All Work Guaranteed to Give Perfect Satisfaction or Your Money Refunded.

Among the reasons which commend me to those requiring the services of a watchmaker are the following:

(1) Having for over 20 years given perfect satisfaction to the world's most eminent horologists of Dresden, Paris, London, Shanghai, Yokohama and San Francisco, proof of which I have in their own handwriting, patrons are absolutely secure against the botching of their timekeepers, which is of no small importance when it is considered that, with rare exception, watches are not worn out by their owners, but are ruined by bad workmanship.  
(2) An honest guarantee is given for one year, during which space of time watches are cleaned several times, if need be, free of charge.
