INVASION GROWS

Not Less Than Five Thousand Burglars Have Entered Cape Colony.

They Are Now Ranging Over Immense Tracts of British Territory.

CALLED OUT THE FARMERS

Population in the Eastern Portion Promises a Splendid Response.

Western Part Doubtful as Not One-third Are Counted as Loyal.

LONDON, Jan. 2.—The Cape Town correspondent of The Daily Mail, who dwells upon the gravity of the position in Cape Colony, says:

"The Boer invaders now number 5,000. The western invasion gives the most concern. It has split into two divisions, which are moving like the prongs of a fork, one by way of Sutherland toward Malmesbury and the other toward Beaufort West.

"The enemy are now ranging over immense tracts of territory, necessitating the employment of an army corps to deal with them. Lord Kitchener has poured troops into the disturbed areas, but the fugitive tactics of the Boers have to a large extent neutralized his precautions.

"It was felt that the only means of excluding the invaders from the rich districts in the western part of the Colony was to call out the farmers. Telegrams received promise a splendid response from the eastern portion, but the western is doubtful, nor 30 per cent of the population being regarded as loyal. Hence the Boer concentration in that direction.

Large Reinforcements Needed.

"Letters are arriving here detailing damage and robbery by the invaders and beseeching military assistance. Any action on the part of the Colony will not abate the urgent need of large reinforcements."

"The aspect of affairs is scarcely less gloomy," says the Cape Town correspondent of The Times, "than at the beginning of 1900. The invading Boers are numerically fewer, but they have penetrated further south and their presence in such centers of hostile Dutch feeling as Graaf Reints, constitute an element of danger which did not exist last January.

"The proclamation calling for volunteers comes very late. The invaders have been enabled to obtain fresh horses. All the horses in the Colony ought to have been commandeered or bought at the first sign of invasion."

The correspondent complains of the inertia and reticence of the authorities.

Boers Looting Farms for Supplies.

CAPE TOWN, Jan. 2.—A special meeting of the cabinet was held at which, it is hoped, a decision was reached for a further extension of martial law. A message from Carnarvon reports that the Boers are looting farms along their route for supplies.

Captured Fourteen of Nesbitt's Horses.

COLESBURG, Cape Colony, Monday, Dec. 31.—Two hundred and fifty Boers captured 14 men of Nesbitt's horse 50 miles southwest of Colesburg. The enemy, since increased to 800, has appeared near Wellredon and is driving off stock.

New Life Saving District Created.

SEATTLE, Wash., Jan. 2.—News of the creation of a new life saving district to include the sea waters of Alaska, Washington and Oregon, with headquarters at Tacoma, has been received. The formation of the new district will result in the establishment of a station at Cape Flattery. There is at present no station north of Grays Harbor. It is said that there will also probably be a station at Nome before many months.

Will Cost Rockefeller \$100,000.

NEW YORK, Jan. 2.—Rev. A. I. Strong, president of the Rochester theological seminary, is now in this city, having completed a tour on which he was sent out to raise funds for the seminary. John D. Rockefeller had offered to duplicate any amount which the friends of the institution would raise before Jan. 1, 1901, and it now appears that he will be called on to give about \$100,000.

Killed by a Burglar.

PUEBLO, Colo., Jan. 2.—Walter C. Costley, a druggist, was shot and killed in his store by a burglar. The body was later found by a clerk in the employ of Costley. The cash register had been rifled and every pocket in the murdered man's clothes had been turned inside out. The burglar escaped.

CHICAGO WICKEDNESS.

The Grand Jury Inquisitors Cannot Remedy It.

CHICAGO, Jan. 2.—The grand jury investigation of vice and city hall methods is over. Final witnesses were heard at the morning session in the persons of Comptroller Kerfoot and Commissioner McGann of the public works department. This left the inquisitors nothing to do in the afternoon but present their report and adjourn sine die. Embodied in the report, which is said to be one of the most candid ever delivered by a Cook county grand jury, are an account of the difficulty experienced by the inquisitors in getting witnesses to talk of "tribute money" alleged to be exacted by police officials; a summary of reasons, including this silence of grand jury witnesses, why more indictments have not been found; a treatment of the special assessment system and a discussion of the question of saloon dives, in which the body refers to the indictments found Friday and Saturday.

SOME DEATHS REPORTED.

Disastrous Floods Continue Throughout England.

LONDON, Jan. 2.—Dense fog, of what is called the "pea soup" variety, and is the worst in several years, covers the whole of the London district, seriously interfering with traffic of all kinds. Even pedestrians have difficulty in finding their destinations. The floods continued in the country. The water in the lower part of the Thames is 14 feet deep and the tops of cottages are just appearing above the waves. Boats have been kept busy rescuing the inhabitants of the place from the water. Four deaths from drowning are reported. Thousands have been rendered idle through the closing of inundated works. In some districts trains were held up all night, out of the reach of assistance.

MUST PAY A BIG TAX.

Iowa Cigarette Dealers Will Be Assessed an Extra \$3000.

FOUR DODGE, Ia., Jan. 2.—County Attorney Chaudland has issued notices to the assessors of different townships in the county, calling upon them to return the names of all cigarette dealers in the county, in order that a \$300 assessment may be collected as provided by law. This action is directly traceable to the recent action of the American Tobacco company as the result of a decision by the United States supreme court in Tennessee, where the cigarette law is practically identical with the Iowa law, which worsted the dealers. The action of the county attorney created a great sensation among the tobacco dealers.

PAUNCEFOTE TO STAY.

Lord Salisbury Obtains His Promise Not to Retire in April.

LONDON, Jan. 2.—Lord Salisbury, if it is stated on reliable information, has obtained a promise from Lord Pauncefote that he will not retire from the Washington embassy in April, when his year's extension will terminate, but will remain until the Nicaraguan canal question is settled or it is convenient to the premier to appoint a suitable successor.

Sir Henry Howard, present ambassador at The Hague, has the strongest claims on Washington, but he is ruled out because he married an American, the daughter of G. W. Riggs of Washington.

WOULD BE DOORKEEPER.

Frank James, the Once Noted Bandit, Seeks Legislative Honors.

ST. LOUIS, Jan. 2.—A picturesque contest for office in the legislature, which will meet at Jefferson City this month, is that of Frank James, the once noted bandit, for doorkeeper in the house of representatives. In discussing his candidacy Frank James said:

"I have twice as many votes as any other candidate and no combination can beat me."

Strong opposition to James is said to be under way, on the ground that to honor him with an office in the house of representatives would be humiliating to the state at large.

SU-HAI DECAPITATED.

Murderer of Baron Von Ketteler Executed at Peking.

BERLIN, Jan. 2.—A dispatch from Peking dated Monday, Dec. 31, says that Su-Hai, the murderer of Baron von Ketteler, the German ambassador, was decapitated on the scene of his crime at 3 o'clock this afternoon.

Seven Out of Eight Killed.

VICKSBURG, Miss., Jan. 2.—A telephone message to The Herald from Fayette says that two heavy freight trains on the Yazoo and Mississippi Valley railroad, both double headers, collided near Hays station, 50 miles south of here, and that seven men of the eight in the crews were killed.

Nebraska Legislature in Session.

LINCOLN, Neb., Jan. 2.—The Nebraska legislature convened at noon for its 27th session. William G. Sears of Burt county, the Republican caucus nominee, was made speaker of the house by unanimous vote. Senator C. F. Steel was made president pro tem. of the senate.

Mr. and Mrs. Thos. Long entertained a number of callers on New Year's Day.

IT IS UNANIMOUS

Republican Members of Pennsylvania Legislature Assemble in Caucus.

Colonel M. S. Quay Is Named as the Party's Candidate for Senator.

HIS FRIENDS ARE JUBILANT

Have Already Pledged 126 of the 127 Votes Necessary to a Choice.

Claim That on Joint Ballot They Will Have More Than a Majority.

HARRISBURG, Pa., Jan. 2.—Colonel Quay was the unanimous choice of a joint caucus of Republican senators and representatives held in the house chamber to nominate a candidate for United States senator. The caucus was attended by 133 members of the assembly, or 4 less than required to elect at the joint session which will be held Jan. 10. Those absent were Messrs. Hill and Tiffany of Susquehanna county and McPherson of Adams, who voted with the Democrats in the house for General Kutz for speaker. Mr. Beaver of Juniata, who voted with the stalwarts for Marshall for speaker, was present but did not answer to his name. It was stated that he will abide by the caucus. Thompson of Center and Haldeman of Montgomery, who are detained at home by illness, were pledged by their colleagues to Quay. This apparently gives Mr. Quay 126 of the 127 necessary to a choice.

The other absentees, with those who voted with the Democrats on the organization of the house, are classed as anti-Quay Republicans. Speeches were made nominating Mr. Quay, Congressman John Dalzell and Judge John D. Stewart. On the balloting Mr. Quay received the votes of 26 senators and 93 members of the house.

Other Candidates Withdrawn.

Before the result was announced Messrs. Dalzell and Stewart were withdrawn and the nomination of Mr. Quay was made unanimous and he was thus given a total of 123 votes. As the names of certain men who had been counted in the anti-Quay column were called and they answered and cast their votes for Mr. Quay there was a demonstration of great approval on the part of those present.

The Quay people are jubilant over the result of the caucus, as the number present exceeded their expectations and they claim that on joint ballot they will have many more than enough to elect.

At the first meeting of the present legislature the senate organized by the election of William P. Snyder of Chester for president pro tem. He polled the full Republican vote. The Democrats voted for William E. Miller of Cumberland. William T. Marshall of Allegheny was chosen speaker of the house by a majority of 1 vote over General William H. Kootz of Somerset. Five Democrats joined with 95 Republicans to elect Mr. Marshall. One other Democrat was present, but did not vote. The rest of the Democrats and the anti-Quays voted for General Kootz.

FAMINE THREATENED.

Amur and Maritime Provinces of Russia in a Deplorable Condition.

ST. PETERSBURG, Jan. 2.—A dispatch received here from Vladivostok reports that famine threatens the Amur and Maritime provinces. The crops there are bad and the railways, being almost wholly engaged for war purposes, cannot be used for the transportation of food to the inhabitants. In addition the prohibition of foreign coastwise trade has prevented importations into the threatened provinces. The situation is deplorable and becoming worse.

Czar Welcomes Russian Troops.

ST. PETERSBURG, Jan. 2.—At Lavidia the czar viewed the Russian troops that have been returned from China. His majesty passed in front of the detachments and then ordered a march past. As each company passed the czar thanked them for their services. Dinner was served to the soldiers in their barracks, where the czar passed about from one table to another, addressing remarks to individual soldiers.

Are Having Great Sport.

GEORGETOWN, S. C., Jan. 2.—The White Lily, the steam yacht which ex-President Cleveland and party occupy during their hunting expedition at Murphy island, near this city, came up to town to replenish stores. The captain of the yacht states that there is an abundance of game in that section and the party are having great sport. They will remain a week longer.

Fred Lauer of Granite was a visitor in the City Wednesday.

CAPTURED PAT CROWE.

Detectives Got the Alleged Kidnapper on the Pine Ridge Reservation.

ST. LOUIS, Mo., Jan. 2.—A special to The Journal from Chadron, Neb., says:

When the detectives started a posse after Pat Crowe they were on a hot trail and have captured their man. Three riders following Crowe came upon him on the Pine Ridge reservation near Oelrichs, S. D., and captured him after a wild chase. Crowe was driving a team and buckboard. He whipped the horses and tried to outrun the horsemen, who soon brought him to a halt with their six-shooters. A cattleman has just reached town with the news and says the posse had stopped at a ranch about 30 miles out for lunch and to feed their horses.

DISCREDIT THE REPORT.

Omaha Police Know Nothing of the Arrest of Pat Crowe in South Dakota.

OMAHA, Jan. 2.—The first arrest in the Cudaby kidnaping case has been made. J. J. Crowe, brother of Pat Crowe, whom the police believe to be a principal in the abduction, was taken into custody in Council Bluffs by Omaha detectives and brought to this city. The warrant charges Crowe with the abduction of young Edward Cudaby on Dec. 13. Crowe consented to accompany the officers across the river without the formality of requisition papers. When arrested he was in a drunken stupor and the police are so far unable to get much out of him.

The police here know nothing of the arrest of Pat Crowe at Oelrichs, S. D., and discredit the report.

SUCCEEDS ROOSEVELT.

Benjamin B. Odell Inaugurated Governor of New York.

ALBANY, Jan. 2.—Benjamin B. Odell, Jr., was inaugurated governor of the state of New York during the day. The inauguration was one of the most elaborate ever held. There was a greater outpouring of people and a grander military display than have attended a ceremony of this character for many years. Over 1,000 national guardsmen were in line in the escort column and in addition civilians who have been the lifelong friends and neighbors of the new executive and who had come to this city to attest their friendship.

Governor Roosevelt, the retiring governor, shared with Governor Odell to a great extent the demonstration of welcome in the assembly chamber, which was filled to overflowing. On the platform were seated Mrs. Odell, wife of the governor; Mr. B. Odell, Sr., his father; Albert Odell, his son, and other members of the governor's family, the wives of state officers and members of their families, the heads of state departments and their wives, daughters and friends.

SUGAR BOUNTY LAW VOID.

State Cannot Tax People to Aid Private Enterprises.

ST. PAUL, Jan. 2.—In exercising a prerogative rarely used by an attorney general the Minnesota beet sugar bounty law of 1895 was declared invalid in an opinion rendered by Attorney General Douglas, at the request of State Auditor R. C. Dunn. A decision on the law was made necessary by the state auditor's refusal to issue a warrant due to the Minnesota Beet Sugar company under a law of 1895, for sugar manufactured during 1900.

The opinion holds that the funds appropriated for sugar bounties are raised by taxation and that since a direct tax to meet the bounty cannot be maintained, public funds cannot be devoted for it. The power of the legislature to aid a private enterprise is held to be properly determined by this rule. The opinion follows a long line of supreme court decisions of many states.

WANT TREATY RATIFIED.

Petitions From Secretaries of Missionary Societies to the Senate.

WASHINGTON, Jan. 2.—Senator Frye, president of the senate, has received from New York telegraphic petitions from Secretaries Carroll, Morgan, Moorehouse, Ellinwood, Spear, Cobb and Lloyd, representing the national missionary societies of the Methodist, Baptist, Presbyterian, Dutch Reformed and Episcopal churches, asking that when the senate convenes for the first time in the new century on Thursday noon its first act shall be the ratification of the treaty to protect the natives of Africa against intoxicants and favoring universal application of this new policy of civilization by arbitration treaties and laws.

Judge Gottschalk Dead.

LOS ANGELES, Cal., Jan. 2.—Judge Louis Gottschalk died in this city of heart disease. He was 62 years of age. He was a captain in the Union army during the Civil war and in 1889 was appointed by President Harrison as consul at Stuttgart, which position he filled for three and a half years.

Minister of Marine Will Resign.

MADRID, Jan. 2.—It is said the resignation of Rear Admiral Ibañez, minister of marine, is imminent owing to the recent rejection by the chamber of deputies of the government's scheme for increasing the navy. The crisis is becoming general but no official announcement has been made.

W. E. Albright was up from Stone during the week.
