GENERAL NEWS.

Doings Throughout the World and the Nation.

Items Taken From the Latest Telegraphic Reports on Subjects of Interest.

The fire in the Calumet & Hecla mine is out, and the shaft was opened Monday.

The president has appointed [Chas. O. Stokeler receiver of public moneys at Hailey, Idaho.

A terrible conflagration is raging in the town of Vezprim, Hungary, 200 houses having been burned.

Speaker Carlisle went to Oakview last Thursday afternoon to spend a few days as a guest of the president.

Kingston broke the seven-eighths of a mile record at the Coney Island meeting last Thursday. Time, 1:27.

The Memphis & Little Rock railroad was sold under mortgage last week to R. K. Dow, of New York, for \$2,800,000.

The English government proclaimed the projected monster meeting of the league at Bally Coree-Claro on Sunday.

The steamer Samaria, which left Liverpool August 31, for Boston, has been sighted returning to Queenstown, disabled.

There has been an alarming outbreak of trichinosis in Brunswick, Germany. Sixty persons have been afflicted, of whom seven died.

Four hundred feet of boring will complete the tunnel through the Siskiyou mountains on the line of the California & Oregon railroad.

Seven line steamers which have sailed from the port of Queenstown in the two days following August 29th took on board 858 emigrants for America.

William Dunphy, the great cattle man, has just selected 40,000 acres more of railroad land in Nevada, making nearly 90,000 acres he has taken this year.

If the Cuban agitation increases, Premier Sagasta will summon the cortes to meet at Madrid in October to consider what can be done to pacify the Cubans.

Dr. Carver, in the shooting exhibition at Dubuque, Iowa, last Tuesday, broke a thousand glass balls in forty-three minutes and twenty-three and a half seconds.

Latest advices from Hill county, Texas, state that every bridge in that county was washed away by rains and the damage to crops and farms will not fall short of \$10,000.

Jefferson Davis has accepted an invitation to attend the state fair in Macon on October 26th. On that day there will be a re-union of all surviving ex-confederate soldiers.

Advices from Valparaiso, dated July 29, says: A severe earthquake shock was experienced here on Thursday at 4 p. m., followed by another shock yesterday and two this morning.

A number of ladies of Madrid have organized a series of national basque games for the purpose of raising funds for a testimonial to the pope on the occasion of his jubilee.

While a big gun was being cast in Sheffield, Eng., last Tuesday, it exploded, killing four men on the spot and injuring many others. The buildings of the establishment were more or less shattered.

Cholera has been raging at Angot, in the Argentine Republic. On July 30 there were 50 cases in Mazarato and Concepcion, and about 50 in private houses. The epidemic is now sweeping northward.

Mrs. Maloney, the woman evicted at Herbertstown last Wednesday, died on Saturday. All the shopkeepers of Bruff, Ireland, closed their shutters out of respect for the deceased. An inquest will be held.

There is great excitement at Wapakoneta, Ohio, over the absence of Israel Lucas, county treasurer. Lucas left town last Saturday night and has not returned. His accounts are discovered to be \$3,000 short.

The sealing schooner Pathfinder has arrived at Victoria, having on board 2,377 seal skins. During the time she was in Behring Sea she only spoke one vessel and did not learn of the seizure of sealing schooners until she arrived here.

The ship, Falls of Bruar, of Glasgow, bound from Hamburg to Calcutta, with a cargo of salt, foundered off Yarmouth, the cargo having shifted. Five of the crew were rescued and twenty-four were drowned, most of whom were Germans and Swedes.

George C. Miln, the actor, was nearly drowned at Winnipeg, Tuesday. While out sailing on the Red river, his boat was upset by a regular squall. Miln could not swim, and was nearly drowned before he was rescued by some members of the Winnipeg rowing club, who saw the upset.

The collector of customs at Suspension Falls, New York, last Wednesday evening, seized the Canadian steamer, Hastings, at Lewiston, for a violation of the navigation laws, in carrying passengers between Lewiston and Olcott, two American ports.

E. J. Baldwin's well-known horse, Lucky B., died late Saturday night at Sheepshead Bay, New Jersey, from spasmodic paralysis of the brain. Four veterinary surgeons attended him, and everything that money could do was done to save him.

The total coinage executed at the mints of the United States during the month of August was 9,282,000 pieces, of the value of \$3,304,300. Of this amount \$60,000 were half eagles, \$2,970,000 standard silver dollars, \$195,000 dimes, and \$18,300 half dimes.

The secretary of war has approved the request of the Ex-Confederate association at Chicago, to erect a memorial to the confederate dead, buried in the government lot at Oakwood cemetery, near that city, under such regulations as may be prescribed by the quartermaster general.

No official report of last Friday's trial of the new cruiser Boston has yet been received at the navy department but there was a general feeling of satisfaction among the naval officers on duty that the vessel succeeded in developing more horse power than the 3,500 required by the contract.

The affairs in the Hawaiian kingdom continue to remain tranquil. An active political canvass is being made for the election under the new constitution, which will occur September 12. The nominees for the new house of nobles and house of representatives are nearly all Americans or Englishmen.

The recent importation into Boston from Ireland of five female spinners by Ross, Turner & Co., manufacturers of twine, thread, etc., has resulted in a suit by the union against the firm for violation of the United States statute, prohibiting the importation of foreign labor. The penalty is \$1,000 in each case.

In the New Hampshire senate, Tuesday afternoon, Senator Sawyer, rising to a question of personal privilege, stated that Kirk D. Pierce had on Wednesday last offered him a bribe of \$5,000 to make a speech in favor of the pending Boston & Maine railroad bill, and that he had spurned the offer. A committee of investigation was appointed. Pierce declares the charge untrue.

The new law against the adulteration of wine, went into effect in New York state last Thursday. It absolutely forbids the manufacture or sale of any wine that has been treated with any one of a dozen deleterious substances and leaves water and sugar with grape brandy about the only things that can legally be added to the pure juice of the grape in the manufacture of wine.

Counsel for Henry R. Cassill obtained an injunction in New York last Thursday, restraining Robert and Charles S. Milliken, Henry D. Clapp, Albert H. Keeford and John East from listing any of the stock of the Montrose mining company upon the consolidated or any other exchange, and from the distribution of any stock, and from the parting with any money realized from the sales of such stock.

A theater at Exeter, England, caught fire, Monday evening, during the performance of "Romany Rye." The occupants of the pit, after a terrible struggle, escaped, but many of them were greatly injured. There was only one exit from the gallery, and the crush there was terrific. Scores were trodden under foot and suffocated. A fire escape was brought to a window and many inside were rescued. One hundred and thirty bodies have been recovered and more to hear from.

The members of N. J. Crane post, G. A. R., of Cleveland, Ohio, have adopted resolutions which declare: That this post looks with disapprobation and condemnation upon any and every demonstration of disrespect towards the legally constituted executive of the national government, the same being subversive of the foundation principles of the Grand Army of the Republic, and we hope the department, in its convocation at St. Louis, will take such action as will demonstrate that the Grand Army of the Republic is not an organization for public purposes, or through which to manifest hatred or ill-will.

TERRITORIAL NEWS.

Items of Interest From Both Sides of the Divide.

Notes Clipped and Condensed From Exchanges Published Within the Territory.

Missoula county is overrun with fruit tree peddlers.

The Manitoba is expected to reach Benton by October 1.

There is considerable sickness at Anaconda, principally typhoid fever.

A. J. Leopold, a switchman on the Montana Union, was run over and killed at Anaconda, Saturday.

Last Friday morning Robert Duncan, a brakeman of the Montana Union, was run over and killed at Anaconda.

The report of the expulsion from the Yellowstone Park of C. E. Waters proves to have been without foundation.

The delay on the Northern Pacific is caused by the culverts being washed out between Forsyth and Big Horn crossing.

The Anaconda Fluming company, operating near Mill creek, is a present delivering 400 cords of wood per day to the Anaconda company.

Hermann Guenther, the husband of a negro prostitute, shot and killed George Moore, of whom he was jealous, at Missoula, last Saturday, and then committed suicide.

The extreme altitude of the Montana Central, where it crosses the summit of Rockies at Woodville, is 6,320 feet. The bed of the tunnel at Woodville is 6,250 feet in height.

Active work has been commenced for the erection of the new Opera House at Anaconda. In size it is 102 x 50 feet. The walls are already completed for the first story of the building.

The legislature has been busy with new bills during the entire week and have done very little towards repealing or altering the measures which were the principal cause of the special session.

Saturday evening Chief Meiklejohn arrested Prof. True, a mineral powder fakir, for creating a disturbance and blocking the streets. He was tried on Monday in the Butte police court and acquitted.

Inter Mountain: One of the gamiest base ball contests of the season was played at the circus grounds Sunday between the Red Socks and a picked nine, which resulted in favor of the former by a score of 9 to 8. Ten inning were played.

A man, whose name is unknown, attempted to swing himself on the trucks of a car of an out-going Utah & Northern train from Butte on last Wednesday. He lost his hold and fell. The train passed over him and completely severed his head from his body.—Dillon Tribune.

Hon. James Shields, internal revenue collector, has just returned from a trip to Idaho. While absent he succeeded in recovering from the Pacific Express company the amount of \$970, which mysteriously disappeared while being expressed from his deputy at Boise to him at Helena.

Last week a cave occurred in the Woodville tunnel, eight miles east of Butte, which is being constructed for the Montana Central railroad company. The cave occurred in the north end of the tunnel, which has been driven nearly 200 feet, at a distance of about 175 feet from the end.

Acting Secretary Muldrow last Friday directed an investigation into an alleged singular disposition of a land case by the local land officers at Helena, Montana. The land in question is eighty acres preempted within the Helena land district by L. Hodge in 1879, known as a commutation homestead entry.

The continued rains which have prevailed in northern Montana for the last week have caused quite a rise in Sun River, although not enough to prove serious. The weather is and has been quite cold. The mountains in the vicinity are covered with snow, showing that the weather was quite severe.

Inter Mountain: From a railroad employe it is learned that there was a small size cave in the Mullan tunnel on Monday. It occurred at a point just east of the break which caused so much delay several months ago. The cave was not large, and there was no delay to traffic. The report is confirmed by passengers who saw the men removing the debris on Tuesday. Only about half a dozen men were at work. No information can be had as to whether there are dangerous indications of further caving.

GRANITE BUDGET.

News of a Local Character from the Camp on the Hill.

The latest freak—Fox's polka.

David Pritchard returned from Helena, Saturday.

E. H. Moore has begun the erection of his mammoth hotel.

L. S. Cohn, of Butte, came up Saturday to look after his business in Granite.

Mrs. George Earl and Master Harry left for Michigamme, Michigan, last Sunday evening.

W. J. Swartz, of the tonsorial fraternity at Granite, has obtained the services of J. R. Howard, of Helena.

John Black, of the West Granite, departed Monday morning for a visit to the home of his childhood—New York City.

Morse & Bradshaw have accepted the central telephone office, Mr. Swartz resigning. It will no longer be a public station, but a private one.

S. A. Williamson, principal of the Philipsburg public school, and George Swartz visited their cousin, W. J. Swartz, of the Hill Sunday evening.

Frank Hedges is the happy father of a bounding baby boy. The little stranger made his appearance in his future home last Saturday morning. Mother and son are doing nicely.

The bell given by the Knights of Labor in honor of the opening of their new hall was a grand affair. There were 115 tickets sold. Between thirty and forty ladies were in attendance. The ball was acknowledged to have been the most enjoyable event that has ever taken place in Granite. Quite a number of people came up from the Burg.
