

DR. PRICE'S BAKING POWDER

Dr. Price's Baking Powder is the true friend of all the people, rich and poor alike. It supplies a pure, wholesome leavening agent, which makes the biscuit and cake of highest healthfulness at medium cost and protects the food from alum, which is the greatest dietary danger of the day.

The foremost baking powder in all the world.

PRICE BAKING POWDER CO., CHICAGO.

NOTE.—Alum baking powders are low priced, as alum costs but two cents a pound; but alum is a corrosive poison and it renders the baking powder dangerous to use in food.

Second Time on Earth

No Boils Nor Carbuncles Now—A Good Blood Medicine.

"I became convinced of the merit of Hood's Sarsaparilla when I took it myself as a blood purifier. So, when my husband had boils and carbuncles I urged him to take Hood's and the result was that when he had used but one bottle the boils had nearly all disappeared. He continued the use of the medicine and after taking two bottles he was completely cured, and, as he expressed it, felt as if he was on earth for the second time. He has never had any boils since. We take Hood's as a spring medicine and gladly recommend it." Mrs. A. E. STATA, Yonkers, N. Y.

Scrofula from Birth.

"I have found Hood's to be the greatest blood purifier I ever took, and I have tried many medicines. I was a sufferer with scrofula from birth. Medicines failed to do me any good until I began taking Hood's Sarsaparilla. Today I have excellent health and my eyes give me very little trouble. I owe it all to Hood's, which I recommend to all suffering from any disease of the blood." Miss KETTIE McCURR, Silver Creek, Ky.
