PRESSING ON TO VICTORY.

Republicans Held an Enthusiastic Meeting Last Night.

T. J. Porter, republican nominee for attorney general, addressed a good sized audience at McDonald's opera house last evening. Hon. E. M. Hammond of Tennessee and Hon. D. E. Folsom were expected to be here with Mr. Porter, but Mr. Hammond was called home on account of the illness of his family and Mr. Folsom contracted a severe cold several days ago and was obliged to cancel his engagement.

H. I. Weinstein, republican nominee for the legislature, presided at the meeting. In his opening address he referred briefly to the bribery and corruption practiced by the democratic bosses and called upon the audience to consider the present political situation in Montana from a moral as well as a practical standpoint. He spoke for about twenty minutes along that line and was followed by Mr. Porter, who was accorded the closest attention of the audience for nearly two hours. Owing to the lateness of the hour Hon. J. R. Grace of Butte, who was also present, did not address the meeting, and Mr. Porter's address concluded the program for the evening.

On account of Mr. Folsom's inability to be here the meeting at Granite, billed for this evening, was postponed until such time as Mr. Folsom's health will permit him to come.

The best of order prevailed throughout the entire meeting. Mr. Abbey's resignation from the police force no doubt being to some extent responsible for this.

Abbey does not want any populist votes. Populists generally have long hair and he has a positive abhorrence for long hair.

When you cannot get the first best thing take the next best. That is evidently what Tommie Hynes thought when he accepted the nomination for assessor after he failed to land the nomination for representative.
