in the city. Just what this entertainment is to be will be kept secret for a time, but it is promised that it will be of a nature which will differ from anything of the kind ever held in western Montana.

The evening entertainment will start at 8 o'clock, thus giving the crowds who will attend the performance at the Stampede proper plenty of time for dinner following the closing of the big show in the afternoon. Those who go to the fair grounds may be sure that they will miss none of the city's evening attractions by remaining until the last event on the card is run off.

Co-operation is the word which will make the coming wild west exhibition unequalled in the history of the city or the state. Every business man, the chamber of commerce and the Stampede committee are laying plans for working together in a way to insure the biggest and best show that can be staged in the west.

## MITCHELL LOSES HIS LAST GAME

Knocked Out of Box on Eve of Departure for Army Training Camp.

## WHITE SOX WINNERS

Hit Cleveland Hurlers and Take Opening Game, 8 to 4.

St. Louis, April 29.—Poor pitching by Mitchell, Hall and Fineran enabled St. Louis to win the opening game of the series from Detroit here today, 12 to 3. It was Mitchell's last game with the Tigers. He leaves tonight for Camp Pike, Little Rock, Ark., having been drafted.

Off the three Detroit pitchers St. Louis secured 11 hits, ten bases on balls and one hit batsman. In the fifth and eighth innings the locals batted around, getting five and four runs, respectively.

Score: R. H. E.  
Detroit 3 8 4  
St. Louis 12 11 2  
Mitchell, Hall, Fineran and Stange; Davenport and Nunamaker.

### White Sox Hit and Win.

Cleveland, April 29.—Chicago opened its series in Cleveland by hitting three Cleveland pitchers hard and winning, 8 to 4.

After Williams had held Cleveland to three hits in six innings, he lost control and passed the first three men up in the seventh. Danforth relieved him and passed Chapman. Speaker singled and Danforth gave way to Clettle, who allowed one more to score on a sacrifice fly.

A double play by Speaker was the feature of the contest. With Collins on second and Jackson on first Speaker trapped Felsch's fly and tagged Collins, then touching second, forcing Jackson, thus repeating a play he worked on Detroit ten days ago.

Score: R. H. E.  
Chicago 8 14 9  
Cleveland 4 4 1  
Williams, Danforth, Clettle and Schalk; Groom, Cumble, Enzmann, Wilkinson and O'Neill.

**SAYS HOT WATER WASHES POISONS FROM THE LIVER**

Everyone should drink hot water with phosphate in it, before breakfast.

To feel as fine as the proverbial fiddle, we must keep the liver washed clean, almost every morning, to prevent its sponge-like pores from clogging with indigestible material, sour bile and poisonous toxins, says a noted physician.

If you get headaches, it's your liver. If you catch cold easily, it's your liver. If you wake up with a bad taste, furred tongue, nasty breath or stomach becomes rancid, it's your liver. Sallow skin, muddy complexion, watery eyes all denote liver uncleanness. Your liver is the most important, also the most abused and neglected organ of the body. Few know its function or how to release the dammed-up body waste, bile and toxins.

Every man and woman, sick or well, should drink each morning before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it, to wash from the liver and bowels the previous day's indigestible material; thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Limestone phosphate is inexpensive; any pharmacist will sell you a quarter pound, which is sufficient for a demonstration of how hot water and limestone phosphate cleans, stimulates and freshens the liver, keeping you feeling fit day in and day out.
