—HOME ARTS is the name of a month-
ly paper started in Chicago, by A. L. Sew-
ell and A. Hope, both of whom are well
known writers. It is an admirable publi-
cation for the young boys, and especially
those who have any taste for wood en-
graving, printing, scroll sawing, or any
thing of that character. The price is only
\$1.00 a year. We can assure boys that
you could not make a better investment
than to send in your Dollar and name to
