

The woman who truly loves her child will keep a watchful eye on his health. She will remember that if his health is neglected, any telephone call from the office may be a message that he has been stricken by death. The average man does not feel that he has time to fool away about trifling indispositions. He is too busy making money. He says he leaves sickness to the women folk.

That is the way men commit suicides—of thousands of them. A woman can stand between this danger and her husband if she will. A little watchfulness—a suggestion now and then and a little of a good general remedy always at hand may save her husband's life. Dr. Pierce's Golden Medical Discovery is a remarkable remedy for hard working men and women. In a certain sense, it is a cure-all, for the reason that it goes down to bed rock and cures the disorders that are responsible for the majority of serious illnesses. It strengthens the stomach, and makes the appetite keen and hearty. It invigorates the liver. It aids the natural processes of secretion and excretion. It makes the assimilation of the food perfect. It purifies the blood and fills it with the life-giving elements that build new and healthy flesh tissue. It tones the nerves. It is the great blood-maker and flesh-builder. It cures 98 per cent of all cases of indigestion, bronchitis, throat and kindred ailments, which, if neglected, lead up to consumption. It is also an unfailing remedy for all nervous disorders. An honest dealer will not urge a substitute.

Last winter I took sick with what the doctors called a gripe," writes Mrs. Sarah Farley of Fairfax, Atchison Co., Mo. "Was sick for about four months and nothing that I took seemed to do me any good. My friend thought I had consumption. I coughed up blood for a long while, and nearly gave up all hope of ever getting well. I heard of Dr. Pierce's Golden Medical Discovery and thought I would try it. I had not finished the first bottle when I began to get better. I have taken two bottles of the 'Golden Medical Discovery' and one of the 'Favorite Prescription' and feel better than ever before in my life."

**HOW A WOUND HEALS.**  
When the Blood is Pure a Wound Heals Quickly.  
The Fact Demonstrated in the Case of a Baptist Clergyman of Ashley, Ohio.

From the Times, Ashley, Ohio.  
Elder A. S. Shoemaker has been a life-long resident of Ashley, Ohio, and is favorably known by a wide circle of friends in this part of the state. For many years he was a prominent Baptist minister. He has been Mayor of Ashley for three successive terms, filling the position with dignity and honor, and has held other offices of trust.  
He is sixty-six years of age, hale and hearty, and attributes his present healthful condition entirely to the use of Dr. Williams' Pink Pills for Pale People.  
"For about twenty-five years," he says "I was afflicted with rheumatism and was confined to my bed. I could not remain in one position for but a few moments at a time and could sleep but little at night. I was dragging out a miserable existence. Especially in damp, lowery weather I would be very miserable. I frequently remarked that I was a traveling barometer, as I could always tell when a change in the weather was coming. I tried a great many remedies that were recommended, but they did not help me.  
"One day while at work and complaining of my pain in the presence of Mr. Elias Bishop, a neighbor, he asked me if I had ever tried Dr. Williams' Pink Pills for Pale People; I told him no. I had never heard of them. He advised me to try them, saying they had benefited him and might help me. I replied, that I had no faith in any medicine as I had tried so many different remedies without receiving any benefit that I did not think it worth while to throw away more money.  
"Time passed on for nearly a year until one night I was suffering intense pain and I thought of Dr. Williams' Pink Pills for Pale People and concluded to try them. In the morning I went to the drug store and purchased a box of the pills and commenced using them according to directions.  
"It was the wisest thing I ever did. On the third night after commencing their use I went to bed and slept all night without a particle of pain. I continued taking the pills until I used five boxes and have not felt any symptoms of my old trouble since that time, now two years ago.  
"Just after I stopped the use of the pills I met with an accident. In chopping wood I cut my foot very badly, the axe going clear through the instep of my foot. It was thought the wound would be very hard to heal for a man of my age, but to the surprise of everybody it healed quickly without any difficulty. I attribute this also to the good condition of my blood through the use of the pills.  
"In rheumatism the blood has an acid impurity which irritates the sensitive tissues that unite the joints and cover the muscles, thus causing those indescribable tortures which rheumatic sufferers endure. Rheumatism is always dangerous as it is liable to attack the heart.  
Years ago those afflicted, were bled; as if taking away some of the impure blood could remedy the balance. This folly has been abandoned, and to-day physicians prescribe blood-purifiers and druggists recommend the use of Dr. Williams' Pink Pills for Pale People, as these marvelous vegetable pills go directly to the seat of the trouble exerting a powerful influence in purifying and enriching the blood by eliminating poisonous elements and restoring the life-giving forces, thus making a potent remedy for curing this disease."
