OZONO AND Gedroline

THE new, non-falling and infallible combined treatment for the human hair, OZONO and Gedroline, used conjointly, cannot fail to lead to the hair becoming lustrous, fine and healthy. OZONO, with the sole purpose and intention to produce an absolutely perfect and reliable treatment for the hair, appropriated the sum of \$1000 for this purpose alone. The services of three of the most noted and most noted hair experts, who, after twelve months of investigation and costly experiments, have successfully formulated a treatment so potent and powerful, yet so harmless and innocuous, that its immediate effects upon the hair border upon the marvelous. This treatment can be used in all faith and confidence, as it is certain to produce results most gratifying, causing the hair to grow long and luxuriant, straight, and of a most delicate and pliable texture. It prevents the tendency of the hair to draw up, contract, curl, and tangle, thus making it easy to dress the hair in any style desired. It causes the hair to grow out on all bald spots, scald patches, thin places, and bare temples. It is sure to prevent the hair from falling, breaking off, and splitting at the ends. This great combined treatment is the most wonderful remedy for the hair in the whole world.

The most generous offer ever made by any firm on earth. Cut out this advertisement, and send it to us, with only \$1.50, and immediately upon receipt of same, we will send you a full and complete treatment, consisting of two extra large boxes of OZONO, King of all Hair Tonics, worth \$2.00; also two large bottles of Gedroline, the lightning hair powder, worth \$2.00; also one large package of our latest discovery, POWDERED EGG SHAMPOO, worth \$2.00; also one of our celebrated and renowned PRIVITY SCALD SOAP, worth \$2.00, and one light package of ANTI-ODOR, the most wonderful toilet specialty of the day, worth \$2.00. DR. L. J. HOLLY, MISSOURI'S FOREMOST PHYSICIAN.
 A Graduate of Three Universities, Bennett, Lincoln, Howard.
 Dr. L. J. Holly was born in Chowan county, N. C., years ago. He was sent at the early age of seven to the public schools of his native city, through which he rapidly passed, entering the high school at thirteen and graduating therefrom at seventeen, a record indicative of the future success which he has attained. Not being content with a high school education, he found young Holly a freshman at Bennett college shortly after leaving the high school. Graduating from this institution of learning, he went north and entered Lincoln university, Chester county, Pa., taking his Bachelor's degree from this school in '86. We next find him at Howard University, pursuing a medical course, finishing the same with high honors. He began the practice of his profession in the city of Washington, D. C., meeting with success from the start. Like most young men of ambition, Dr. Holly believed that the west offered more inducements for young men of brains and push, he made up his mind to locate in Kansas City.

Before leaving Washington Dr. Holly was married to Miss Sadie Gaskin, the only daughter of Hon. J. T. Gaskin, a wealthy and well known resident of Washington, who has for more than thirty years held a responsible position in the senate of the United States. Mrs. Holly is a graduate of Howard University and a musician of rare ability.

Mrs. Holly is also an artist, her paintings being the best on exhibition at the Trans-Mississippi Exposition at Omaha.

Dr. Holly has an elegant home at 1117 Campbell street and enjoys a large practice.

President Roosevelt's trip is a grand success in every particular. Immense crowds greet him everywhere, and he is most royally entertained and enthusiastically received wherever he finds time to stop. The President's speeches are full of fine sentiment and practical logic. He doesn't believe much in theorizing. He is the kind of a man the American people like and admire, and even those opposed to him politically admire him for his excellent traits.

HOUSTON COULD ACT FRENCH.

How Famous Governor of Texas Received French Minister.

Representative Dudley Wooten was telling Gen. Sam Houston stories recently, says the Washington Post. He pointed out that France was the first nation to recognize the Texan republic. A Minister was sent to the capital, which was then Houston. The minister knew no English and President Houston could speak nothing but Cherokee and English. An interpreter was sent for. When he arrived the minister had his first audience with President Houston. The minister came in, bowing low and sweeping the floor with his cane. He made a dozen of these flourishes. President Houston watched him closely, and when it was time for him to respond he made ten or twelve of the most profound bows, each time sweeping the floor with his cocked hat. Then turning to the interpreter Houston said: "Tell the Frenchman that if I can't speak French I can act French."
