JAMES TWEEDY PASSED AWAY TO THE DEAD

WELL-KNOWN EX-COUNTY OFFICIAL SUCCEUMBS AFTER A LINGERING ILLNESS

The body of James Tweedy, who died at the home of Archie Blue near Saco last Wednesday morning, was brought to this city Wednesday evening on No. 3, and removed to his home where the body lay in state until Friday afternoon at 2:00 o'clock. The funeral services were held at the Methodist church, at which Rev. C. E. Haynes officiated. Interment was made at the Malta cemetery.

James Tweedy, who was a resident of this city for 10 years, was well known throughout the county, serving two successful years as county assessor, and during which time he was constantly before the people of the county and made a legion of friends by his honest, sympathetic and lovable nature. Everyone that knew him respected him for his worth and ability and the funeral was largely attended by friends from all over the county, who came to pay their last rites and extend their sympathy to the bereaved children.

His greatest enemy during life was his generous heart, he never thought of himself but whenever a call for aid was made, always gave conscientiously and freely to any cause that he believed needed his help, never finding fault with anyone, believing that man was created with equal rights and that no one was perfect. The Enterprise joins with the many friends of the deceased in extending condolence to the fatherless and motherless children in their sad bereavement.

James Tweedy

The deceased was born in Deuchrie, Stenton, Scotland, in 1848 and resided on a large farm with his father. When his father died he took charge of the farm and managed affairs for the estate until the early 70's when he came to this country, where he traveled quite extensively throughout the United States and Canada, finally settling on a farm in Kansas he embarked in the horse and cattle business. He again returned to Scotland, but only residing there but a short time when he returned to Kansas and continued his stock business, of which he made quite a success. He was married in November, 1886, and came to this city about 10 years ago, and for a time he was in the hotel business. He afterwards was elected county assessor and served the county for two years. About three years ago his life companion silently passed to the great beyond, and since then he has been failing. For eighteen months he suffered with diabetes and finally last Wednesday morning the dread disease claimed its victim. He was the father of three children, Annie, Ellen and Andrew, who are left with many relatives to mourn his demise.

PAY TRIBUTE TO THE DEAD

CITIZENS PATRIOTICALLY OBSERVE MEMORIAL DAY—PROGRAM RENDERED

Decoration Day was observed in a most befitting manner in this city last Saturday. Practically all the business houses closed their doors from 2:30 p. m. to 5:00 in the afternoon. A pleasing program was rendered in the Methodist church at 2:00 p. m. and the church was well filled with people who turned out to pay their respects to the brave men, who so gallantly fought for the maintenance of this glorious republic. The program consisted of singing by the choir and the men's quartette; Invocation by Rev. C. E. Haynes; Reading of Lincoln's Gettysburg speech, by Professor Atwood; Address by Rev. C. E. Haynes; Recitation by Leah Casselberg and the program was concluded by singing America. From the church the people marched to the cemetery headed by four soldiers of the civil war. At the graveyard twelve little girls appropriately decorated the last resting place of six heroes, who have received their final discharge and gone to join the grand encampment of the soldiers who have fought the good fight and are done with wars and conflicts forever. Though the ranks of the veterans of this city were thin, and the comrades who still survive show the effects of the grim battle with time, they, however, possess a spirit that is as perennially young and vigorous as the hardy plants of spring, and they marched more erectly than many younger men, and when their voices joined in the services for their dead and in the old battle songs which spurred them on to victory in those glorious days of which they love to talk about, there is but little hint of age in their voices.

YOUTHFUL BANDITS

Three youths, all under 17 years of age, participated in a daring holdup and robbery of passengers on the Great Northern train from Shelby to Great Falls, just outside the city limits at 11:20 o'clock Saturday night. They secured about \$300 from the passengers, compelling Conductor Jack Hayes to hold his hat as a receptacle for the money.

In attempting to escape from the train, William Dempsey, an Augusta ranchman, was shot in the left leg, and will probably lose that member through amputation. Conductor Hayes was shot through the coat sleeve.

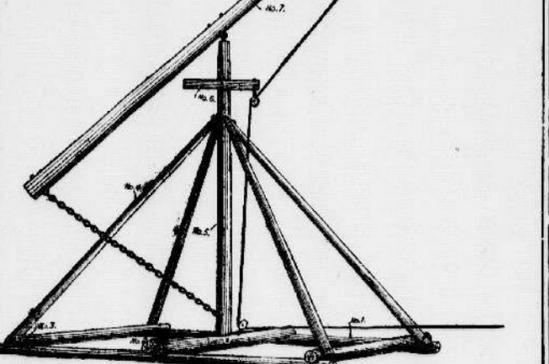

Sheriff Hogan and Chief of Police Pontet have arrested four boys, three of whom are said to have participated in the robbery while the fourth is an alleged conspirator therein. Confessions, it is said, have been secured. The boys under arrest are Albert Hatch, aged 16, the alleged ringleader, of Helena; William Randall, aged 17; Harry Rheams, aged 15; and George Creswell, aged 16, of Great Falls.

According to the alleged confessions of Creswell and Rheams the robbery was planned by young Hatch, to whom is charged the shooting of Dempsey and Hayes. At the conclusion of the robbery, they aver that young Hatch wanted to go across Sun river and hold up the passenger from Helena and Butte, but that he was outvoted. The boys had read considerable yellow literature and are cigarette fiends.

HIP! HIP! HOORAY FOR JULY FOURTH

The citizens have at last resolved to celebrate the greatest of our national holidays, July 4 by holding the grandest celebration ever conceived or held in the Milk River Valley. The committee in charge made a canvas of part of the business houses and solicited funds and from

everyone they approached they received a cordial reception and the unanimous opinion prevails that this year's celebration should eclipse every previous one. Already enough funds have been subscribed to insure a monster program of events never before seen or attempted on so lavish a scale. By the last of the week every citizen will be interviewed in regards to this lavish celebration and details will then at once be completed. Programs and blazing colored posters will be printed by the Enterprise in a few days, which will announce to the people of the entire Milk River Valley this gorgeous jubilee of the 137th anniversary of our national independence. The Enterprise on behalf of the citizens of Malta cordially invites the people of the Milk River Valley to come and participate in the festival and see a most gigantic celebration.

WHICH?

Why Choose a Winona?
That's easy. Because it's the one dependable wagon that will positively assure you will carry your load safely over all kinds and conditions of roads. Whether they're stony, rutty or smooth; whether the valley or on the mountain; in dry weather or a "forty days rain."

Winona Mountain Wagon

will never fail you under any conditions. Reason No. 1 is that no matter if you put ten tons on the Bolsters you cannot snap the Axle (like many wagon axles) because our patent outer bearings absolutely prevent it. You can see the difference for yourself in the cut above. The arrow-point in cut touches the piece of iron that supports the bolster end and rests on the heavy steel shaft that extends for several inches under the axle. The whole is clipped together making a solid and unbreakable support no matter how big a strain is put on it.

There are 24 More Reasons
Ask our dealer to show you all the good points of which this is only one. Write for our new free catalog that tells 25 powerful reasons why you should own a Winona Mountain Wagon. Don't buy till you investigate. Write today.
